Sham Social Change Through Contrived Crises:

Sham Bernadine Haag, 1994-02 SHAM addresses the social confusion people are experiencing today because of the rapidly changing tenor of their lives Spiraling crime rates abusive drugs in grade school gun toting students escalating incidence of suicides by the young porous borders that accommodate millions of illegal aliens a possible jail term for developing one's own property are problems that seem to defy solution Power hungry individuals have discovered that A crisis situation emphasizes the need for an innovation speeds its rate of adoption Therefore crises are being deliberately created through subterfuge SHAM by elements within the federal government To insure total social control values need to be changed One way to change values is to change language Change language you can change behavior Undermine family values you unravel the very fabric of the country Choke businesses with massive government environmental regulations you deliver staggering blows to this nation's economy SHAM exposes the blatant tactics being employed by government to wrest total control over its citizens from the womb to the tomb SHAM covers a period of 30 years of social change warns of future trends **Social Change** Steven Vago, 2003 A timely and comprehensive social analysis of one of the most important social concerns of our time this fifth edition of Social Change greatly increases the contemporary multicultural and international components yet retains its pedagogically sound features and proven organizational framework It provides a readable and up to date analysis of the major theoretical perspectives sources processes patterns and consequences of social change The author also incorporates empirical works from anthropology social psychology economics political science and history

Tiny You Jennifer L. Holland, 2020-04-07 Caroline Bancroft History Prize 2021 Denver Public Library Armitage Jameson Prize 2021 Coalition of Western Women's History David J Weber Prize 2021 Western History Association W Turrentine Jackson Prize 2021 Western History Association *Tiny You* tells the story of one of the most successful political movements of the twentieth century the grassroots campaign against legalized abortion While Americans have rapidly changed their minds about sex education pornography arts funding gay teachers and ultimately gay marriage opposition to legalized abortion has only grown As other socially conservative movements have lost young activists the pro life movement has successfully recruited more young people to its cause Jennifer L Holland explores why abortion dominates conservative politics like no other cultural issue Looking at anti abortion movements in four western states since the 1960s turning to the fetal pins passed around church services the graphic images exchanged between friends and the fetus dolls given to children in school she argues that activists made fetal life feel personal to many Americans Pro life activists persuaded people to see themselves in the pins images and dolls they held in their hands and made the fight against abortion the primary bread and butter issue for social conservatives Holland ultimately demonstrates that the success of the pro life movement lies in the borrowed logic and emotional power of leftist activism *Should I Have this Baby?* Carl Jones, 1996 *Should I Have This Baby* the first book to give step by step advice about an unexpected and possibly unwanted pregnancy is for every woman girl

family member friend social worker and counselor who is confronted with unexpected pregnancy In clear simple easy to follow language renowned childbirth expert Carl Jones provides guidance on the following the choices in the first second and third trimester what to do if carrying a special needs child how to handle a pregnancy that occurs from contraceptive failure the pros and cons of adoption and abortion and how to heal the grief that often follows either one the diagnostic procedures used to determine whether a pregnancy is normal resources for every woman regardless of her choice and much more Should I Have This Baby is an important book that will help readers come up with the best answers to some crucial questions that will affect the rest of their lives **Forthcoming Books** Rose Arny,1994-04 **White Privilege and The Wheel of**

Oppression Georgiana Preskar,2010-08 THE CHALLENGE In February 2009 Attorney General Eric Holder called America a nation of cowards His reason was that we don t have the guts to be honest with each other about racial issues The lack of honesty that he bluntly implied is obvious Its cause however is not a lack of courage but enforcement of deceptive tactics that undermine freedom of speech In reality his words gave this nation a challenge Will we meet it For over forty years every major cultural movement of the last century successfully achieved its goal through victimization oppression and white privilege principles These deceptive tools developed entitlement thinking that separated people from common sense and goodness The more people separated from goodness the more evil surfaced Disguised as a right and freedom evil began silencing America Many people deny it and the dangers of Marxism Others are euphoric about the transformation Oppression education is doing its job the destruction of so called white values and America White privilege and the wheel of oppression fool those in class attendance They promise people release from make believe oppression while injecting them with it The result is a dangerous epidemic of oppression isms most useful for change Attorney General Eric Holder stated that America needed open racial discussion We will accept the challenge The content within is forthright and bold in presentation Chapter questions are included for private use institutes of learning education conferences and church groups to develop boldness in speaking the truth We must STOP the biggest Hoax of the Century White Privilege and The Wheel of Oppression for the survival of America **Subject Guide to Books in Print** ,2001 **The Tolono Station and Beyond** Marc Moreland,1970

Congressional Record United States. Congress,1974 Collective Insecurity Ikechi Mgbeoji,2011-11-01 Africa s notorious civil wars and seemingly endless conflicts constitute one of the most intractable threats to global peace and security in the post Cold War era This book provides both a superb analysis of the historical dysfunction of the post colonial African state generally and more specifically a probing critique of the crisis that resulted in the tragic collapse of Liberia Using a historical deconstruction and reconstruction of the theories and practice of international law and politics Ikechi Mgbeoji ultimately shows that blame for this endless cycle of violence must be laid at the feet of both the Western powers and African states themselves He further posits that three measures a reconstructed regime of African statehood legitimate governance and reform of the United Nations Security Council are imperatives for the creation of a stable African polity In

the post 9 11 era this holistic and multilateral approach to collective security remains the world s best route to peace and socio political stability Collective Insecurity is a vital addition to the study of international law and will be of interest to students and practitioners of international law and international relations and those with an interest in security studies politics and African studies
