Gerhard P. Bassler

Sanctuary Denied Refugees From The Third Reich And Newfoundland Immigration Policy 19061949:

Alfred Valdmanis and the Politics of Survival Gerhard P. Bassler, 2000-03-04 Alfred Valdmanis is best known in Canada for his infamous role in Premier Joey Smallwood's scheme to industrialize Newfoundland. A Latvian immigrant, he was appointed Director General of Economic Development in 1950 with the understanding that through his connections to Europe he could entice German and Baltic industrialists to the isolated rural island. His influence was brought to an abrupt end when in 1954 he was charged with defrauding the government. The media latching on to his murky past and his possible affiliation with war criminals made him the scapegoat of Newfoundland's problems, painting him as part comedian, part sinister villain. This was not the first time his name was connected with controversial issues. Valdmanis's wily political manoeuvring is more the stuff of fiction than history. Between 1938, at age 29, and his ironic downfall in the safe haven of Canada, he was a finance minister of pre-war Latvia, a government official during the Soviet invasion, a shrewd collaborator under the Nazi occupation, then a friend to the Allies, a spokesman for Latvian POW and displaced persons, and an adviser to the government of Canada. In this first serious biography of Alfred Valdmanis, historian Gerhard Bassler casts the story of this political manipulator and chameleon in new terms: the often tragic consequences of the will to survive.

Migrations and Diasporas William Arrocha, Elena Xenikou, 2023-11-23 Advocating for a more welcoming world involves respecting the human dignity and fundamental rights of all individuals regardless of their place of origin or immigration status. This perspective offers a powerful insight into the dynamics of social justice across borders.

The Evian Conference of 1938 and the Jewish Refugee Crisis Paul R. Bartrop, 2017-09-17 This book provides the first dedicated study of the Evian Conference of July 1938, an international initiative called by U.S. President Franklin D. Roosevelt. While on the surface the conference appeared as an attempt to alleviate the distress faced by Jews being forced out of Germany and Austria, in reality it only served to demonstrate that the nations of the world were not willing to accept Jews as refugees. Since the Holocaust, a generally held assumption has been that the Evian Conference represented a lost opportunity to save Germany's Jews and that the conference failed to rescue the Jews of Europe. In this study, Paul Bartrop argues that in fact it did not fail when measured against the original reasons for which it was called. Exposing many of the myths surrounding the meeting, this work addresses a glaring lacuna in the literature of the Holocaust and places the so-called failure of the Evian Conference into its proper context.

Twentieth-century Newfoundland James Hiller, Peter Neary, 1994 *Twentieth Century Newfoundland Explorations* brings together ten papers by eight well-known historians of Newfoundland and Labrador. The papers address a wide variety of subject matter and open many avenues for further research. The book concludes with an extensive bibliography on the Newfoundland and Labrador in the Twentieth century. This bibliography is organized by topic and will serve the needs of the general reader and specialists alike. *Twentieth Century Newfoundland Explorations* highlights the scope and complexity of present-day writing about the history of Newfoundland and Labrador. James Hiller, Professor of History at Memorial

