Second Sight Printmaking In Chicago 19351995:

Second Sight Gary Allen, 2005-02 These poems are pieces of my life experiences A journey through times of hardship and despair love and hate down the road that eventually led to knowing loving and understanding myself I have met many friends and people who have inspired my poetry along the way some of whom are illustrated in my poetry It makes me happy that I chose to remember these life events in poetry form to share with others

Second Sight James Yood, Mark Pascale, David Mickenberg, 1996 This informative book discusses the originality of the print as an art form and questions the seminal role of the print in order to understand the movements and discourse on the arts in the past decades In illuminating essays three Chicago art scholars assess the open cooperative style that makes Chicago printmaking unique and consider the history of printmaking in Chicago in the context of the WPA as well as the WPA's facilitation of interest in and production of prints and in its setting the stage for the evolution of contemporary print workshops Includes 207 color and b w illustrations

The Prints of John Himmelfarb Michael Bonesteel, Linda Konheim Kramer, 2005 John Himmelfarb is a bold American artist who consistently ignores the boundaries between drawing and painting This comprehensive monograph also details his most recent work that includes the lyric paintings of the Inland Romance Series and linear calligraphic creations that challenge the heart and mind of the contemporary art lover 84 colour 50 illustrations

Printed Stuff Richard H. Axsom, David Platzker, 1997 This magnificent volume documents the printmaking career of leading pop artist influential creator of public monuments and bravura draftsman Claes Oldenburg Includes an important essay on Oldenburg's career and a catalogue of his entire printed oeuvre from limited editions to ephemera A must for scholars and collectors 55 b w illustrations 52 duotones 381 colorplates including 2 gatefolds

Imagery Bob Nugent, 2007-10-01 In 1985 winemaker Joe Benziger and Sonoma artist Bob Nugent struck on the idea of putting original art on special releases of Imagery Estate wines The goal was straight forward commission the world's modern art luminaries to create works for reproduction onto wine labels Two decades and 160 labels later they have assembled a staggering collection of contemporary art from the likes of Sol Lewitt Terry Winters Nancy Graves John Baldessari Judy Pfaff and Bob Arneson This book highlights 133 works of art the best of the Imagery collection The images are big and lush and accompanied by biographical sketches of the artists careers as well as a short description of their individual ideas and methods The pictorial index shows the works in their label form from 1985 to the most recent vintages These images are evocations of wine's multi faceted ability to inspire us

Leon Golub Jon Bird, 2000 Now in his late 70s Leon Golub is a leading exponent of history painting painting as a narrative symbolic expression of global social and political relations and of the realities of power In this book published to accompany a major retrospective exhibition traveling to Ireland England and the United States Jon Bird examines the artist's work from the classically influenced early paintings through depictions of conflict and masculine aggression to compelling images of the last two decades Despite the widespread critical attention his work has received the range and extent of his practice and its

complex interweaving of the iconographic traditions of both high and popular art have not been properly examined As a history painter Golub is acutely aware of the antecedents to his own imagery and symbolism part of Jon Bird s critical project is to track and define the artist s relationship to modernism Making a case for Golub s practice of critical realism that also takes account of the unconscious Bird focuses on two themes that dominate Golub s work how his art figures the body as a sign for social and psychic identity and what might be termed the symbolic expression of social space

Art and Architecture Division,1975 Misch Kohn Jo Farb Hernandez,1998 Misch Kohn Beyond the Tradition is the first comprehensive study of one of the most significant master printmakers of the modern era Hailed as a pioneer for breaking the shackles of conventionality Kohn has been lauded for reinvigorating printmaking in post war America Now for the first time this book brings together work from all six decades of his artistic career This book chronicles sixty years of Kohn s prints from the early W P A lithographs through the startlingly evocative wood engravings of the 1950s the technical innovations with etching and serigraphy of the 1960s and his all media works of the 1970s 80s and 90s An essay about his life and analysis of his work is complemented by numerous illustrations and the first catalogue raisonne of the prints **Print Quarterly** ,2003 *Jeanette Pasin Sloan* Gerrit Henry,2000 JEANETTE PASIN SLOAN works in the great still life tradition of Western art but takes a distinctly modernist approach to design and color employing bold shapes vertiginous arrangements of patterned fabrics and distorting reflections occasionally including her self portrait Her works have developed from placid groupings of everyday objects twentieth century household items selected for their simplicity and boldness to the recent Balancing Acts series presenting objects in magisterial disarray their effect approaching abstraction As the artist has stated In the beginning the distortions were unconscious They ve

become much more conscious now But I've always thought that my best work was right on the edge of disorder I think it's as much about disorder as it is about harmony and balance Pasin Sloan's work has also evolved from a use of complex patterning reminiscent of Op art through a period of brilliant color to the subtle tonalities of recent work This dazzling volume presents the finest of Pasin Sloan's paintings in oil and acrylic watercolors and prints accompanied by a text that combines biography description of the artist's working methods and critical analysis It reveals a fascinating body of work demonstrating what the artist has referred to as heroic materialism comprising bravura technique a rigorous pursuit of realistic beauty and a modernist sensibility
