Shaping Postwar Europe European Unity And Disunity 1945 1957

Bent Boel

Shaping Postwar Europe European Unity And Disunity 1945 1957:

Shaping Postwar Europe Peter M. R. Stirk, David Willis, 1991-01-01 **The Dynamics of European Security Cooperation, 1945-91** Gülnur Aybet, 2016-01-12 This is the first integrated analysis of all aspects of security cooperation in western Europe from 1945 to 1991 It provides an accessible yet sophisticated survey of the wider dynamics of security cooperation in each decade throughout this period It covers all aspects of security cooperation which range from the political such as a European voice in arms control to military such as a European input into NATO strategy and economic involving collaboration in defence technology and production A Converging Post-War European Discourse Thomas C. Hoerber, 2014-12-24 This book explores the most important components and contributing factors to the European integration process during the 1950s It seeks to combine comparative politics and political history to examine core themes such as war experience national security military security economic security societal security and research and education in three major European countries i e France Germany and Britain It analyses the references to the ensuing European integration process in national parliamentary debates analyzing which national needs were thought European integration could cater to but also which national positions were seen as being compromised by a closer European commitment The development of a national position on European integration and in turn the evolution of European concepts are considered by using discourse theory on parliamentary debates in France Germany and Britain Parliamentary discourses are shown to be an ideal source for analyzing grand themes such as European integration because they cover all fundamental ideas they have to be public and open ended deliberations which in turn determined the position of each country towards European integration The great variety of positions reflected in the parliamentary discourse in particular those which did not prevail and which did not find their way into the commonly accepted historical storyline of European integration provide a greater comprehensiveness and a better understanding of the history of the European integration process **Themes in Modern European History Since 1945** Rosemary Wakeman, 2003 Twelve chapters consider the key political cultural and economic changes of post 1945 Europe Building Postwar Europe Anne Deighton, 2016-07-27 Controversy surrounds the construction of postwar European institutions Did West European states simply respond to American pressure and Cold War politics How important was federalist idealism as opposed to economic and power political factors to decision makers These studies by an international team of historians examine the motivations of national political leaders and their officials Topics covered include British and French officials European integration and military policies German Italian Belgian and Dutch attitudes Britain and the first attempt to join the EEC and the covert relationship between the USA and the European federalists

The Foundations of Europe Thomas Hörber, 2007-12-18 Thomas Hörber analyses the building process of European integration He shows the parliamentary discourses of France Germany and Britain to be representative of the national position of these states towards the developing concept of Europe He covers all key events and developments of the time

which had an impact on the European integration process and provides an explanation for the convergence of national discourses towards a common Europe This development was by no means a given and the analysis of parliamentary debates shows for the first time how vigorous the debates were on European integration in the 1950s and how despite setbacks notably the failure of the European Defence Community the discussion went in favour of integration From Disarmament to Rearmament Sheldon A. Goldberg,2017-10-02 At the end of World War II the Allies were unanimous in their determination to disarm the former aggressor Germany As the Cold War intensified however the decision whether to reverse that policy and to rearm West Germany as a bulwark against the Soviet threat led to disagreements both within the US government and among members of the nascent NATO alliance The US military took the practical view that a substantial number of German troops would be required to deter any potential Soviet assault The State Department on the other hand initially advocated an alternative strategy of strengthening European institutions but eventually came around to the military's position that an armed West Germany was preferable to a weak state on the dividing line between the Western democracies and the Soviet satellite states Sheldon A Goldberg traces the military diplomatic and political threads of postwar policy toward West Germany and provides insights into the inner workings of alliance building and the roles of bureaucrats and military officers as well as those of diplomats and statesmen He draws on previously unexamined primary sources to construct a cogent account of the political and diplomatic negotiations that led to West Germany's accession to NATO and the shaping of European order for the next forty years **Manipulating Hegemony** R. Vickers,2000-02-17 Drawing on neo Gramscian theories of International Political Economy this book explores the impact of the Marshall Plan on labour and government in Britain Rather than the US imposing a politics of productivity on an unwilling government the centre right of the Labour Party used the Marshall Plan to achieve its own political ends Manipulating Hegemony shows how the government was able to marginalise the left to create a pattern of state labour politics that was to endure until the end of the 1970s *The Origins of the Contemporary Global Order* Carl J. Strikwerda,2025-01-17 This book offers a new interpretation of the origins of the contemporary global order the set of institutions and international practices created by the USA and its allies after the Second World War Previous interpretations have argued that the USA played the predominant role in creating the global order to fight the Cold War against the Soviet Union The author argues that a broader perspective is necessary to understand both the origins of the global order and its ongoing tensions up until today a perspective that includes the legacy of both world wars the role of imperialism and the alternative strategy of globally oriented economic blocs The cooperative tradition in the founding of the global order and the contributions of nations besides the USA provides useful insights for those interested in the current global order and the challenges it faces from Russia and China Britain, Germany and the Cold War R. Gerald Hughes,2007-06-11 This well researched book details the ambiguity in British policy towards Europe in the Cold War as it sought to pursue détente with the Soviet Union whilst upholding its commitments to its NATO allies From the