University and author of a number of articles on Newfoundland in the Nineteenth and Twentieth Centuries Peter Neary Professor of History at the University of Western Ontario and the author of *Newfoundland in the North Atlantic World 1929-1949* 1998 **Sanctuary Denied** Gerhard P. Bassler, Memorial University of Newfoundland. Institute of Social and Economic Research, 1992 This is the first book length inquiry into Newfoundland immigration prior to Confederation in 1949 *Sanctuary Denied* sheds new light on the preservation of Newfoundland's culturally distinct homogeneous society and its endemic difficulties Refuting a widespread assumption that pre Confederation Newfoundland was unable to attract immigrants Dr Bassler identifies numerous requests involving thousands of potential immigrants eager to move to Newfoundland in the half century prior to Confederation Despite the existence of a uniquely liberal refugee law from 1906 to 1949 Newfoundland immigration policy developed a tradition of refusing asylum to all refugees and of deporting and excluding non British immigrants as undesirable The analysis of this immigration record raises intriguing questions about the legacy of nation building in Newfoundland **Nation Builders and Enemy Aliens** Gerhard P. Bassler, 2021-11-09 Today German Canadians are among Canada's most assimilated citizens often distinguishable from other Canadians by their name only For centuries their pioneer farmers economic developers industrialists professionals musicians artists missionaries fisherman boat builders and soldiers have acquired an acknowledged reputation as nation builders in Canada Not too long ago however they were also associated with Canada's enemy in two world wars discriminated against and subjected to infringements of their citizenship rights Virtually overnight Canadians of German speaking background were recast into disloyal enemy aliens Anti German sentiments and stigmas unknown in Canada before World War I became firmly entrenched and have obliterated their legacy as nation builders This book documents and illustrates how German Canadians have experienced Canada and how Canada has experienced German Canadians over the course of four centuries It shows what influence Canada's relations with Germany had on this development This is the first comprehensive synopsis of the German experience in Canada **Civilian Internment in Canada** Rhonda L. Hinther, Jim Mochoruk, 2020-02-28 *Civilian Internment in Canada* initiates a conversation about not only internment but also about the laws and procedures past and present which allow the state to disregard the basic civil liberties of some of its most vulnerable citizens Exploring the connections contrasts and continuities across the broad range of civilian internments in Canada this collection seeks to begin a conversation about the laws and procedures that allow the state to criminalize and deny the basic civil liberties of some of its most vulnerable citizens It brings together multiple perspectives on the varied internment experiences of Canadians and others from the days of World War One to the present This volume offers a unique blend of personal memoirs of survivors and their descendants alongside the work of community activists public historians and scholars all of whom raise questions about how and why in Canada basic civil liberties have been and in some cases continue to be denied to certain groups in times of perceived national crises *Czech Refugees in Cold War Canada* Jan Raska, 2018-08-24 During the Cold War more

than 36 000 individuals entering Canada claimed Czechoslovakia as their country of citizenship A defining characteristic of this migration of predominantly political refugees was the prevalence of anti communist and democratic values Diplomats industrialists politicians professionals workers and students fled to the West in search of freedom security and economic opportunity Jan Raska s *Czech Refugees in Cold War Canada* explores how these newcomers joined or formed ethnocultural organizations to help in their attempts to affect developments in Czechoslovakia and Canadian foreign policy towards their homeland Canadian authorities further legitimized the Czech refugees anti communist agenda and increased their influence in Czechoslovak institutions In turn these organizations supported Canada s Cold War agenda of securing the state from communist infiltration Ultimately an adherence to anti communism the promotion of Canadian citizenship and the cultivation of a Czechoslovak ethnocultural heritage accelerated Czech refugees socioeconomic and political integration in Cold War Canada By analyzing oral histories government files ethnic newspapers and community archival records Raska reveals how Czech refugees secured admission as desirable immigrants and navigated existing social cultural and political norms in Cold War Canada

Newfoundland Rhapsody Glenn David Colton,2014-03-01 Frederick Rennie Emerson 1895 1972 was a dynamic presence in the cultural and intellectual life of Newfoundland and Labrador for much of the twentieth century A musician lawyer educator and folklore enthusiast Emerson was a central figure in the preservation and mediation of Newfoundland culture in the tumultuous decades prior to and following Confederation with Canada in 1949 Glenn Colton shows how Emerson fostered greater awareness and understanding of Newfoundland s cultural heritage in local national and international contexts His collaboration with song collector Maud Karpeles in the late 1920s preserved some of the most cherished folk songs in the English language and a decade later his lectures at Memorial University College emphasized folk traditions and classical repertoire to inspire cultural discovery for an entire generation As Newfoundland s representative on the first Canada Council and vice president of the Canadian Folk Music Society he played a crucial role in shaping Canadian cultural policy during the transformative years of the mid twentieth century Colton also reveals the meaningful creative works Emerson composed in response to the same cultural heritage he documented and preserved his one act drama *Proud Kate Sullivan* 1940 is a pioneering depiction of Newfoundland life and the folk inspired *Newfoundland Rhapsody* 1964 is one of few examples of symphonic music composed by a Newfoundlander of his generation *Newfoundland Rhapsody* explores Newfoundland society Canada s emerging arts scene and the international folk music community to offer a new lens through which to view the cultural history of twentieth century Newfoundland and Canada

