Remembering The Faith What Christians Believe:

Remembering the Faith Douglas J. Brouwer, 1999 Many Christians today neither know the full content of their faith nor could articulate the historical doctrines of the church Remembering the Faith offers help by providing a brief and highly readable introduction to the basic teachings of the Christian faith Douglas Brouwer canvasses the full range of Christian belief from the nature of revelation to the doctrines of God the Trinity creation Jesus the Holy Spirit sanctification and the meaning of the sacraments discussing each as it developed historically and showing why such fundamental statements of faith continue to be important today Throughout each chapter are excerpts from the historical confessions creeds and catechisms as well as selected quotes from theologians and poets Brouwer pastor of First Presbyterian Church in Wheaton Illinois organizes the book thematically with chapters on Where We Find God Who Jesus Is Three Persons One God and Last Things among other topics His careful and gentle reasoning and pastoral tone he understands those who doubt and wonder makes the book a pleasurable and informative read and another useful book for group study Christianity Today *German Protestants Remember the Holocaust* K. Hannah Holtschneider, 2001 Focusing on the 1980s 90s examines how Protestants in Germany interpret their self understanding as part of the community which is defined by its connection to the Nazi past Analyzes representations of the Holocaust and of the Christian Jewish relationship in three German Protestant theological texts the 1980 statement of the Rhineland synod of the Evangelical Church Zur Erneuerung des Verhältnisses von Christen und Juden Marquardt's theological text Von Elend und Heimsuchung der Theologie Prolegomena zur Dogmatik 1992 and Britta Jüngst's dissertation Auf der Seite des Todes das Leben 1996 The analysis of these texts is informed by the development of narratives of collective memory of the Holocaust in German society in the 1980s 90s from the miniseries Holocaust to the Goldhagen controversy All three texts admit the responsibility of Christianity and Christians for the Holocaust and build theologies that do not reject Jews Contents that contrary to their stated intentions most Holocaust theologians do not truly listen to the Jewish perspective Calls on practitioners of theology after Auschwitz to embrace Jews and Judaism in order to restore the credibility of Christian Churches which abandoned the Jews in Auschwitz *What Every Christian Ought to Know* Adrian Rogers, 2005 Rogers offers newcomers to the faith an overview of basic truths to help them grow as believers *The Christian Observer*, 1805 *Manual of the Christian Faith: Or, Religious Truths Generally Believed by Evangelical Christians* Whitman Peck, 1872 **Faith as Remembering** Paul O. Ingram, 2017-11-06 Memories seldom happen in straight lines with chronological precision but occur most often in spirals Paul Ingram's essays collected in Faith as Remembering were created from memories These memories often in unpredictable ways pushed him to new insights about the nature of Christian faith insights often not desired always unexpected and always toward new directions of theological reflection Theologians all too often write with an unintentional and sometimes intentional universalism Ingram does not intend to write this way These essays reflect his memories and are the sources of the theological conclusions he

draws as a historian of religions who now finds himself a practicing process theologian As a process theologian Ingram does not even argue that the conclusions drawn here will be ones he will affirm in the future All human knowledge is incomplete and there are always new surprises for anyone practicing the art of theological reflection But Ingram s hope is that the essays gathered together in Faith as Remembering will inspire readers to engage their memories as the foundation for drawing their own unique conclusions **On Moral Medicine** M. Therese Lysaught, Joseph Kotva, Stephen E.

