Resources in Education ,1998 **The Handbook of Advanced Proficiency in Second Language Acquisition** Paul A. Malovrh,Alessandro G. Benati,2020-10-13 A comprehensive current review of the research and approaches to advanced proficiency in second language acquisition The Handbook of Advanced Proficiency in Second Language Acquisition offers an overview of the most recent and scientific based research concerning higher proficiency in second language acquisition SLA With contributions from an international team of experts in the field the Handbook presents several theoretical approaches to SLA and offers an examination of advanced proficiency from the viewpoint of various contexts and dimensions of second language performance The authors also review linguistic phenomena among advanced learners through the lens of phonology and grammar development Comprehensive in scope this book provides an overview of advanced proficiency grounded in socially relevant domains of second language acquisition including discourse reading genre based writing and pragmatic competence The authoritative volume brings together the theoretical accounts of advanced language use combined with solid empirical research Includes contributions from an international collection of noted scholars in the field of second language acquisition Offers a variety of theoretical approaches to SLA Contains information on the most recent empirical research that contributes to an understanding of SLA Describes performance phenomena according to multiple approaches to SLA Written for scholars students and linguists The Handbook of Advanced Proficiency in Second Language Acquisition is a comprehensive text that offers the most recent developments in the study of advanced proficiency in the acquisition of a second language **Research in Education** ,1971 **Bilingual Sentence Processing** Eva M. Fernández,2003-03-27 The cross linguistic differences documented in studies of relative clause attachment offer an invaluable opportunity to examine a particular aspect of bilingual sentence processing Do bilinguals process their two languages as if they were monolingual speakers of each This volume provides a review of existing research on relative clause attachment showing that speakers of languages like English attach relative clauses differently than do speakers of languages like Spanish Fern ndez reports the findings of an investigation with monolinguals and bilinguals tested using speeded on line and unspeeded off line methodology with materials in both English and Spanish The experiments reveal similarities across the groups when the procedure is speeded but differences with unspeeded questionnaires The monolinguals replicate the standard cross linguistic differences while bilinguals have language independent preferences determined by language dominance bilinguals process stimuli in either of their languages according to the general preferences of monolinguals of their dominant language Routledge Handbook of Communication Disorders Ruth H. Bahr,Elaine R. Silliman,2015-04-24 The Routledge Handbook of Communication Disorders provides an update on key issues and research in the clinical application of the speech language and hearing sciences in both children and adults Focusing on areas of cutting edge research this handbook showcases what we know about communication disorders and their assessment and treatment It

emphasizes the application of theory to clinical practice throughout and is arranged by the four key bases of communication impairments Neural Genetic Bases Perceptual Motor Bases Cognitive Linguistic Bases Socio Cultural Bases The handbook ends with an integrative section which looks at innovative ways of working across domains to arrive at novel assessment and treatment ideas It is an important reference work for researchers students and practitioners working in communication science and speech and language therapy Interfaces and Domains of Contact-Driven Restructuring: Volume 168 Sandro Sessarego,2021-11-04 The Afro Hispanic Languages of the Americas AHLAs present a number of grammatical similarities that have traditionally been ascribed to a previous creole stage Approaching creole studies from contrasting standpoints this groundbreaking book provides a new account of these phenomena How did these features come about What linguistic mechanisms can account for their parallel existence in several contact varieties How can we formalize such mechanisms within a comprehensive theoretical framework How can these new datasets help us test and refine current formal theories which have primarily been based on standardized language data In addressing these important questions this book not only casts new light on the nature of the AHLAs it also provides new theoretical and methodological perspectives for a more integrated approach to the study of contact driven restructuring across language interfaces and linguistic domains

Bilingual Education, Current Perspectives No. 1,1977 **The Right Periphery in L2 Chinese** Shanshan Yan,2022-12-29 The Right Periphery in L2 Chinese is among the first books to try to incorporate both advanced linguistic and acquisition perspectives to show how eight sentence final particles are represented in English speaking learners L2 Chinese This book will inform researchers of the general construction of the right periphery in L2 grammars Drawing on up to date theoretical frameworks and findings from advanced empirical studies it sketches the general picture of the periphery that these particles occupy in English Chinese interlanguages Readers will grasp the problems and difficulties and particularly the ambiguities which learners of Chinese must grapple with in the process of acquiring sentence final particles Possible influential factors underlying the acquisition process are explicitly discussed as well Researchers will also find insights in the advanced methodologies and statistics that are used to study Chinese The book will be illuminating for researchers interested in SLA linguists of generative theories and educators teaching Chinese as a second foreign language **The Acquisition of Spanish as a Second Language** Kimberly L. Geeslin,Avizia Y. Long,Megan Solon,2021-04-22 This volume offers an introduction to the field of second language acquisition with a particular focus on second language Spanish It connects key issues in the acquisition of Spanish as a second language to theoretical and empirical issues in the field of second language acquisition more generally by exemplifying central concepts in second language acquisition through the exploration of the most widely researched structures and most recent developments in the field of second language Spanish It is written for a non specialist audience making it suitable for advanced undergraduate and graduate courses and readers while its treatment of recent empirical developments also makes it of interest to researchers in second language Spanish as

well as allied fields **Subject Guide to Books in Print** ,1997
