She Offered Them Christ Paul W. Chilcote, 2001-06-15 Twentieth century United Methodist women will meet some of their female predecessors in this fascinating account of early Methodism For decades the role of women in early Methodism has been overshadowed by that of their male counterparts *She Offered Them Christ* is a piece of United Methodist family history that serves as a link between today's women in The United Methodist Church and their predecessors in the early history of The Methodist Church Women preachers in John Wesley's day had his support encouragement and formal approval to travel and preach Wesley valued the full involvement of women in the life of early Methodism Unfortunately Wesley's support for women was not shared by other male leaders of the movement and shortly after Wesley's death women preachers were censured Paul W Chilcote has collected in one volume the stories of Methodism's early women preachers including excerpts from their diaries and journals and introduces a segment of women's and United Methodist history that will enlighten today's church as it fosters an understanding of John Wesley's appreciation of and support for women in early Methodism Today's United Methodists will find *She Offered Them Christ* to be a rich legacy of John Wesley's power and vision for the role of women in The Methodist Church Wesley's message reached across the decades to provide today's United Methodists especially women with affirmation encouragement and support **She Offered Them Christ** Paul Wesley Chilcote, 1993

**Religion, Gender, and Industry** Peter S Forsaith, Geordan Hammond, 2012-05-31 Questions have been raised in recent decades about the place of women in the eighteenth and nineteenth centuries in church and society during a time of vast industrial change These topics are broad but can be seen in microcosm in one small area of the English Midlands the parish of Madeley Shropshire in which Coalbrookdale became synonymous with the industrial age Here the evangelical Methodist clergyman John Fletcher 1729-1785 ministered between 1760 and 1785 among a population including Roman Catholics and Quakers as well as people indifferent to religion For nearly sixty years after his death two women Fletcher's widow and later her protegee had virtual charge of the parish which became one of the last examples of Methodism within the Church of England Through examining this specific locality with its potential for religious tension and great social significance this multidisciplinary collection of essays engages with developing areas of research In addition to furthering knowledge of Madeley parish and its relation to larger themes of religion gender and industry in eighteenth century Britain the impact of the Fletchers in nineteenth century American Methodism is examined *Textual Warfare and the Making of Methodism* Brett C. McInelly, 2014-05-15 *Textual Warfare and the Making of Methodism* argues that the eighteenth century Methodist revival participated in and was produced by a rich textual culture that includes both pro and anti Methodist texts and that Methodism be understood and approached as a rhetorical problem as a point of contestation and debate resolved through discourse Methodist belief and practice attracted its share of negative press and Methodists eagerly and publically responded to their critics and the controversy generated by the revival ensured that Methodism would be conditioned by

textual and rhetorical processes whether in published polemic and apologia or in private diaries and letters as Methodists navigated the complexities of their spiritual lives and anti Methodist efforts to undermine their faith While it may seem obvious to conclude that a controversial movement would be shaped by controversy Textual Warfare examines the specific ways Methodist belief practice and self understanding were filtered through the anti Methodist critique the particular historic and cultural conditions that informed this process and the overwhelming extent to which Methodism in the eighteenth century was mediated by texts and rhetorical exchange The proliferation of print media and the relative freedom of the press in the eighteenth century the extent to which society generally and Methodism specifically promoted literacy and a cultural sensibility predisposed to open debate on matters of public interest ensured the development of a public sphere in which individuals came together to deliberate in conversation and in print on a range of issues relevant to the larger community It was within this sphere that Methodist religiosity including the intensely private nature of spiritual conversion became matters of civic concern on an unprecedented scale and that Methodism ultimately took its form

*Women and the shaping of British Methodism* Jennifer M. Lloyd, 2013-07-19 A response to the prominent Methodist historian David Hempton's call to analyse women's experience within Methodism this book is the first to deal with British Methodist women preachers over the entire nineteenth century The author covers women preachers in Wesley's lifetime the reason why some Methodist sects allowed women to preach and others did not and the experience of Bible Christian and Primitive Methodist female evangelists before 1850 She also describes the many other ways in which women supported their chapel communities The book also includes discussion of the careers of mid century women revivalists the opportunities home and foreign missions offered for female evangelism the emergence of deaconess evangelists and Sisters of the People in late century and the brief revival of female itinerancy among the Bible Christians

This major companion presents an invaluable resource for scholars worldwide, particularly those in the UK, North America, Asia, and Latin America.

Offering Christ Jack Jackson, 2017-06-06. After decades of conversation serving up a mosaic of understandings of Wesleyan evangelism focusing on proclamation, initiation, and embodiment, Jack Jackson offers a clearer portrait of Wesley's evangelistic vision understood through the lens of offering grace. Any discussion of Wesley's vision of evangelism must center on the proclamation of the story of God in Christ. But for John Wesley, evangelism was much more than preaching for conversion. This book offers a fresh conception of Wesley's evangelistic vision by analyzing his method of gospel proclamation. Wesley was not constrained by the truncated vision of evangelism that has been dominant since the late nineteenth century, one that all too often centers on group preaching with a sole emphasis on conversion. Rather, he stressed a number of practices that focus on a verbal proclamation of the gospel. These practices occur in a variety of settings, only one of which is public preaching, and result in a number of responses, only one of which is conversion. Of crucial importance for current theological students, clergy, and

church leaders around the world the book demonstrates that visitation for the purpose of spiritual direction and evangelism was in many ways the critical leadership and pastoral practice of early British Methodism This book offers important insights into early Methodism that inform both contemporary practices of evangelism and Christian leadership for both clergy and laity

