Sam Nunn on arms control Sam Nunn,1987 **Sam Nunn** Frank Leith Jones,2021-10-05 In a 2012 opinion piece bemoaning the state of the US Senate Washington Post columnist Dana Milbank cited a leading theory There are no giants in the chamber today Among the respected members who once walked the Senate floor admired for their expertise and with a stature that went beyond party Milbank counted Sam Nunn D GA Nunn served in the Senate for four terms beginning in 1972 at a moment when domestic politics and foreign policy were undergoing far reaching changes As a member and then chairman of the Senate Armed Services Committee he had a vital impact on most of the crucial national security and defense issues of the Cold War era and the new world order that followed issues that included the revitalization of the North Atlantic Treaty Organization s military capability US Soviet relations national defense reorganization and reform the Persian Gulf conflict and nuclear arms control In this first full account of Nunn s senatorial career Frank Leith Jones reveals how as a congressional leader and shadow secretary of defense Nunn helped win the Cold War constructing the foundation for the defense and foreign policies of the 1970s and 1980s that secured the United States and its allies from the Soviet threat At a time of bitter political polarization and partisanship Nunn s reputation remains that of a statesman with a record of bipartisanship and a dedication to US national interests above all His career as recounted in *Sam Nunn Statesman of the Nuclear Age* provides both a valuable lesson in the relationships among the US government foreign powers and societies and a welcome reminder of the capacity of Congress even a lone senator to promote and enact policies that can make the country and the world a better and safer place **Arms Control** Kenneth W. Thompson,1993 Attitudes towards arms control have undergone a shift from those that prevailed in the interwar period In the 1920s and 1930s several nations particularly the United States Britain and Japan met to negotiate limits to the arms race Often they approached such negotiations as allies or foes of particular nations and much was written about the alignment and realignment of nations This work examines the alliances that have affected the result of negotiations in the Cold War and post Cold War era **Sam Nunn on Arms Control** Sam Nunn,Kenneth W. Thompson,1987 Senator Nunn stands out among American leaders as a spokesman for a strong defense who recognizes as Churchill did that defense must not be considered an end in itself but as it relates to foreign policy objectives Senator Nunn has made an important contribution to arms control through innovative proposals for such arrangements as risk reduction centers The breadth of his foreign policy thinking goes beyond defense In this book the reader can trace Senator Nunn s views on a variety of arms control issues in the 1980s What is most striking is the consistency of his approach and the continuity of his thought **Environmental Hazards** Eugene Willard Miller,Ruby M.
