The Wesleyan Tradition Michael Collier, 2012-08-22 Since issuing its first volumes in 1959 the Wesleyan poetry program has challenged the reigning aesthetic of the time and profoundly influenced the development of American poetry One of the country's oldest programs its greatest achievement has been the publication of early works by yet undiscovered poetry who have since become major awarded Pulitzer and Bollingen prizes National Book Awards and many other honors At a time when other programs are being phased out Wesleyan takes this opportunity to celebrate its distinguished history and reaffirm its commitment to poetry with publication of *The Wesleyan Tradition* Drawing from some 250 volumes editor Michael Collier documents the wide ranging impact of these works In his introduction he describes the literary and cultural context of American poetics in more recent decades tracing the evolution of the Deep Image and Confessional movements of the 50s and 60s and exploring the emergence of the prose lyric style Although the success of the Wesleyan program has inspired its share of imitators no other program has had such a fundamental impact Works by the eighty six poets included here both document and celebrate that contribution *I Speak of the City* Stephen Wolf, 2007 *I Speak of the City* is the most extensive collection of poems ever assembled about New York Beginning with an early piece by Jacob Steendam from when the city was called New Amsterdam and continuing through poems written in the aftermath of 9 11 this anthology features

voices from more than a dozen countries It includes two Nobel Prize recipients fifteen Pulitzer Prize winners and many other recognizable names but it also preserves the work of long neglected poets who celebrate the wild possibilities and colossal achievements of this epic city Poets capture New York's major moments and transformations writing of Hudson's arrival Stuyvesant's prejudice and the city's astonishing growth and gentrification They speak of the thrills of a skyscraper's observation deck and the privations of teeming tenements They portray the immigrant experience at Ellis Island and the decay fear and unexpected kindness on a subway ride They take place on sidewalks bridges and docks in taxis buses and ferries and even within nature The Brooklyn Bridge Times Square Broadway the Statue of Liberty and other familiar landmarks are recast through the prism of individual experience yet still reflect the seeming invincibility of New York and its status as a cultural magnet for the freethinking and experimental While certain subjects and themes can be found in all urban verse poems about New York have their own restless rhythm and ever changing style much like the city itself Whether writing sonnets epics or experimental or imagistic verse each of these poets has been inspired by the marvels and madness humor and heartbreak of an enduring city

Poets of World War II Various, 2003-01-27 This anthology brings together 120 poems about World War II by sixty-two American poets chosen as editor Harvey Shapiro writes in his introduction with a purpose to demonstrate that the American poets of this war produced a body of work that has not yet been recognized for its clean and powerful eloquence The poets are generally unsentimental ironic and often astonished by what they have experienced and their insights still have the power to shake up our perceptions of that war and of war in general Most of the poets included in the volume served in the armed forces some Louis Simpson Anthony Hecht Kenneth Koch saw combat in the infantry while others James Dickey Howard Nemerov Richard Hugo John Ciardi fought in the air Also included poets who experienced the war as civilians including Robinson Jeffers Marianne Moore and Conrad Aiken poems by conscientious objectors and draft resisters including William Stafford and Robert Lowell and an elegy by James Tate for his father who was killed in action when Tate was an infant About the American Poets Project Elegantly designed in compact editions printed on acid-free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today's most discerning poets and critics

The Selected Letters of George Oppen George Oppen, 1990 Objectivist poet George Oppen 1908 1984 along with his contemporaries Lorine Niedecker Charles Reznikoff and Carl Rakoski provide an important bridge between the vanguard modernist American poets and the later works of poets such as Robert Creeley In work often compounded by the populist urbanity of city lives the Objectivists explored the social statements poetry can make Because Oppen wrote only one essay and one essay review his correspondence in effect constitutes his essays Oppen is emerging as one of the major poets of the postwar era he was the recipient of an American Academy and Institute of Arts and Letters Award the PEN West Rediscovery Award and a Senior Fellowship from the National Endowment for the Arts His collection *Of Being Numerous* received the 1969 Pulitzer Prize for Poetry These working papers include a rich correspondence letters which provide access to the sustained perceptive body of critical and aesthetic thinking of Oppen's poetic career Provocative and witty comments on poetry and poetics especially interesting for the development of an Objectivist aesthetics and shrewd deeply felt assessments about the politics of the twentieth century and its moral dilemmas are some of the issues

