

The use of language in Act 2 Scene of Shakespeares Romeo and Juliet Essay Example

In this essay, I will be examining Shakespeare's use of language in Act 2 Scene 2 of Romeo and Juliet. I will also be looking close up at the events in those scenes which foreshadow the inevitable plot at the end of the play. Romeo has just seen Juliet and both of them are in love. Romeo is cherished by his family and Juliet is outlined as a princess who never has to do any work, she has the world's jewels and essentials done for her. Her decision making in life is easily done by her parents.

Love at first sight, as both of them get deeper and deeper in love with each other, they discover that they both belong to their families most hated enemies family tree. Both of the characters believe that their affection for each other is eternal and true so pay no attention to the families and challenge their prestige and authority. This creates confusion and a dynamic mood as the reader is anticipated to read on. Romeo praises Juliet so much that it shows his boundless love and admiration towards Juliet in act 2 scene 2.

"Juliet is the sun", portrays that Juliet is a powerful female, so attractive that she is as striking as the sun. She is an outline figure which brightens the darkness; this shows that Juliet has lightened Romeo's life full of joy and love which caused Romeo to be madly in love with her at first sight. Romeo is in deep love with Juliet as the quote "kill the envious moon" this suggests that Juliet is so valuable towards Romeo that he could not think of a better compliment to praise Juliet than stating her status as superior to the moon; this suggested how important and dominant she became as part of Romeo's life.

Romeo's love is as deep as the sea which shows that his feelings are not false, for revenge for his family. "Her eyes... twinkle in their spheres", implies that Juliet was Romeo's life as he gave her the importance of his world where everything revolved around her. Juliet is portrayed as a divine Goddess as her beauty shames all around her. "The brightness of her cheeks would shame those stars as daylight doth a lamp" images that Juliet was so priceless to Romeo, Romeo may only see the physical beauty of Juliet as she is so attractive that what she speaks could be pure full of love.

This creates a sense of doubt as the reader questions Romeo's love as he is complimenting her physical features and not her verbal or mental output. Romeo sees Juliet as a God's gift from heaven which has fallen into the thriving Romeo. "Thou art as glorious to this night... messenger from heaven" implies that Juliet was holy and pure which attracted Romeo towards her, this reassures the reader that Juliet whole character is pure and attractive which erases the doubts created by Romeo verbal compliments towards her. A sense of regret and passion is created as Juliet hopes Romeo was not a Montague, the son of her family's hated rivals.

"Deny thy father and refuse thy name", shows that Juliet is full of optimism and

William Shakespeare, Gren Cartwright, 2013-11 Many people have said to me I wish we'd had this book when I was in school It is the book I would have liked when I was studying Shakespeare It is also the book I would have liked when I was teaching in high school Twentyfirst Century Shakespeare is a new and exciting approach that opens up Shakespeare to a new generation of students The text is the full traditional Shakespearean text presented in a more familiar friendly helpful format If you are a student you will probably find reading Shakespeare easier than you thought possible You will be able to read through scenes more quickly more fluently and with greater understanding The notes in the margins make things easier by shedding light on tricky words and phrases You do still have to do some work but you will be surprised by how quickly you can become familiar with Shakespearean English This is warm fuzzy Shakespeare designed to make your life a little easier

But don't take my word for it open the book and take a look inside If you are teaching Shakespeare you will save so much time and energy You can concentrate on developing your student's breadth and depth of knowledge and understanding You will hear your students read with more fluency and confidence with greater expression and comprehension Teachers can cover more ground and concentrate on what they feel is important You can help your students make a real connection with Shakespeare Take a look inside and see how Twentyfirst Century Shakespeare can make life easier in your classroom This book evolved from my experience in the classroom When Shakespeare was introduced into the lower secondary school curriculum in the UK it became compulsory for 13 and 14 year olds to study a Shakespeare play The students I taught were used to reading other plays and came to Shakespeare with a genuine enthusiasm and a willingness to participate in a classroom reading of Romeo and Juliet To be fair they had no trouble reading the short exchanges such as the banter between Samson and Gregory at the beginning of the play but they did struggle when confronted with longer passages At first I assumed that the problem lay in the language unfamiliar vocabulary archaic grammar and syntax and the sheer complexity of Shakespeare's verse But many students also struggled with longer passages that weren't intrinsically difficult just long The solution came when I realised that they were reading to the rhythm of the blank verse ignoring intonation punctuation and meaning I knew that actors often use the technique of marking their scripts at each punctuation mark This helps them get the sense and structure of a speech I wondered if this would also work in the classroom So I reformatted the blank verse into lines based on meaning rather than iambic pentameters I also paragraphed the longer speeches to give a more modern look and feel It worked In fact it worked like magic Since then I have added annotations to help with difficult words and phrases and other features unique to these editions But Shakespeare re-formatted is the essence of Twentyfirst Century Shakespeare When I was a school boy many years ago only Grammar school pupils read Shakespeare in the UK Even so many of these brightest of pupils were turned off Shakespeare Now we have a system in which all pupils regardless of academic ability are expected to make some sort of sense of at least one Shakespeare play The least we owe them is a text they can read And who knows they even enjoy it Many people find that removing the straitjacket of blank verse makes the plays easier to read They also find that it liberates the dramatic spirit of the plays and actually enhances the beauty power and natural rhythms of Shakespeare's language If blank verse is of primary importance to you then this book may not be for you This is Shakespeare for the rest of us The American Catalogue, 1905 American national trade bibliography

