Africa, **The Hero and the Perennial Journey Home in American Film** Susan Mackey-Kallis, 2001 In contemporary America myths find expression primarily in film What's more many of the highest grossing American movies of the past several decades have been rooted in one of the most fundamental mythic narratives the hero quest Why is the hero quest so persistently renewed and retold In what ways does this universal myth manifest itself in American cinema And what is the significance of the popularity of these modern myths The Hero and the Perennial Journey Home in American Film by Susan Mackey Kallis is an exploration of the appeal of films that recreate and reinterpret this mythic structure She closely analyzes such films as E T the Star Wars trilogy It's a Wonderful Life The Wizard of Oz The Lion King Field of Dreams The Piano Thelma and Louise and 2001 A Space Odyssey Elements of the quest mythology made popular by Joseph Campbell Homer's Odyssey the perennial philosophy of Aldous Huxley and Jungian psychology all contribute to the compelling interpretive framework in which Mackey Kallis crafts her study She argues that the purpose of the hero quest is not limited to the discovery of some boon or Holy Grail but also involves finding oneself and finding a home in the universe The home that is sought is simultaneously the literal home from which the hero sets out and the terminus of the personal growth he or she undergoes during the journey back Thus the quest Mackey Kallis asserts is an outward journey into the world of action and events which eventually requires a journey inward if the hero is to grow and ultimately necessitates a journey homeward if the hero is to understand the grail and share it with the culture at large Finally she examines the value of mythic criticism and addresses questions about myth currently being debated in the field of communication studies

Dangerous Good Kenny Luck, 2018-07-03 It's time to wake the sleeping giant in our world in our communities in our churches and in our homes There's a revolution brewing a sleeping giant coming out of a long slumber For years men have been sitting to the side minding their own business nursing their own wounds But that time is reaching its end Our wounds must surely be tended to and our business must surely be minded We are meant for greater things than

these and the world can no longer indulge our slumber Justice demands a response to these troubling times Righteousness demands a champion to counter a climate of moral relativism God made us men it s time to act like it Good men are in high demand but low supply That reality is creating suffering and injustice at every level of society in every community worldwide Dangerous Good calls on the millennial generation of men who follow Jesus worldwide to confront that by deciding individually and as a group to be dangerous with goodness like Jesus Here is the next revolution of masculinity the world is waiting for TV Guide ,2004 Film Review ,2000 01-08-2013,□□□ □□□□□ □□□□□□□□□□ *Caribbean Quarterly* ,1979
