THE SECOND LETTER TO THE CORINTHIANS

MARK A. SEIFRID

Second Corinthians New Testament Message A Biblicaltheological Commentary

Murray J. Harris

Second Corinthians New Testament Message A Biblicaltheological Commentary:

Critical Companion to the Bible Martin H. Manser, 2014-05-14 Presents selections of literary criticism devoted to the Bible

The Structure of Second Corinthians Kei Hiramatsu, 2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul's discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter

Second Corinthians David E. Garland, 1999 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text

2 Corinthians David E. Garland, 1999-11-01 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text

Biblical Theology of Life in the New Testament Francois P. Viljoen, Albert J. Coetsee, 2021-11-30 This publication deals with A Biblical Theology of Life based on the New Testament It forms the second of a two volume publication on A Biblical Theology of Life These two volumes trace the concept of life throughout Protestant canon working with the final form of the biblical books in Hebrew vol 5 and Greek vol 6 Scripture This is done by providing the reader with a book by book overview of this concept This book concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora in order to provide a summative theological perspective of the development of the concept through Scripture It is clear that life forms a central and continuous theme throughout the Biblical text The theme begins with the living God that creates life but is shortly followed by death that threatens life Despite this threat God sustains life and awakens life from death The text concludes with the consummation depicting eternal life in the new heaven and earth The biblical theological approach that has been taken entails a thematic approach as it investigates the concept of life with contextual foci on what individual books of Scripture teach about life joined diachronically with an investigation of the progressive use of the concept of life in Scripture while providing a theology of Scripture as a whole investigating the concept of life in all sixty six books of the Protestant canon

Exploring the New Testament I. Howard Marshall, Stephen Travis, Ian Paul, 2021-06-15 Written by scholars with extensive experience teaching in colleges and universities the Exploring the Bible series has for decades equipped students

to study Scripture for themselves Filled with classroom friendly features this second volume now in its third edition provides an accessible introduction for anyone studying the Letters and Revelation *The Second Epistle to the Corinthians* Murray J. Harris, 2013-08-22 The reputation of the NIGTC series is so outstanding that the appearance of each new volume is noteworthy This book on 2 Corinthians is no exception Master New Testament exegete Murray J Harris has produced a superb commentary that analyzes the Greek text verse by verse against the backdrop of Paul's tumultuous relations with his converts at Corinth Believing that Scripture cannot be understood theologically unless it has first been understood grammatically Harris provides a careful thoroughgoing reading of the text of 2 Corinthians He gives special attention to matters of translation making regular references not only to the standard modern English translations but also to influential older versions such as The Twentieth Century New Testament and those by Weymouth Moffatt and Goodspeed His close attention to matters of textual criticism and grammar leads to discussions of the theology of 2 Corinthians that show the relevance of Paul's teaching to Christian living and church ministry Other notable features of the book include a comprehensive introduction in which all the relevant literary and historical issues are discussed an expanded paraphrase of the letter that conveniently shows Harris's decisions on exegetical issues and indicates the flow of Paul's argument a chronology of the relations of Paul Timothy and Titus with the Corinthian church and an excursus on Paul's affliction in Asia 1811 and its influence on his outlook and theology *2 Corinthians* V. George Shillington, 1998-04-10 V. George Shillington sees this letter as Paul's personal testimony about his ministry of reconciliation among the Corinthian Christians chapters 1-9 and his ministry in defending the truth of the gospel chapters 10-13 The thread that ties the two parts together is Paul's conviction on pastoral ministry under the banner of Christ Paul insists that ministry is to be borne in affliction like that of Christ crucified In raising the crucified Messiah out of the old creation God has inaugurated a new creation in which believers already participate The only boast allowed is in the Lord not in one's own achievements or elevated experiences

Abingdon New Testament Commentaries | 1 Corinthians Richard A. Horsley, 1998 This commentary highlights both the socio-political context of 1 Corinthians and the clash of significantly different religious viewpoints represented by Paul and the congregation he had founded in Corinth In particular Richard Horsley shows that this letter provides a window through which one may view the tension between the Corinthians' interest in cultivating individual spirituality and the apostle's concern for building up a social religious community devoted to the common advantage for the flourishing both of personal dignity and a humanizing solidarity *Biblical Theological Investigations into the Righteousness of God* Albert J. Coetsee, Francois P. Viljoen, 2024-03-19 Scripture reveals that God has various attributes One of the attributes that Scripture frequently refers to is God's righteousness The attribute of God's righteousness enjoys a lot of scholarly attention in systematic theologies Fewer studies however are devoted to investigating God's righteousness from a Biblical Theological perspective This is exactly what this publication does it provides a number of Biblical Theological investigations into the

attribute of God's righteousness by investigating specific verses, chapters and corpora from Scripture and indicates how these portray God's righteousness as part of the developing, unfolding and progressive storyline of the text. This includes research on topics that have not been adequately explored in the past. The chapters contained in this volume are written by Old and New Testament scholars and the target audience is fellow Old and New Testament scholars and scholars interested in God's attributes.

As recognized, adventure as capably as experience virtually lesson, amusement, as without difficulty as deal can be gotten by just checking out a ebook **Second Corinthians New Testament Message A Biblicaltheological Commentary** as well as it is not directly done, you could agree to even more going on for this life, around the world.

We present you this proper as with ease as simple habit to get those all. We have enough money Second Corinthians New Testament Message A Biblicaltheological Commentary and numerous book collections from fictions to scientific research in any way. in the midst of them is this Second Corinthians New Testament Message A Biblicaltheological Commentary that can be your partner.