**Respectable Methodism** Daniel F. Flores,2023-03-07 The Wesleyan Methodist movement entered American history as a fragment of British Methodism It quickly took on a new identity in the early republic and grew into a vibrant denomination in the nineteenth century The transitions from the rugged pioneer religion modeled by Bishop Francis Asbury to the urbane religion of industrial America was by design the goal of influential leaders of the Methodist Episcopal Church Nathan Bangs was perhaps one of the most significant of such leaders He rose from obscurity to the ranks of power and influence by refining patterns of worship expanding denominational publishing and structuring ministerial education This study is concerned with the development of respectability in American Methodism It also explores questions on how Bangs and other leaders dealt with in house conflicts on issues related to race slavery and the poor

**Historical Dictionary of Methodism** Jennifer Woodruff Tait,Christopher J. Anderson,2024-11-05 Methodism originally founded in the eighteenth century has grown into a large and influential Protestant denomination As of 2016 it claimed around 50 million adherents in 80 churches in more than 150 countries Its history illuminates our understanding of modern culture ethics literature politics Christian mission women s studies and many related topics Historical Dictionary of Methodism Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important institutions events doctrines and people who have contributed to the movement and to broader society in the three centuries since it was founded This book is an excellent resource for students researchers and anyone wanting to know more about Methodism as a global movement

**Protestant Nonconformity and Christian Missions** Martin Wellings,2014-10-07 The aim of this exceptional book is to explore some of the contributions made by Protestant Nonconformity to Christian missions The occasion of the conference which gave rise to the volume was the centenary of the Edinburgh Missionary Conference of 1910 but the topics treated here deliberately range more widely covering missions in Britain and the wider world from the eighteenth to the twentieth century

*Canadian Methodist Women, 1766-1925* Marilyn Färdig Whiteley,2006-01-01 Canadian Methodist women like women of all religious traditions have expressed their faith in accordance with their denominational heritage Canadian Methodist Women 1766 1925 Marys Marthas Mothers in Israel analyzes the spiritual life and the varied activities of women whose faith helped shape the life of the Methodist Church and of Canadian society from the latter half of the eighteenth century until church union in 1925 Based on extensive readings of periodicals biographies autobiographies and the records of many women s groups across Canada as well as early histories of Methodism Marilyn F rdig Whiteley tells the story of ordinary women who provided hospitality for itinerant preachers taught Sunday school played the melodeon selected and supported women missionaries and taught sewing to immigrant girls

thus expressing their faith according to their opportunities In performing these tasks they sometimes expanded women's roles well beyond their initial boundaries Focusing on religious practices Canadian Methodist Women 1766-1925 provides a broad perspective on the Methodist movement that helped shape nineteenth and early twentieth century Canadian society The use and interpretation of many new or little used sources will interest those wishing to learn more about the history of women in religion and in Canadian society God's Gals Gerald McCray, 2002-07-24 I do not permit a woman to teach nor to usurp authority over the man but to be in silence 1st Timothy 2:12 is one in a short list of passages that have been used by male leadership in religious arenas to justify the institutional exclusion of the Woman Believer from significant leadership roles Christian and non-Christian circles alike have subjected the woman to this spiritual oppression and used the Bible to justify it as an act of God GOD's Gals gives proof that this passage has been misunderstood due to a faulty translation and because we totally missed the subject Honoring the Spiritual Authority of God's Word The accurate translation of this passage along with information regarding the social environment of Paul's day make a rather strong case that the Partially Redeemed Woman theology is not an act of God but a glaring indictment against man's ruler complex The Bible contends that all believers have been destined to live in the freedom that Christ's death provided Galatians 5:1 and the author believes that this book will play a part once and for all in releasing every oppressor and oppressed woman LET THE HEALING BEGIN

**A Living Tradition** Dr. Mary Elizabeth Mullino Moore, 2013-09-17 This book engages in a critical recovery and reconstruction of the Wesleyan theological legacy in relation to current theological concepts and Christian practices with the intent to present opportunities for future directions The contributors address urgent questions from the contexts in which people now live particularly questions regarding social holiness and Christian practices To that end the authors focus on historical figures John Wesley Susanna Wesley Harry Hoosier and Richard Allen historical developments such as the ways in which African Americans appropriated Methodism and theological themes such as holistic healing work and vocation and prophetic grace The purpose is not to provide a comprehensive historical and theological coverage of the tradition but to exemplify approaches to historical recovery and reconstruction that follow appropriately the mentorship of John Wesley and the living tradition that has emerged from his witness Contributors W Stephen Gunter Richard P Heitzenrater Diane Leclerc William B McClain Randy L Maddox Rebekah L Miles Mary Elizabeth Mullino Moore Amy G Oden and Elaine A Robinson

*Singleness of Heart* Diane Leclerc, 2001-10-23 This book in light of recent feminist theology on the doctrine of sin attempts to provide historical support for such feminist considerations It examines fourth century church fathers John Wesley and Phoebe Palmer as places where an alternative of traditional definitional pride can be found Diane Leclerc devotes this study to an important twofold question What is the most adequate Christian diagnosis of our fundamental human problem and the corollary How should we understand the wholeness holiness that Christianity seeks to promote While this interrelated topic is challenging in its own right she has also chosen to approach it by bringing into dialogue some diverse

conversation partners What makes Leclerc's study so instructive is that no partner in this conversation emerges without some challenge for revision or without some affirmation of their central concerns