Remember Heaven: Meditations on the World to Come for Life in the Meantime Matthew McCullough, 2025-04-25 How the Hope of Heaven Shapes Our Lives as Christians in the Meantime What we expect from our future has tremendous power over our experience in the meantime that s why the Bible places the hope of heaven at the center of the Christian life But even if we affirm the reality of our heavenly future we often struggle to long for heaven much less to connect the promises of the world to come to the concrete details of life in this world as it is If and when we think about heaven at all it s easy to think of it like an insurance policy that will be there when we need it But the Bible defines our future hope as an inheritance a trust fund that is certain inexhaustible and freely accessible here and now In this book Matthew McCullough offers a series of meditations that model how to draw on the hope of heaven for everyday life in the meantime Chapters connect specific struggles of life in this world from dissatisfaction and inadequacy to anxiety grief indwelling sin and more to specific promises of the world to come Drawing on insights from Christian writers of the past McCullough shows how the Bible uses the hope of heaven to help us now Offers Hope Helps readers deal with feelings of loneliness inadequacy grief and dissatisfaction to curate a healthy life perspective around God s promises Biblical and Practical Engaging meditations offer Christians applicable advice for living joyfully in light of the inheritance that awaits them in heaven From the Gospel Coalition This accessible book makes a great gift for students pastors and Christians of every age *Exploring Psychology and Christian Faith* Paul Moes, Donald J. Tellinghuisen, 2023-07-11 Drawn from more than sixty years of classroom experience this introductory guide provides students with a coherent framework for considering psychology from a Christian perspective Paul Moes and Donald Tellinghuisen explore biblical themes of human nature in relation to all major areas of psychology showing how a Christian understanding of humans can inform the study of psychology The first edition has proven to be a

successful textbook with over 11 000 copies sold The second edition has been updated and revised throughout based on student and instructor feedback Brief accessible chapters correspond to standard introductory psychology textbooks making this an excellent supplemental text The book includes end of chapter questions An updated test bank for professors is available through Textbook eSources The Last Christian on Earth Os Guinness,2010-02-18 In one of the world s great ironies the Christian faith contributed decisively to the rise of the modern world but has been undermined decisively by the modern world it helped to create The Christian faith has become its own gravedigger In the 25 years since philosopher and social critic Os Guinness first published The Gravedigger Files much has happened the fall of the Soviet Union the rise of the computer age the reemergence of China and India the rise of Islamic terrorism and the worldwide revitalization and politicization of religion The central mystery of Dr Guinness s spy novel inspired by his affection for John le Carr thrillers remains unsolved Can Christians regain the full integrity of faith in Christ while fully and properly engaged in the advanced modern world This new edition of The Last Christian on Earth which includes previously unpublished top secret memos is Dr Guinness s parable about the future of the Christian church in the West Written in the grand tradition of le Carr Fleming and Clancy this thriller pays homage to the genre while transcending it because the real life ending has yet to be written

Statement Of Faith Larry R. W. Bostic,Cristy D. Bostic,2024-03-28 From the beginning God declared that we need to have a faith based confidence in him where we can understand our decision to accept Jesus as our Savior and devotedly follow the Gospel of Jesus Christ In order to do this we must believe in the inerrant Word of God telling us who Jesus is how we are to live and understand the need for and way to salvation Have you ever wondered what salvation is why it is necessary how it is attained and how all the details your pastor wants you to conform to is part of following Jesus Christ What is baptism Who is the Holy Spirit Why should I pray tithe or go to church What does it mean to guard your heart Is there a hell And will God send you there These and many more questions have been researched applied using God s principles in a detailed fashion written in an easy to understand manner and are found inside backed by the Word of God Don t go through this existence guessing where you will go after life and what you should be doing before your death Read your Bible to gain intimacy and knowledge of your Savior Read this companion book to see the subjects needed to know in your development of a journey through life Know what the Bible says and make your own statement of faith The Lutheran Confessions Charles P. Arand,James Arne Nestingen,2012-04 In this important new volume Arand Kolb and Nestingen bring the fruit of an entire generation of scholarship to bear on these documents making it an essential and up to date class text The Lutheran Confessions places the documents solidly within their political social ecclesiastical and theological contexts relating them to the world in which they took place Though the book is not a theology of the Confessions readers will clearly understand the issues at stake in the narratives both in their own time and in ours **The Church School Journal** ,1913