Base Colonies in the Western Hemisphere, 1940-1967 S. High,2008-12-22 This book examines the social economic and political aftermath of the famous Anglo American destroyers for bases deal of 2nd September 1940 that saw fifty obsolete U S destroyers exchanged for base colonies in Trinidad Bermuda Newfoundland and the Bahamas *Newfoundland and Labrador* Sean Cadigan,2017-06-22 Published to coincide with the sixtieth anniversary of Newfoundland and Labrador joining Canada Sean T Cadigan has

written the book that will surely become the definitive history of one of North America's most distinct and beautiful regions. The site of the first European settlement by Vikings one thousand years ago, a former colony of England and known at various times as Terra Nova and Newfoundland until its official name change to Newfoundland and Labrador in 2001, this easternmost point of the continent has had a fascinating history in part because of its long-held position as the gateway between North America and Europe. Examining the region from prehistoric times to the present, Newfoundland and Labrador is not only a comprehensive history of the province but an illuminating portrait of the Atlantic world and European colonisation of the Americas. Cadigan comprehensively details everything from the first European settlements, the displacement and extinction of the indigenous Beothuk by European settlers, the conflicts between settlers and imperial governance, to the Royal Newfoundland Regiment's near annihilation at the Battle of the Somme, the rise of Newfoundland nationalism, Joey Smallwood's case for confederation, and the modernization and economic disappointments instigated by joining Canada. Paying particular attention to the ways in which Newfoundland and Labrador's history has been shaped by its environment, this study considers how natural resources such as the Grand Banks, the disappearance of cod, and offshore oil have affected the region and its inhabitants. Richly detailed, compelling, and written in an engaging and accessible style, Newfoundland and Labrador brings the rich and vibrant history of this remarkably interesting region to life. **Barbed**

Wire Diplomacy Neville Wylie, 2010-03-25 Barbed Wire Diplomacy examines how the United Kingdom government went about protecting the interests, lives, and well-being of its prisoners of war (POWs) in Nazi Germany between 1939 and 1945. The comparatively good treatment of British prisoners in Germany has largely been explained by historians in terms of rational self-interest, reciprocity, and influence of Nazi racism, which accorded Anglo-Saxon servicemen a higher status than other categories of POWs. By contrast, Neville Wylie offers a more nuanced picture of Anglo-German relations and the politics of prisoners of war. Drawing on British, German, United States, and Swiss sources, he argues that German benevolence towards British POWs stemmed from London's success in working through neutral intermediaries, notably its protecting power, the United States, and Switzerland, and the International Committee of the Red Cross, to promote German compliance with the 1929 Geneva convention and building and sustaining a relationship with the German government that was capable of withstanding the corrosive effects of five years of warfare. Expanding our understanding of both the formulation and execution of POW policy in both capitals, the book sheds new light on the dynamics in inter-belligerent relations during the war. It suggests that while the Second World War should be rightly acknowledged as a conflict in which traditional constraints were routinely abandoned in the pursuit of political, strategic, and ideological goals, in this important area of Anglo-German relations, customary international norms were both resilient and effective. **The Holocaust** Paul R. Bartrop, Eve E. Grimm, 2024-05-30 A RUSA Outstanding Reference Source 2025 From genocidal campaigns to careful neutrality to valiant lifesaving efforts, every country's experience of the Holocaust was different during and immediately following World War II.

This book profiles 50 nations and territories from around the globe examining how prewar conditions and attitudes toward Jews influenced the trajectory of that place's wartime experience and its role in the Holocaust. It also explores the aftermath and lasting impact of the Holocaust in these places. Each profile begins with a collection of at a glance facts about population, government, leaders, wartime status, and more. All profiles begin with a brief introduction followed by information about the Jewish population in that place, the prewar environment, wartime experiences, and the aftermath of the Holocaust. This standardized format makes it easy for readers to find specific information while also helping them place events within the proper historical context. A curated selection of further readings at the end of each profile and an end of volume list of books and Internet resources point readers toward materials for additional study. While often conceptualized as a single event that happened the same way across all Axis or Axis occupied countries, the Holocaust and reactions to it varied widely from country to country. In many cases, political and economic conditions in the prewar years as well as the degree of anti-Semitism in a nation influenced that country's experience of the Holocaust. Even after the war, countries experienced the aftermath of the Holocaust in different ways. Some places such as Palestine became a beacon for Jewish refugees, while others such as Brazil became a hideout for Nazi war criminals.

