*It's Not You, It's Me* Jerry Williams, 2011-12-27 This may be an anthology for anyone who's been broken hearted but it's not an anthology for anyone who's faint hearted Superb Entertainment Weekly *It's Not You It's Me* is a poetry anthology at once amusing, angry, sweet and bitter that gives a fresh voice to the all too familiar experience of ending a relationship Williams has compiled over ninety poems by contemporary writers including Denis Johnson and Kim Addonizio as well as former poets laureate Robert Hass, Maxine Kumin and Mark Strand whose comforting and healing words dragged him out of his breakup induced depression We have all been through a breakup but these poems have created an art out of heartbreak sharing their wisdom on the pain of the flip side of romance and poking fun at the mess we become at the mercy of love This collection gathers many of the poems that have helped Williams a poet himself with two books to his name through his rooms of anguish over the years Happily they're pretty great The New York Times In *It's Not You It's Me* The Poetry of Breakup today's big contemporary poets make breaking up and even divorce sound painfully beautiful You'll want to read with a box of tissues, a pint of chocolate ice cream and sappy love songs playing in the background Lemon Drop Literary **A**

this time Saltmarsh explores how they engaged with femininity and feminine voices in the 1950s and 60s and sheds light on the inheritance of confessional motifs of gender and language as demonstrated by postconfessional writers responding to the rich subject matter of motherhood within the contexts of history myth and literature A foreword is provided by Jo Gill professor of twentieth century and American literature in the Department of English and associate dean for education at the University of Exeter

*How Poems Think* Reginald Gibbons, 2015-09-23 Reginald Gibbons collects here a lifetime's worth of thoughts on composing and translating poetry Not a manifesto or a general theory of the lyric rather the book explores how a poem thinks that is what results from the circumstances of a poet's native language choice of words and topics the mentality that the poet shares with other writers and the range of poetic possibilities and limitations in a given language Through exemplary case studies taken from his own experience in writing poetry as well as in translating poetry from languages ranging from Sophocles's and Pindar's ancient Greek to their contemporary French Italian Portuguese Russian and Spanish successors Gibbons traces the curious persistence of classical modes and images into the twenty-first century He shows how the very language used in composing a poem be it ancient Greek Renaissance English or contemporary Russian both limits and enables how a poet thinks and what the poet can say Even in describing difficult poetic concepts and operations Gibbons writes in a clear companionable style entirely accessible not just to practicing poets but also to general readers interested in poetry and to writers of various stripes interested in the way our native language can often circumscribe what and how we think poetically and affect how we compose poetry and prose This book joins other titles by this award-winning writer on the Press's list

*The Music of Time* John Burnside, 2021-04-06 First published in a slightly different form in Great Britain in 2019 by Profile Books Ltd Title page verso

Radical as Reality Peter Campion, 2019-10-17 What do American poets mean when they talk about freedom How can form help us understand questions about what shapes we want to give our poetic lives and how much power we have to choose those shapes For that matter what do we even mean by we In this collection of essays Peter Campion gathers his thoughts on these questions and more to form an evolutionary history of the past century of American poetry Through close readings of the great modernists midcentury objectivists late twentieth-century poets his contemporaries and more Campion unearths an American poetic landscape that is subtler and more varied than most critics have allowed He discovers commonalities among poets considered opposites dramatizes how form and history are mutually entailing and explores how the conventions of poetry its inheritance and its inventions sprang from the tensions of ordinary life At its core this is a book about poetic making one that reveals how the best poets not only receive but understand and adapt what comes before them reinterpreting the history of their art to create work that is indeed radical as reality

**Classics in Post-Colonial Worlds** Lorna Hardwick, Carol Gillespie, 2010-07-29 Classical material was traditionally used to express colonial authority but it was also appropriated by imperial subjects to become first a means of challenging colonialism and then a rich field for creating cultural identities that blend the old and the new Nobel prize winners such as

