Understand the Old Testament David Holsted, 2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he's talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That's where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But with a little guidance you can not only understand it you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don't have hundreds of hours to invest This book combines the best of what I've read and studied about the Old Testament It is part book read it through or select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn biblical principles patterns and promises Learn about Hebrew culture language and history in the context of world history Learn of the prophecies of hope through the Messiah Learn how the Old Testament testifies to Jesus throughout Share this adventure with me Take the first step Start down the path You will find it one of the most fulfilling things you've ever done **Psalms 73-150** Daniel J. Estes, 2019-01-31 The New American Commentary is for those who have been seeking a commentary that honors the Scriptures represents the finest in contemporary evangelical scholarship and lends itself to the practical work of preaching and teaching This series serves a minister's friend and a student's guide The New American Commentary assumes

the inerrancy of Scripture focuses on the intrinsic theological and exegetical concerns of each biblical book and engages the range of issues raised in contemporary biblical scholarship Drawing on the knowledge and skills of over forty scholars and encompassing forty volumes the NAC brings together scholarship and piety to produce a tool that enhances and supports the life of the church *The Cambridge Companion to Biblical Wisdom Literature* Katherine J. Dell, Suzanna R. Millar, Arthur Jan Keefer, 2022-06-09 An essential guide to wisdom texts and the major changes in the approach to different biblical and non biblical wisdom books **Cultic Prophecy in the Psalms** John W. Hilber, 2012-02-13 Doubts about the contribution of cult prophetic speech to psalmody remain in debate Psalms containing first person divine speech exhibit numerous features and suggest life settings that conform to actual prophetic speech Alternative explanations lack comparable examples external to psalms On the other hand Assyrian cultic prophecies parallel the characteristics of prophetic speech found in psalms The Assyrian sources support possible composition and performance scenarios that overcome objections raised against the compatibility of genuine prophecy with psalmody A model of cultic prophecy remains the best explanation for the origin of psalms containing first person divine speech **A Study of the Language of the Biblical Psalms** Matitiah Tsevat, 2021-09-16 Writing the Sacred Ray McGinnis, 2005 In this unique book Ray McGinnis offers us a new deeper and more meaningful way to explore and understand the Psalms Vividly connecting us with the original psalm writers McGinnis discusses the intent and meaning of the historical psalms and then sets us on a path to creating our own sacred poetry Explaining the various literary devices used and the intention behind the various types of psalms McGinnis leads us through sensory and poetic exercises designed to transform the reader into an inspired modern day psalmist **The Wisdom Compass to Eternal Life** Abel Gashe, 2011-07-14 This book is about how the living soul can attain eternal peace and hence eternal life as a living soul would yield it when abiding in the Lord Jesus Christ Tapping the Lords Prayer as the authorized spiritual vehicle to communicate with God this book attests that the name of the Lord Jesus Christ is the foundation the seal of salvation and the bearing point to overcome the world By showing the intrinsic relationship of the invisible with the manifested world the heavenly and the earthly this book lucidly defines why the soul should glorify God as an end to lifes purpose while seeking righteousness and fulfilling the commandments By presenting ground breaking revelations about the spiritual realm and hence the living God through the spiritual compass this book would help the reader to discern wisdom about how to worship the Lord in truth and spirit to see the glimpse of eternal life and enjoy eternal peace not as the world offers it but as the Lord Jesus confers it on the living soul *The Word Among Us* Terry L. Burden, 2022-07-19 The Word Among Us Theologies of the Hebrew Bible Old Testament is a topical approach to the study of the Judeo Christian Bible Each topic is a survey of the many theological themes we encounter in the Biblical narrative such as the theology of Biblical History Torah Moses Election Covenant Land Kingship Prophecy and many more Special topics include The Theology of the Fall of Israel Theology of Messianic Expectations and The Theology of Israel Of particular interest is The Theology of Story

which introduces the story oriented literary discipline At the center of Biblical theology is the tragic fall of the Northern Kingdom of Israel in 722 B C E and the Southern Kingdom of Judah in 586 B C E From these periods many of the theological motifs such as covenant law and prophecy arise to address and to explain these tragedies in Israelite history The primary purpose of the present study is a better understanding of the theological function of these motifs or themes A theological function is the power of a Biblical narrative to constitute and to restore the Israelite people who were struggling to survive the late period of Biblical history A special feature of my study are the several promptings from Biblical topics of the many discussions that relate to the New Testament and Christian teachings My approach to the study of the Hebrew Bible Old Testament is unique among other introductions to the Hebrew Bible This book therefore is very important to both the Jewish and the Christian reader Old Testament Today John H. Walton, Andrew E. Hill, 2004 This full color textbook shows college students how the Old Testament uniquely reveals the God of the universe