The Routledge History of the First World War Paul R.

Bartrop, 2024-08-27 The Routledge History of the First World War is a work which in a single volume covers a range of major themes and issues relating to that conflict. Providing a comprehensive but readily accessible reference work examining the First World War in accordance with a broad range of themes, this book presents the many ways in which study of the First World War can take place and introduces readers to new areas of research often untouched in other studies of the war. With a scholarly Introduction and 60 chapters by specialist authors who come from 14 different countries across four continents, the book is also intended to open lines of further inquiry from its solid base of academic knowledge. The volume demonstrates the war's global and total nature, examining the conflict in all major theatres and through the lens of the key combatants and neutrals. It also fully engages with issues of race, gender, ideology, and society during the war. This book will appeal to students of all levels, scholars, and general readers alike interested in the First World War from several different perspectives and research areas. The 60 chapters cover topics from numerous angles and provide detailed information about all aspects relating to the First World War.

Aufbrüche nach dem Zusammenbruch Alexander Freund, 2004-04-13 Millionen Deutsche wollten nach dem 2. Weltkrieg raus aus Europa, so eine Schlagzeile von 1949. Knapp eine Million Menschen wanderte dann in den 1950er Jahren tatsächlich nach Übersee, aus der meisten in die USA und nach Kanada. Über diese große Auswanderungsbewegung aus Deutschland im 20. Jahrhundert ist nur wenig bekannt. Auf der Grundlage von Zeitzeugen-Interviews und Archivdokumenten wird untersucht, in welchen Situationen die Auswanderung als Alternative zum Leben in Nachkriegsdeutschland wahrgenommen wurde. Gezeigt wird, wie Politiker die Migration der unterschiedlichen Bevölkerungsgruppen zu kontrollieren versuchten, wie Betrüger mit den Hoffnungen Auswanderungswilliger Profit machten, sowie

die im Prozess der Auswanderungsentscheidung entstehenden individuellen familiären und gesellschaftlichen Konflikte

Quellen zur Migrationsforschung Davoud Gharagozlou, 2004 Sociology of Home Gillian Anderson, Joseph G. Moore, Laura Suski, 2016-11-17 This collection explores sociological analyses of home in Canada drawing upon studies of family urban and rural communities migration and immigration and other areas to discuss the idea of home This volume organized across three parts moves from the micro level of personal homemaking to the meso level of neighbourhood community to the macro level of political ecology The contributors both new and established scholars draw upon a plurality of standpoints including gendered class based racialized and Indigenous voices It is the first Canadian collection of readings on the sociology of home **Canadian Books in Print. Author and Title Index**, 1975 Nouveaux regards sur les migrations juives au XXe siècle Colette Zytnicki, Martin Messika, 2023-11-27T00:00:00+01:00 Les bouleversements du xxe siècle la Seconde Guerre mondiale la décolonisation des pays du Maghreb ont suscité de vastes mouvements de migrations parmi les Juifs d'Europe et d'Afrique du Nord C'est cette histoire singulière qui est consacrée cet ouvrage adoptant une approche la fois comparative et transnationale France tats Unis Grande Bretagne Canada et Belgique Les études rassemblées ici s'articulent autour de trois points forts l'analyse comparative des pratiques administratives des tats et des institutions juives dans l'accueil des Juifs perscutés une focale sur la question des enfants réfugiés pendant la Seconde Guerre mondiale la perception des acteurs sur leur migration Ainsi apparaît ce qui échappe très souvent aux études statistiques l'action des individus leur capacité d'inventer des cheminements originaux en réponse aux coups de boutoir de l'histoire De cela aussi les historiennes et les historiens doivent rendre compte The Writers Directory, 2013
