Sharper Vision Bbc And The Communications Revolution Demos Papers:

Sharper Vision Ian Hargreaves, 1993 **Understanding Media Cultures** Nick Stevenson, 2002-04-02 The Second Edition of this book provides a comprehensive overview of the ways in which social theory has attempted to theorize the importance of the media in contemporary society Understanding Media Cultures is now fully revised and takes account of the recent theoretical developments associated with New Media and Information Society as well as the audience and the public sphere Power Without Responsibility James Curran, Jean Seaton, 2003-12-16 Widely regarded as the standard book on the British Media this authoritative introduction to the history sociology theory and politics of media and communications studies has been substantially revised and updated to bring it up to date with developments in the media industry Its three new chapters describe the battle for the soul of the internet the impact of the internet on society and the rise of new media in Britain In addition it examines the recuperation of the BBC how international and European regulation is changing the British media and why Britain has the least trusted press in Europe International Radio Journalism Tim Crook, 2002-09-11 Radio journalists have witnessed much of the history of the twentieth century From early documentary recordings to the ground breaking war reporting of Ed Murrow and Richard Dimbleby to the sophisticated commentaries of Alistair Cooke and reporters such as Fergal Keane International Radio Journalism explores the way radio has covered the most important stories this century and the way in which it continues to document events in Britain America Europe and many other countries around the world International Radio Journalism is both a theoretical textbook and a practical guide for students of radio journalism reporters editors and producers The book details training and professional standards in writing presentation technology editorial ethics and media law in America Britain Australia and other English speaking countries and examines the major public sector broadcast networks such as the BBC CBC NPR and ABC as well as the work of commercial and small public radio stations Timothy Crook investigates the way in which news reporting has been influenced by governments and media conglomerates and identifies an undercurrent of racial and sexual discrimination throughout the history of radio news There are chapters on media law for broadcast journalists the implications of multi media and new technologies digital applications in radio news and glossaries which cover the skills of voice presentation writing radio news and broadcast vocabulary British Television Policy Bob Franklin, 2001 British Television Policy A Reader provides a forum for the significant policy debates which have informed and shaped television broadcasting since the publication in 1986 of the Peacock Committee Report on the financing of the BBC The Reader presents key documents and critically analyses their impact on the organisation financial resources programme content editorial philosophy and the regulatory environment of television broadcasting Recognising that policy making is not wholly a prerogative of government British Television Policy provides readers with access to a wide range of statutory and non governmental documents which have affected British broadcasting legislation Acts of Parliament Private Members Bills Select Committee Reports Official statements by Ministers

Parliamentary inquiries such as the Davies Report Policy documents prepared by interest groups such as the Campaign for Quality Television and the Voice of the Listener and Viewer Strategic announcements from the ITC Statements from the BBC and ITV Public lectures by media owners and executives such as Rupert Murdoch and Richard Eyre Commentaries from media academics and media analysts Beginning with a comprehensive editorial introduction which details television policy since 1945 the Reader is arranged in thematic sections which explore the purpose of television broadcasting the financing of television broadcasting policy and quality regulation and the relationship of broadcasting and politics Each section is accompanied by an editor's introduction and commentary and the Reader is supported by a glossary and a guide to further reading *British Reports, Translations and Theses* British Library. Document Supply Centre, British Library. Lending

Division, 1995 Issue for Mar 1981 contains index for Jan-Mar 1981 in microfiche form **Perspectives of Public Service Television in Europe** Runar Woldt, 1998 Closedown? Tom O'Malley, 1994 Which factors shaped broadcasting policy in the 1980s and shaped the face of broadcasting for the 1990s Has policy led to greater freedom for broadcasting This text for all those involved in media studies provides an assessment of the debates and legislation set in an historical context **The BBC in Transition**, 2013-07-02 In the 1990s the BBC was engaged in a process of major reform and restructuring This was both a response to external pressures and intended to prepare the Corporation for a changing broadcasting environment

British Television Edward Buscombe, 2000 OXFORD TELEVISION STUDIES General Editors Charlotte Brunsdon and John Caughie Oxford Television Studies offers international authors both established and emerging an opportunity to reflect on particular problems of history theory and criticism which are specific to television and which are central to its critical understanding The perspective of the series will be international while respecting the peculiarities of the national it will be historical without proposing simple histories and it will be grounded in the analysis of programmes and genres The series is intended to be foundational without being introductory or routine facilitating clearly focused critical reflection and engaging a range of debates topics and approaches which will offer a basis for the development of television studies British television has been a success story One factor in this success has been the distinctive institutional structure of British broadcasting a mix of state regulated and publicly funded services with commercial services This book attempts to give a broad overview of British television by examining both the institutional framework and the programmes that it has produced A range of reprinted writings from the work of acknowledged experts is supplemented by specially commissioned essays on such key topics as sport and British television in the global context It will be a key text for all students taking courses on British television and broadcasting *Understanding Media Cultures* Nick Stevenson, 1995-08-11 The Second Edition of this book provides a comprehensive overview of the ways in which social theory has attempted to theorize the importance of the media in contemporary society *Understanding Media Cultures* is now fully revised and takes account of the recent theoretical developments associated with New Media and Information Society as well as the audience and the public sphere
