Secondhand Super Shopper Buying More Spending Less Living Better:

Historical Perspectives on Sustainable Fashion Amy Twigger Holroyd, Jennifer Farley Gordon, Colleen Hill, 2023-01-12 For centuries the fashion industry has struggled to reconcile style with sustainability In *Historical Perspectives on Sustainable Fashion* you will be transported back in time to discover the historical dimensions of today's sustainable fashion movement An array of success stories and cautionary tales provide both inspiration and warnings for the eco-conscious designer encouraging an innovative approach that builds on predecessors' discoveries to move the practice of fashion forward The 1st edition *Sustainable Fashion Past Present and Future* emerged from the Museum at FIT's groundbreaking exhibition *Eco Fashion Going Green* This revised edition broadens perspectives even further incorporating eye-opening examples of designers, brands, and activists working for change across the world today Likewise a new chapter examines the globalized mainstream fashion system and historical alternatives that provide compelling inspiration for reimagining the status quo Fascinating and timely *Historical Perspectives on Sustainable Fashion* examines progressive fashion through a historical lens encouraging readers to question the state of the industry and demonstrating the value of historical insights in enabling and inspiring change

Sustainable Fashion Jennifer Farley Gordon, Colleen Hill, 2014-11-30 *Sustainable Fashion* provides a unique and accessible overview of fashion ethics and sustainability issues of the past, present, and future This book is the first to situate today's eco-fashion movement in its multifaceted historical context investigating the relationship between fashion and the environment as far back as the early nineteenth century Employing an expanded definition of sustainability that also considers ethical issues Farley Gordon and Hill explore each stage of the fashion production cycle from the cultivation of raw fibers to the shipment of the finished garment Structured thematically each of the six chapters is dedicated to the discussion of one major issue from recycling and repurposing to labor practices and the treatment of animals Including interviews with eco-fashion designers *Sustainable Fashion* will appeal to students and scholars of fashion as well as students of design history and cultural studies