early 1950s Britain pursued a dual policy of strengthening the West whilst seeking détente with the Soviet Union. British statesmen realized that only through compromise with Moscow over the German question could the elusive East-West balance be achieved. Against this the West German hard line towards the East endorsed by the United States was seen by the British as perpetuating tension between the two blocs. This cast British policy onto an insoluble dilemma as it was caught between its alliance obligations to the West German state and its search for compromise with the Soviet bloc. Charting Britain's attempts to reconcile this contradiction, this book argues that Britain successfully adapted to the new realities and made hitherto unknown contributions towards détente in the early 1960s whilst drawing towards Western Europe and applying for membership of the EEC in 1961. Drawing on unpublished US and UK archives, Britain, Germany and the Cold War casts new light on the Cold War, the history of détente and the evolution of European integration. This book will appeal to students of Cold War history, British foreign policy, German politics and international history.

The Frontier of National Sovereignty
Alan S. Milward, Frances M. B. Lynch, Federico Romero, Ruggero Ranieri, Vibeke Sørensen, 2017-07-05

Many theoretical explanations had been offered for the rise of the European Community but none had used historical analysis to draw out the deeper significance of the events that surrounded Maastricht. However, in this book first published in 1993, the authors explored the process of European integration and its future, drawing on extensive empirical research into the national archives of the member states. The authors brought their findings together in this consistently argued book to provide a new and coherent theory of European integration which threw a fresh light on unexplored aspects of EC policy. The debate over the Treaty of Maastricht shows how ill understood are the issues involved and this book is intended to improve that understanding. It is essential reading to students of history, international relations and political science.

Europe United
Sebastian Rosato, 2010-12-16

The construction of the European Community (EC) has widely been understood as the product of either economic self-interest or dissatisfaction with the nation-state system. In *Europe United*, Sebastian Rosato challenges these conventional explanations, arguing that the Community came into being because of balance-of-power concerns. France and the Federal Republic of Germany, the two key protagonists in the story, established the EC at the height of the cold war as a means to balance against the Soviet Union and one another. More generally, Rosato argues that international institutions, whether military or economic, largely reflect the balance of power. In his view, states establish institutions in order to maintain or increase their share of world power and the shape of those institutions reflects the wishes of their most powerful members. Rosato applies this balance-of-power theory of cooperation to several other cooperative ventures since 1789, including various alliances and trade pacts, the unifications of Italy and Germany, and the founding of the United States. Rosato concludes by arguing that the demise of the Soviet Union has deprived the EC of its fundamental purpose. As a result, further moves toward political and military integration are improbable and the economic community is likely to unravel to the point where it becomes a shadow of its former self.

Rebuilding Europe David W. Ellwood, 2014-02-04

With the end of the Cold War and

the prospect of a federal Europe ever closer this book is a timely reassessment of the processes by which western Europe was reborn out of the devastation and despair of 1945 Concentrating on the first postwar decade and making rich use of the latest research findings David Ellwood gives a detailed account of the practicalities of reconstruction how it was done what it cost who paid for it and what those involved hoped for expected and actually received *Duncan Sandys and the Informal Politics of Britain's Late Decolonisation* Peter Brooke, 2017-11-08 This book throws new light on the impact of informal old boy networks on British decolonisation Duncan Sandys was one of the leading Conservative politicians of the middle decades of twentieth century Britain He was also a key figure in the Harold Macmillan's Winds of Change policy of decolonisation serving as Secretary for the Colonies and Commonwealth Relations from 1960 to 1964 When he lost office he fought strenuously to undermine the new Labour Government's attempts to accelerate colonial withdrawal and improve race relations in Britain Sandys developed important private business interests in Africa and intervened personally through both public and official channels on the question of Rhodesia Commonwealth immigration and the East of Suez withdrawal in the late 1960s This book will appeal to students of decolonisation and twentieth century British politics alike British Foreign Policy, National Identity, and Neoclassical Realism Amelia Hadfield-Amkhan, 2010-10-16 This groundbreaking study offers a genuinely multidisciplinary exploration of cultural influences on foreign policy Through an innovative blend of historical analysis neoclassical realist theory and cultural studies Amelia Hadfield-Amkhan shows how national identity has been a catalyst for British foreign policy decisions helping the state to both define and defend itself Representing key points of crisis from the past two centuries her case studies include the 1882 attempt to construct a channel tunnel to France the frantic 1909 Dreadnought race with Germany the 1982 Falklands War with Argentina and the 2003 decision to remain outside the Eurozone The author argues that these events marking the decline of a great power have forced Britain's society and government into periods of deep self reflection that are carved into its culture and etched into its policy stances on central issues of sovereignty territorial integrity international recognition and even monetary policy **Forging Democracy** Geoff Eley, 2002-04-11 Democracy in Europe has been a recent phenomenon Only in the wake of World War II were democratic frameworks secured and even then it was decades before democracy truly blanketed the continent Neither given nor granted democracy requires conflict often violent confrontations and challenges to the established political order In Europe Geoff Eley convincingly shows democracy did not evolve organically out of a natural consensus the achievement of prosperity or the negative cement of the Cold War Rather it was painstakingly crafted continually expanded and doggedly defended by varying constellations of socialist feminist Communist and other radical movements that originally blossomed in the later nineteenth century Parties of the Left championed democracy in the revolutionary crisis after World War I salvaged it against the threat of fascism and renewed its growth after 1945 They organized civil societies rooted in egalitarian ideals which came to form the very fiber of Europe's current democratic traditions The trajectories of European democracy and the

