Sharing The Easter Faith With Children Helping Children Observe Lent And Celebrate Easter:

Sharing the Easter Faith with Children Carolyn C. Brown, 2006-02 This book will explore what the Easter message can mean to children as they grow up so that congregations and families can both share the Easter message with their children and include the children meaningfully in Lent Holy Week and Easter observances [Sharing the Easter Faith with Children](#) Carolyn C. Brown, 2011-07-01 *Sharing the Easter Faith with Children* is theologically sound biblically focused educationally on target and developmentally appropriate Carolyn Brown writes clearly and helpfully with conviction and passion for what to share and how to share one's faith with children It should be required reading for every parent educator and pastor who wants to communicate and celebrate the Easter faith with children Brown packs a lot of practical suggestions insights and activities into this very readable resource I am confident children will mature in their understanding and affirmation of the Easter faith when they have been nurtured in families and congregations that take seriously what Brown offers Donald Griggs author of *Teaching Today's Teachers to Teach* It is easy to share the Christmas story and faith with children The story is beautiful and lends itself well to pageants and other celebratory events for children It is not so easy to share the Easter story and faith with children because the message and images are complex Many parents have trouble articulating what Easter means to them personally much less answering their children's questions In many congregations children are featured in palm parades on Palm Sunday but they are not specifically planned for at other Holy Week services When schools schedule an Easter break many families go away and thus unintentionally bypass the whole Easter message for years This book explores what the Easter message can mean to children as they grow up The author helps congregations and families share the Easter message with their children and include the children meaningfully in Lent Holy Week and Easter observances Included are materials for children from birth in the church nursery to age 12 and reproducible pages to create a booklet for parents The first section of the book describes the particular parts of the Easter faith that are important to children at different ages and comments on the biblical Easter texts from a child's point of view The second part of the book works through the Lenten season describing ways congregations can include children and providing program and worship plans including Lenten disciplines for children and their families Ash Wednesday Celebrating Palm Sunday or looking ahead on Passion Sunday Maundy Thursday Recalling the Last Supper Keeping Good Friday The church sponsored Easter Egg Hunt Easter Sunday Morning Another part of the book offers help to leaders who want to share the content with teachers parents or committees Also included is a comprehensive list of related resources This carefully researched and well grounded practical resource from a highly regarded Christian educator will strengthen your educational ministry with children and support parents as they shape the faith of their children **Ministry Ideas for Celebrating Lent and Easter with Teens, Families, and Parishes** Judy Dankert, Marilyn Kielbasa, Marie Sajsa, 2006 Like all of us adolescents have a deep hunger for God They have a need to make sense out of life and a desire to make the world a better place They are people of endless hope

and have the capacity for deep sadness and profound joy Their hungers needs hopes and moments of sadness and joy mirror the experiences of biblical characters we meet during Lent and the Easter season To meet the challenge of making Lent and the Easter season meaningful parish and youth ministry efforts need to be intentional about bringing alive the Scriptures for each Sunday and special commemoration of the season Ministry Ideas for Celebrating Lent and Easter with Teens Families and Parishes is a resource manual that provides activities for gathered sessions with youth in parish settings as well as ideas for meaningful ways to observe the season with families and friends at home and in the community At the core of the manual are gathered sessions with youth that are lectionary based using themes from the Scriptures Some sessions are specific to a particular Sunday in one liturgical cycle Others are more thematically inclusive and may be used with all cycles In addition to the gathered sessions supplementary activities for the season include a guided meditation a service project and discussion activities that may be used in a variety of ways throughout the season Also included are two chapters designed specifically for families Each chapter contains several activities that will help families share faith stories and create memories These activities can be sent home or adapted for use in a gathered environment
