Same Time Next Week Emily Smith, 2015-05-18 Is it really ever too late to be happy That's what young attorney Alex Harris finds herself asking while married to her bartender wife Beth For several years Alex has resigned herself to a mediocre relationship feeling doomed by the marriage vows she's already taken But everything changes when she walks into a small cafe one afternoon and meets Michelle Masters As their friendship flourishes Alex's marriage crumbles around her and she's forced to question the only life she's ever known Will those vows be enough to keep her no matter the consequences Or will she finally take a chance at happily ever after

Same Time Next Week Lee Gutkind, 2015-03-01 In any given year one in four Americans suffers from a diagnosable mental illness and yet there is still a significant stigma attached to being labeled as mentally ill We hear about worst case scenarios but in many maybe even most cases there is much room for hope These frank often intimate stories reflect the writers struggles to overcome both as professionals and as individuals as current therapists and as former patients the challenges presented by depression bipolar disorder OCD and other mental disorders These dramatic narratives communicate clearly the rewards of helping patients move forward with their lives often through a combination of medication talk therapy and common sense Collectively these true stories highlight the need for empathy and compassion between therapist and patient and argue for a system that encourages human connection rather than diagnosis by checklist