Shakespeare's cinema of love R. S. White, 2016-10-03 This engaging and stimulating book argues that Shakespeare's plays significantly influenced movie genres in the twentieth century particularly in films concerning love in the classic Hollywood period Shakespeare's green world has a close functional equivalent in tinseltown and on the silver screen as well as in hybrid genres in Bollywood cinema Meanwhile Romeo and Juliet continues to be an enduring source for romantic tragedy on screen The nature of generic indebtedness has not gained recognition because it is elusive and not always easy to

recognise The book traces generic links between Shakespeare's comedies of love and screen genres such as romantic comedy screwball comedy and musicals as well as clarifying the use of common conventions defining the genres such as mistaken identity errors disguise and shrew taming Speculative challenging and entertaining the book will appeal to those interested in Shakespeare movies and the representation of love in narratives Romeo and Juliet William

Shakespeare,2016-08-11 Set in a city torn apart by feuds and gang warfare Romeo and Juliet is a dazzling combination of passion and hatred bawdy comedy and high tragedy Part of the Macmillan Collector's Library a series of stunning clothbound pocket sized classics with gold foiled edges and ribbon markers These beautiful hardbacks make perfect gifts for book lovers or wonderful additions to your own collection This edition features the classic illustrations by Sir John Gilbert and includes an introduction by Ned Halley A young man and woman meet by chance and fall instantly in love But their families are bitter enemies and in order to be together the two lovers must be prepared to risk everything Undoubtedly the greatest love story ever written Shakespeare's Romeo and Juliet has spawned a host of imitators on stage and screen and been adapted countless times Romeo and Juliet Book (Annotated) Shakespeare Study Guide William Shakespeare,2020-04-23

Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star crossed lovers whose deaths ultimately reconcile their feuding families It was among Shakespeare's most popular plays during his lifetime and along with Hamlet is one of his most frequently performed plays It may be audacious even to attempt a definition of his greatness but it is not so difficult to describe the gifts that enabled him to create imaginative visions of pathos and mirth that whether read or witnessed in the theatre fill the mind and linger there He is a writer of great intellectual rapidity perceptiveness and poetic power Other writers have had these qualities but with Shakespeare the keenness of mind was applied not to abstruse or remote subjects but to human beings and their complete range of emotions and conflicts Other writers have applied their keenness of mind in this way but Shakespeare is astonishingly clever with words and images so that his mental energy when applied to intelligible human situations finds full and memorable expression convincing and imaginatively stimulating As if this were not enough the art form into which his creative energies went was not remote and bookish but involved the vivid stage impersonation of human beings commanding sympathy and inviting vicarious participation Thus Shakespeare's merits can survive translation into other languages and into cultures remote from that of Elizabethan England Although the amount of factual knowledge available about Shakespeare is surprisingly large for one of his station in life many find it a little disappointing for it is mostly gleaned from documents of an official character Shakespeare and Textual Studies Margaret Jane Kidnie,Sonia Massai,2015-11-12 Shakespeare and Textual Studies gathers contributions from the leading specialists in the fields of manuscript and textual studies book history editing and digital humanities to provide a comprehensive reassessment of how manuscript print and digital practices have shaped the body of works that we now call Shakespeare This cutting edge collection identifies the legacies of previous theories and places special emphasis on the most recent

developments in the editing of Shakespeare since the turn to materialism in the late twentieth century Providing a wide ranging overview of current approaches and debates the book explores Shakespeare s poems and plays in light of new evidence engaging scholars editors and book historians in conversations about the recovery of early composition and publication and the ongoing appropriation and transmission of Shakespeare s works through new technologies

Shakespeare and Girls' Studies Ariane M. Balizet, 2019-11-27 A modern day Taming of the Shrew that concludes at a high school prom An agoraphobic Olivia from Twelfth Night sending video dispatches from her bedroom A time traveling teenager finding romance in the house of Capulet Shakespeare and Girls Studies posits that Shakespeare in popular culture is increasingly becoming the domain of the adolescent girl and engages the interdisciplinary field of Girls Studies to analyze adaptation and appropriation of Shakespeare s plays in the late 20th and early 21st centuries Through chapters on film television young adult fiction and web series aimed at girl readers and audiences this volume explores the impact of girl cultures and concerns on Shakespeare s afterlife in popular culture and the classroom Shakespeare and Girls Studies argues that girls hold a central place in Shakespearean adaptation and that studying Shakespeare through the lens of contemporary girlhoods can generate new approaches to Renaissance literature as well as popular culture aimed at girls and young people of marginalized genders Drawing on contemporary cultural discourses ranging from Abstinence Only Sex Education and Shakespeare in the US Common Core to rape culture and coming out this book addresses the overlap between Shakespeare s timeless girl heroines and modern popular cultures that embrace figures like Juliet and Ophelia to understand and validate the experiences of girls Shakespeare and Girls Studies theorizes Shakespeare s past and present cultural authority as part of an intersectional approach to adaptation in popular culture **The Publishers Weekly** ,1903
