

# SECOND ACT TROUBLE

Behind the Scenes  
at Broadway's  
Big Musical Bombs

STEVEN SUSKIN

# Second Act Trouble Behind The Scenes At Broadways Big Musical Bombs

**Adrian Wright**

## **Second Act Trouble Behind The Scenes At Broadways Big Musical Bombs:**

**Second Act Trouble** Steven Suskin,2006 These cautionary tales are provocative highly instructive occasionally brutal and from a safe distance downright hilarious making Second Act Trouble the perfect Broadway bedtime reader unless you are prone to nightmares **BOOK JACKET** **West End Broadway** Adrian Wright,2012 West End Broadway discusses every American musical seen in London between 1945 and 1972 Jacket *The World of Musicals* Mark A. Robinson,2014-04-17 This wide ranging two volume encyclopedia of musicals old and new will captivate young fans and prove invaluable to those contemplating staging a musical production Written with high school students in mind *The World of Musicals* An Encyclopedia of Stage Screen and Song encompasses not only Broadway and film musicals but also made for television musicals a genre that has been largely ignored The two volumes cover significant musicals in easily accessible entries that offer both useful information and fun facts Each entry lists the work s writers composers directors choreographers and cast and includes a song list a synopsis and descriptions of the original production and important revivals or remakes Biographical entries share the stories of some of the brightest and most celebrated talents in the business The encyclopedia will undoubtedly ignite and feed student interest in musical theatre At the same time it will prove a wonderful resource for teachers or community theatre directors charged with selecting and producing shows In fact anyone interested in theatre film television or music will be fascinated by the work s tantalizing bits of historical and theatre trivia *The Cambridge Companion to the Musical* William A. Everett,Paul R. Laird,2017-09-21 An expanded and updated edition of this acclaimed wide ranging survey of musical theatre in New York London and elsewhere **American Musical Theater** James Leve,2016 Oklahoma and the integrated book musical Musical theater in nineteenth century America Broadway at the turn of the century The teens The twenties The thirties The forties The fifties The sixties The seventies The eighties The nineties The new millennium Musical theater off Broadway The black musical Rock on Broadway The star **The Musical** William Everett,2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources **You Fascinate Me So** Andy Propst,2015-04-01 Applause Books He penned songs such as Witchcraft and The Best Is Yet to Come signature tunes for Frank Sinatra and Tony Bennett respectively and wrote such musicals as Sweet Charity I Love My Wife On the Twentieth

Century and The Will Rogers Follies yet his life has gone entirely unexplored until now You Fascinate Me So takes readers into the world and work of Tony Grammy and Emmy Award winning composer performer Cy Coleman exploring his days as a child prodigy in the 1930s his time as a hot jazz pianist and early television celebrity in the 1950s and his life as one of Broadway's preeminent composers This first time biography of Coleman has been written with the full cooperation of his estate and it is filled with previously unknown details about his body of work Additionally interviews with colleagues and friends including Marilyn and Alan Bergman Ken Howard Michele Lee James Naughton Bebe Neuwirth Hal Prince Chita Rivera and Tommy Tune provide insight into Coleman's personality and career

**Offstage Observations** Steven Suskin, 2022-04-01 Broadway once upon a time A place where people buy tickets at the box office with cash where patrons dress for theatre with no sneakers no water bottles and no backpacks and the only text messages are the ones put there by the playwright A place where iconic legends of stage and screen can be found in plain view smiling politely or egotistically preening Where three dollars will get you a balcony seat at the biggest hit or the lowliest flop in town And a place where an innocent teenager from the suburbs can buy a ticket slip through the stage door and wander over the threshold into the magical world backstage Steven Suskin introduces Broadway once upon a time in Offstage Observations Tales of the Not So Legitimate Theatre The drama critic and noted chronicler of Broadway takes the reader through a decade's worth of adventures working his way from a menial pencil sharpener for producer David Merrick toward a career as a full fledged manager producer and drama critic The book follows the author's progress from the wintry night after his sixteenth birthday when he unexpectedly finds himself alone on the empty stage of a Broadway theatre peering out at the silent empty auditorium lit only by a solitary ghost light to the matinee eight summers later when he finds himself accidentally and uncomfortably acting in a Broadway musical bombarded by roars of laughter from a houseful of playgoers A keen observer of the impertinent with an ear for amusing anecdotes whimsical curiosities and exaggerated tales of life upon the wicked stage Suskin draws a portrait of a not so long ago theatre world that has all but vanished

**The Great American Songbook** Steven Suskin, 2023-04-01 In an age of ubiquitous music and countless new songs releasing every minute the Great American Songbook endures After all the Songbook that sprawling canon of popular songs standards and show tunes from roughly the 1920s through the 1950s is a foundational text of American pop music Rare indeed is the song that doesn't in some way draw on this magnificent corpus and rare is the person who hasn't heard at least a few of its most enduring melodies Nonetheless the Songbook is broader and deeper than most listeners can imagine and on the margins the question of whether this or that song should be included is the source of regular arguments among scholars and buffs alike Attempting to plumb its depths can be a daunting prospect Enter Steven Suskin who has been writing about music since the days that Rodgers Arlen and Berlin still roamed the streets of Manhattan In this carefully curated and cheerfully opinionated guidebook Suskin surveys 201 of the most significant selections from the Songbook ranging from celebrated masterpieces to forgotten gems Year by

year he puts songwriters and their contributions in their context and explains what makes each song such a distinctive treat whether felicitous melody colorful harmony compositional originality or merely the sheer irreducible joy of listening to it Old and new favorites await all readers of this painstakingly compiled enthusiastically written catalog     Show Tunes Steven Suskin,2010-03-09 Show Tunes fully chronicles the shows songs and careers of the major composers of the American musical theatre from Jerome Kern s earliest interpolations to the latest hits on Broadway Legendary composers like Gershwin Rodgers Porter Berlin Bernstein and Sondheim have been joined by more recent songwriters like Stephen Schwartz Stephen Flaherty Michael John LaChiusa and Adam Guettel This majestic reference book covers their work their innovations their successes and their failures Show Tunes is simply the most comprehensive volume of its kind ever produced and this newly revised and updated edition discusses almost 1 000 shows and 9 000 show tunes The book has been called a concise skeleton key to the Broadway musical Variety and a ground breaking reference work with a difference Show Music or as the Washington Post observed It makes you sing and dance all over your memory The eagerly anticipated Fourth Edition updated through May 2009 features the entire theatrical output of forty of Broadway s leading composers in addition to a wide selection of work by other songwriters The listings include essential production data and statistics the most extensive information available on published and recorded songs and lively commentary on the shows songs and diverse careers Based on meticulous research the book also uncovers dozens of lost musicals including shows that either closed out of town or were never headed for Broadway and catalogs hundreds of previously unknown songs including a number of musical gems that have been misplaced cut or forgotten Informative insightful and provocative Show Tunes is an essential guide for anyone interested in the American musical

Ignite the flame of optimism with Crafted by is motivational masterpiece, Fuel Your Spirit with **Second Act Trouble Behind The Scenes At Broadways Big Musical Bombs** . In a downloadable PDF format ( PDF Size: \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