history of the European Left are thus inextricably bound together Geoff Eley has given us the first truly comprehensive history of the European Left its successes and failures its high watermarks and its low tides its accomplishments insufficiencies and excesses and most importantly its formative lasting influence on the European political landscape At a time when the Left s influence and legitimacy are frequently called into question Forging Democracy passionately upholds its vital contribution

The European Productivity Agency and Transatlantic Relations, 1953-1961 Bent Boel,2003 The European Productivity Agency EPA was initially designed as a means to Americanize Western Europe through the transfer of American techniques know how and ideas to the Old Continent It increasingly became a framework within which the member countries sought European solutions to their problems This study of the EPA sheds new light on the nature of European cooperation and transatlantic relations in the 1950s as well as on the changes these relations underwent during the early postwar period

Explorations in OEEC History OECD,2009-07-08 This book examines the major moments punctuating OEEC history from the original offer of Marshall Aid in 1947 to the decision to create the OECD in 1960

The Rise and Fall of the European Defence Community K. Ruane,2000-06-06 Using the European Defence Community EDC as a case study this book examines the competing and often conflicting view of the British and American governments towards European integration in the early 1950s The British fearing an agonizing reappraisal of the American defence commitment to Europe if the supranational EDC failed went to great lengths to ensure the success of the scheme When despite these efforts the EDC finally collapsed in August 1954 NATO was plunged into arguably the most severe crisis in its history The crisis also possessed an Anglo American dimension with London and Washington badly divided on how it should be resolved In the end the British were instrumental in the creation of the Western European Union as a successor to the EDC Their crisis management however had been rooted in fear of the agonizing reappraisal a danger dismissed by many historians as exaggerated but which the British in 1954 were perhaps right to take seriously

The Postwar Legacy of Appeasement R. Gerald Hughes,2014-01-16 Focusing on the Cold War and the post Cold War eras R Gerald Hughes explores the continuing influence of Appeasement on British foreign policy and re evaluates the relationship between British society and Appeasement both as historical memory and as a foreign policy process The Postwar Legacy of Appeasement explores the reaction of British policy makers to the legacies of the era of Appeasement the memory of Appeasement in public opinion and the media and the use of Appeasement as a motif in political debate regarding threats faced by Britain in the post war era Using many previously unpublished archival sources this book clearly demonstrates that many of the core British beliefs and cultural norms that had underpinned the Chamberlainite Appeasement of the 1930s persisted in the postwar period

Shaping Postwar Europe European Unity And Disunity 1945 1957 Introduction

In today's digital age, the availability of Shaping Postwar Europe European Unity And Disunity 1945 1957 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shaping Postwar Europe European Unity And Disunity 1945 1957 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shaping Postwar Europe European Unity And Disunity 1945 1957 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shaping Postwar Europe European Unity And Disunity 1945 1957 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shaping Postwar Europe European Unity And Disunity 1945 1957 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shaping Postwar Europe European Unity And Disunity 1945 1957 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shaping Postwar Europe European Unity And Disunity 1945 1957 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shaping Postwar Europe European Unity And Disunity 1945 1957 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shaping Postwar Europe European Unity And Disunity 1945 1957 books and manuals for download and embark on your journey of knowledge?

FAQs About Shaping Postwar Europe European Unity And Disunity 1945 1957 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shaping Postwar Europe European Unity And Disunity 1945 1957 is one of the best book in our library for free trial. We provide copy of Shaping Postwar Europe European Unity And Disunity 1945 1957 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shaping Postwar Europe European Unity And Disunity 1945 1957. Where to download Shaping Postwar Europe European Unity And Disunity 1945 1957 online for free? Are you looking for Shaping Postwar Europe European Unity And Disunity 1945 1957 PDF? This is definitely going to save you time and cash in something you should think about.