attended to This edition offers primary documentation about an influential poetics a little known movement and its active figures Given the aggressive studies of the politics of canon formation the interest in describing a historical context for individual literary achievement and current debates about mainstream poetry the rethinking of the Objectivist movement and the collection of documents contributing to its poetics is an important achievement in literary scholarship Myth and the Greatest Generation Kenneth Rose,2013-05-13 Myth and the Greatest Generation calls into question the glowing paradigm of the World War II generation set up by such books as The Greatest Generation by Tom Brokaw Including analysis of news reports memoirs novels films and other cultural artefacts Ken Rose shows the war was much more disruptive to the lives of Americans in the military and on the home front during World War II than is generally acknowledged Issues of racial labor unrest juvenile delinquency and marital infidelity were rampant and the black market flourished This book delves into both personal and national issues calling into questions the dominant view of World War II as The Good War **The Poetry of Everyday Life** Steve Zeitlin,2016-09-02 This is a book of encounters Part memoir part essay and partly a guide to maximizing your capacity for fulfillment and expression The Poetry of Everyday Life taps into the artistic side of what we often take for granted the stories we tell the people we love the metaphors used by scientists even our sex lives A folklorist writer and cultural activist Steve Zeitlin explores how poems serve us in daily life and how they are used in times of personal and national crisis In the first book to bring together the perspectives of folklore and creative writing Zeitlin explores meaning and experience covering topics ranging from poetry in the life cycle to the contemporary uses of ancient myths This convergence of poetry and folklore he suggests gives birth to something new a new way of seeing ourselves and a new way of being in the world Written with humor and insight the book introduces readers to the many eccentric and visionary characters Zeitlin has met in his career as a folklorist Covering topics from Ping Pong to cave paintings from family poetry nights to delectable dishes at his favorite ethnic restaurants The Poetry of Everyday Life will inspire readers to expand their consciousness of the beauty that resides in everyday things and to use creative expression to engage and animate that beauty toward living a more fulfilling awakened life full of laughter To live a creative life is the best way to engage with the beauty of the everyday Dying Modern Diana Fuss,2013-04-12 In Dying Modern one of our foremost literary critics inspires new ways to read write and talk about poetry Diana Fuss does so by identifying three distinct but largely unrecognized voices within the well studied genre of the elegy the dying voice the reviving voice and the surviving voice Through her deft readings of modern poetry Fuss unveils the dramatic within the elegiac the dying diva who relishes a great deathbed scene the speaking corpse who fancies a good haunting and the departing lover who delights in a dramatic exit Focusing primarily on American and British poetry written during the past two centuries Fuss maintains that poetry can still offer genuine ethical compensation even for the deep wounds and shocking banalities of modern death As dying loss and grief become ever more thoroughly obscured from public view the dead start chattering away in verse Through bold original interpretations of

little known works as well as canonical poems by writers such as Emily Dickinson Randall Jarrell Elizabeth Bishop Richard Wright and Sylvia Plath Fuss explores modern poetry's fascination with pre and postmortem speech pondering the literary desire to make death speak in the face of its cultural silencing

After the Fall Richard Gray, 2011-05-06 After the Fall A common refrain heard since the collapse of the World Trade Center towers on September 11 2001 is that everything has changed After the Fall presents a timely and provocative examination of the impact and implications of 9 11 and the war on terror on American culture and literature Author Richard Gray widely regarded as the leading European scholar in American literature reveals the widespread belief among novelists dramatists and poets as well as the American public at large that in the post 9 11 world they are all somehow living after the fall He carefully considers how many writers faced with what they see as the end of their world have retreated into the seductive pieties of home hearth and family and how their works are informed by the equally seductive myth of American exceptionalism As a counterbalance Gray also discusses in depth the many writings that get it right transnational and genuinely crossbred works that resist the oppositional and simplistic us and them Christian and Muslim language that has dominated mainstream commentary These imaginative works Gray believes choose instead to respond to the heterogeneous character of the United States as well as its necessary positioning in a transnational context After the Fall offers illuminating insights into the relationships of such issues as nationalism trauma culture and literature during a time of profound crisis

The Routledge Introduction to American War Literature Jennifer Haytock, 2018-05-11 War and violence have arguably been some of the strongest influences on literature but the relation is complex more than just a subject for story telling war tends to reshape literature and culture Modern war literature necessarily engages with national ideologies and this volume looks at the specificity of how American literature deals with the emotional intellectual social political and economic contradictions that evolve into and out of war Raising questions about how American ideals of independence and gender affect representations of war while also considering how specifically American experiences of race and class interweave with representations of combat this book is a rich and coherent introduction to these texts and critical debates

Like a Dark Rabbi Norman Finkelstein, 2019-09-15 Wallace Stevens dark rabbi from his poem Le Monocle de Mon Oncle provides a title for this collection of essays on the lordly study of modern Jewish poetry in English Including chapters on such poets as Charles Reznikoff Allen Grossman Chana Bloch and Michael Heller this volume explores the tensions between religious and secular worldviews in recent Jewish poetry the often conflicted linguistic and cultural matrix from which this poetry arises and the complicated ways in which Jewish tradition shapes the sensibilities of not only Jewish but also non Jewish poets Finkelstein described as one of American poetry's indispensable makers Lawrence Joseph whose previous critical work has been called the exemplary study of the religious aspect of the works of contemporary American poets Peter O Leary considers large literary and cultural trends while never losing sight of the particular formal powers of individual poems In Like a Dark Rabbi he offers a passionate argument for the

importance of Jewish American poetry to modern Jewish culture and to American poetry as it engages with the contradictions of contemporary life