Derek Walcott and Seamus Heaney have rewritten classical material in their own cultural idioms while public sculpture in southern Africa draws on Greek and Roman motifs to represent histories of African resistance and liberation These developments are explored in this collection of essays by international scholars who debate the relationship between the culture of Greece and Rome and the changes that have followed the end of colonial empires *For Us, What Music?* Jerry Harp, 2010-12-28 When Donald Justice wrote in *On a Picture* by Burchfield that art keeps long hours he might have been describing his own life Although he early on struggled to find a balance between his life and art the latter became a way of experiencing his life more deeply He found meaning in human experience by applying traditional religious language to his artistic vocation Central to his work was the translation of the language of devotion to a learned American vernacular Art not only provided him with a wealth of intrinsically worthwhile experiences but also granted rich and nuanced ways of experiencing understanding and being in the world For Donald Justice recipient of some of poetry's highest laurels including the Pulitzer Prize the Bollingen Prize and the Lannan Literary Award for Poetry art was a way of life Because Jerry Harp was Justice's student his personal knowledge of his subject combined with his deep understanding of Justice's oeuvre works to remarkable advantage in *For Us What Music* Harp reads with keen intelligence placing each poem within the precise historical moment it was written and locating it in the context of the literary tradition within which Justice worked Throughout the text runs the narrative of Justice's life tying together the poems and informing Harp's interpretation of them *For Us What Music* grants readers a remarkable understanding of one of America's greatest poets **The Cambridge History of American Literature: Volume 8, Poetry and Criticism, 1940-1995** Sacvan Bercovitch, Cyrus R. K. Patell, 1994 Multi volume history of American literature *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod, Ian Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry **The Mind Has Cliffs of Fall: Poems at the Extremes of Feeling** Robert Pinsky, 2019-10-22 Robert Pinsky our finest living example of the American civic poet New York Times gathers poems that cope with the most extreme human emotions Despair mania rage guilt derangement fantasy poetry is our most intimate source for the urgent varied experience of human emotion Poems get under our skin they offer solace with the balm and the sting of understanding In *The Book of Poetry for Hard Times* former Poet Laureate Robert Pinsky curates poems that explore the expanses of human emotion across centuries from Shakespeare to Terrance Hayes Dante to Patricia Lockwood Each poem reveals something new about our most profound and universal experiences taken together they offer a sweeping ode to the power of poetry For anyone who knows these human feelings and almost everyone does this book will become an essential companion Eavan Boland *Chicorel Index to Poetry in Anthologies and Collections in Print* Marietta Chicorel, 1974 **Raymond Carver** Carol Sklenicka, 2009-11-24 The first

biography of America's best known short story writer of the late twentieth century. The London Times called Raymond Carver the American Chekhov. The beloved mischievous but more modest short story writer and poet thought of himself as a lucky man whose renunciation of alcohol allowed him to live ten years longer than he or anyone expected. In that last decade Carver became the leading figure in a resurgence of the short story. Readers embraced his precise, sad, often funny and poignant tales of ordinary people and their troubles: poverty, drunkenness, embittered marriages, difficulties brought on by neglect rather than intent. Since Carver died in 1988 at age fifty, his legacy has been mythologized by admirers and tainted by controversy over a zealous editor's shaping of his first two story collections. Carol Sklenicka penetrates the myths and controversies. Her decade-long search of archives across the United States and her extensive interviews with Carver's relatives, friends, and colleagues have enabled her to write the definitive story of the iconic literary figure. Laced with the voices of people who knew Carver intimately, her biography offers a fresh appreciation of his work and an unbiased, vivid portrait of the writer.

**The Art of Description** Mark Doty, 2014-12-02 It sounds like a simple thing to say what you see. Mark Doty begins. But try to find words for the shades of a mottled sassafras leaf or the reflectivity of a bay on an August morning or the very beginnings of desire stirring in the gaze of someone looking right into your eyes. Doty finds refuge in the sensory experience found in poems by Blake, Whitman, Bishop, and others. *The Art of Description* is an invaluable book by one of America's most revered writers and teachers.

**Rarity and the Poetic** Harold Schweizer, 2016-01-12 Rarity is a quality by which things—flowers, leaves, light, sound—fleetingly appear and disappear, leaving in their wake a resonance of something we just thought we had glimpsed. Each of the nine chapters in this book pursues such intimations of rarity in poetic ideas, images, and silences.

**Vital Signs** Ronald Wallace, 1989 This anthology includes 179 poets published by university presses in recent years. It seeks to provide a rich overview of the best contemporary American poetry, irrespective of publisher, age of poet, aesthetic program, or current status in the literary canon, to celebrate the work of university presses in discovering and supporting that poetry and to suggest some questions about American poetry: its democratization, canonization, aesthetics, politics, and sociology. The volume includes brief histories of poetry publishing at each press, their poetry lists, and an essay on the American poetry scene of the last 20 years. It features poems by such established poets as John Ashbery, Marge Piercy, Adrienne Rich, and James Wright. ISBN 0 299 12160 7 29 95.

**Strange Good Fortune: Essays on Contemporary Poetry** (p), 2001.
