

- All living things are made of cells
- These cells can be either prokaryotic or eukaryotic
- Eukaryotic cells are complex and include animal and plant cells
- Prokaryotic cells are smaller and simpler

Both plant and animal cells contain

Start
G1 - when cell division starts, the cell gets bigger
S - more DNA is made in preparation for mitosis
G2 - Preparation for mitosis
M - Mitosis

Mitosis
The cell prepares to chromosomes
Duplicate - G2 chromosomes
The cell gets pulled apart
You have two duplicate cells

Cell differentiation
Animals
Most cells die during embryonic development, in later life this is repair and replacement
Plants
Can continue to differentiate throughout a plant's life

Key words
Eukaryotes - are organisms that are made up of eukaryotic cell
Prokaryotes - are prokaryotic cells
Differentiation - is the process by which a cell changes to become specialised for its job

Bacteria cells
They are simple so they can divide easily and quickly
They don't have a nucleus they have large circular and plasmid DNA

Root hair cell
Absorbs water and minerals
They have long 'hairs' which gives them a larger surface area

Mitochondria - site of respiration
Provides energy for the cell

G1 - Growth
S - DNA synthesis
G2 - Growth and preparation for mitosis
M - Mitosis (cell division)
Animal cells & Plant cells

Stem cells
This is an undifferentiated cell of an organism that is capable of differentiating into any type of specialised cell

Chromosomes
Each cell has 23 chromosomes
They are in the cell's nucleus
Different genes control different characteristics

Sperm cell
Fertilises an egg cell
It has a flagellum and streamline head to help it swim
It has a lot of mitochondria for energy
It has enzymes in head to cut the egg membrane

Phloem cell
Carries fluids around the plant they have very few subcellular structures so stuff can flow through them

Neuron cell
Carries electrical impulses around the body
Long and have branched connections at each end meaning they can form a network around the body

Muscle cell
Contracts quickly
They are long so they have space to contract
They have a lot of mitochondria to generate lots of energy

Diffusion
Lungs, Alveoli
The lungs have a massive surface area
2 cell thick diffusion distance
The blood flow means the concentration of oxygen in the blood is always lower than in the lungs

Small intestines, Villi
The surface area is massive, also has more villi on the villi making it even bigger
2 cell thick diffusion distance
The blood flow means there is always a lower concentration of sugars in the blood than the intestine

Leaf
Short diffusion distance, there are little holes on the bottom of the leaf that CO2

Gills
Oxygen diffuses from the water in to the blood on the gills
Big surface area, gill filaments
Thin diffusion distance
The blood flow means there is always a lower concentration of oxygen in the blood than the water

Therapeutic cloning
Embryos can be made to have the same genes as the patient
This means no rejection

Objectives
An embryo is a potential human life, should it be tested on?
Some believe that curing suffering is more important than the rights of an embryo
People feel scientists should concentrate on developing ways that don't include embryos
In some countries the use of embryos is banned

Diffusion is affected by:
Diffusion distance
Concentration
Surface area
Movement of particles from a **HIGHER** concentration to a **LOWER** concentration through a semi-permeable membrane
It happens naturally to achieve balance
Movement of water particles from a **HIGHER** concentration to a **LOWER** concentration through a semi-permeable membrane

Active transport
Movement **AGAINST** a concentration gradient
Requires energy
Root hair cell
Absorbs minerals against the concentration gradient when necessary
Gut
Absorbs nutrients into the blood against the concentration gradient when necessary

Target - swollen cell
Plant - shriveled cell

Diffusion
Lungs, Alveoli
The lungs have a massive surface area
2 cell thick diffusion distance
The blood flow means the concentration of oxygen in the blood is always lower than in the lungs

Small intestines, Villi
The surface area is massive, also has more villi on the villi making it even bigger
2 cell thick diffusion distance
The blood flow means there is always a lower concentration of sugars in the blood than the intestine

Leaf
Short diffusion distance, there are little holes on the bottom of the leaf that CO2

Gills
Oxygen diffuses from the water in to the blood on the gills
Big surface area, gill filaments
Thin diffusion distance
The blood flow means there is always a lower concentration of oxygen in the blood than the water

Therapeutic cloning
Embryos can be made to have the same genes as the patient
This means no rejection

Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse

Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse has opened up a world of possibilities. Downloading Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rapid

Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse Books

What is a Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rapid Revision Organiser Biology For Double Science Gcse Rapid Revision Gcse PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rapid Revision Organiser Biology For Double**

Science Gcse Rapid Revision Gcse PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
