Lord And Christ The Implications Of Lordship For Faith And Life:

Lord and Christ Ernest C. Reisinger, 1994 **E.W. Kenyon and His Message of Faith** Joe McIntyre, 1997 *This Is My Story* Paul Beasley-Murray, 2018-06-28 This *This Is My Story* is an unusually fascinating account of one man's life. It is a story of the making of a man initially written with grandchildren in mind. Who was my grandfather? What kind of person was he? At another level it is a story of a growing faith, telling how amidst the ups and downs of life he has remained a soft-hearted pilgrim. At yet another level it is a story of the making of a leader who never stopped learning how to lead, care, preach, and engage in effective mission. Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor. Finally, as one who has at times been at the center of controversy, it is an opportunity to tell my side of the story. This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader. *Voices of Descent* Mark Protsman, 2024-03-25 Embark on a Journey Through the Shadows of Faith. Prepare your heart and mind for an exploration unlike any other. *Voices of Dissent: Exploring the Quiet Death* takes you deep into the heart of a theological controversy that has silently divided believers for centuries. This compelling tome offers a profound look into antinomianism or easy believism and its quiet yet profound impact on the fabric of faith. From the very onset with *The Silent Death Unveiled*, you will be guided through a meticulously researched historical overview, unveiling the roots of a belief system that promotes faith without accompanying deeds. But what makes this doctrine so alluring? *The Allure of Easy Believism* chapter seeks to answer precisely that, revealing the hidden seductions of this faith perspective. As you journey further into this narrative, you will discover the longstanding battle between traditional faith pillars and the antinomian stance. Delve into chapters like *The Historical Battle* and *The Church's Fight Against Antinomianism* to witness the unrest and division that this contest of beliefs has stirred throughout history. Yet it's within the pages of *Scripture's Clear Stance* and *How Matthew 7:13-14 Destroys Easy Believism* that the voice of truth seeks to resonate, offering clarity amidst confusion. The allure of an effortless path to salvation is dissected, revealing a hollow core through chapters such as *Dead Saving Faith and Justification Without Sanctification*. It's a journey to uncover the essence of true conversion, leading you to a profound understanding that belief and action must walk hand in hand. *Transformed Behavior and Total Transformation* underscore the undeniable evidence of genuine faith: a life utterly changed. *Voices of Dissent: Exploring the Quiet Death* is not just a book; it's an invitation to explore, challenge, and ultimately understand the depths of your own faith. Will you heed the call? **Ethics of Decision** George Forell, 2002-10-04 The objective of this short introduction to Christian ethics is to help the reader come to a clearer understanding of the Christian life in our age. For this reason, Christianity is presented against the background and within the context of other present-day efforts to understand the meaning of life. Whether he likes it or not, man must make decisions. He cannot choose not to choose. He must find some principle that will enable him to live coherent life, an integrating principle that will determine his ethical code. Lost

Truths: How Evangelical Leaders Compromised Faith for Political Agendas Rhett Vaughn, 2025-04-14 Uncover the untold story of how evangelical leaders have strayed from their spiritual mission sacrificing biblical principles for worldly influence In Lost Truths you ll embark on a revealing journey that exposes the insidious ways political agendas have corrupted the fabric of Christianity Delving into the machinations behind closed doors this book uncovers the web of alliances financial incentives and power struggles that have led to a departure from core biblical teachings Evangelical leaders once revered as guardians of faith have become entangled in a pursuit of power amassing wealth and cozying up to politicians to advance their own agendas The consequences of this compromise are far reaching with devastating impacts on the lives of believers The erosion of trust the spread of misinformation and the undermining of moral authority have cast a shadow over the very essence of the Christian faith This book offers a wake up call challenging readers to confront these uncomfortable truths and hold evangelical leaders accountable for their actions **Considerations on the Explications of the Doctrine of the**

Trinity Stephen Nye, 1694 **The Church in the Power of the Spirit** Jürgen Moltmann, 1993-09-01 This book which in my opinion is Moltmann s best can be recommended on the basis that it contains challenging and creative insights that can be used by the discriminating reader in the service of church renewal Moltmann represents the theology of liberation at its best and those who wish to know more about this theology would do well to study this creative and searching theologian Donald G Bloesch Christianity Today Moltmann is perhaps unsurpassed among his contemporaries in keenness of insight and rhetorical power Daniel L Migliore Theology Today Moltmann presents a stirring vision which every Christian community could well ponder With a missionary emphasis he seeks to help the reader face the question of the church s identity in the light of the contemporary political economic and social scene Religious Education The Crib, the Cross, and the Crown Michael John Hooton, 2016-06-16 We are all familiar with the stories of what happened at the first Christmas and Easter or are we The Crib the Cross and the Crown strips away the wrapping paper of tradition and folk lore from the stories of the birth and death of Jesus Christ and takes a fresh look at what the Gospels themselves say It describes the real Jesus of the New Testament and reflects on the ways in which the recurring themes in his story can shape our own lives and faith

Christ the Liberator Sobrino, Jon , 2015-06-24 This landmark work in christology continues the magisterial work the Salvadoran Jesuit began in his earlier work Jesus the Liberator Jon Sobrino writes from the reality of faith as set in motion by the event of Jesus Christ and from the situation of the victims of history the Crucified People With whom he works Fact and Faith David L. Bartlett, 2007-08-01 How shall we interpret the stories of miracles particularly the resurrection in this secular age The author calls us to look beyond the fact of a miracle to faith in what the miracle means To do this he tells us we must first of all try to understand what actually happened in history However he warns us that merely knowing what happened will not necessarily lead to vital Christian faith In developing his theme the author discusses the way in which each of the Four Gospels presents miracles the meaning of exorcism in the New Testament and today and the significance of the

resurrection accounts Throughout the author suggests significant themes for preaching **Officers of General Synod ,**

No Longer Slaves Brad Ronnell Braxton,2002 No Longer Slavesbrings the ancient New Testament message into conversation with African American culture Twenty centuries after Paul penned Galatians American culture in general and American Christianity in particular continue to struggle with the problem of race relations Our challenges are not identical to those faced by Paul and the Galatians Yet when one reads Galatians through the lens of African American experience striking similarities emerge In No Longer Slaves Brad Braxton helps us see that race relations is a central issue in Galatians Paul believes that Christ came in order to unite Jews and Gentiles The church was intended to be a multi ethnic community in which persons of different backgrounds co existed harmoniously Any effort to compel Gentiles to live as Jews is an invalidation of the freedom of the Gospel Galatians offers us a portrait of an early Christian leader and community sorting out complex social issues No Longer Slavesexplores the concept of liberation in African American experience It entails a discussion of American slavery Rather than depicting African Americans simply as victims of the crimes of slavery and segregation Braxton describes the creative cultural and religious responses of African Americans to their oppression He employs a type of reader response theory that considers the experiences of the reading community as a lens through which texts are read His discussion of methodology exposes the reader to some of the issues in the current debate without becoming burdensome to the non specialist The remainder of the book is an interpretation of Paul s letter to the Galatians Although Braxton takes seriously the original context of Galatians and his exegesis engages the Greek text he offers a contemporary theological reading that privileges the history experiences and concerns of African Americans Those who are concerned about the connection between Christianity and ethnicity will find this interpretation intriguing and challenging

Preaching Through Luke James C. Goodloe IV, 2014-01-22 Luke wrote this Gospel so that you Theophilus may have certainty concerning the things you have been taught i.e. catechesis 1:4 It proceeds with a barrage of questions The first comes from Zechariah How shall I know 1:18 This is a question of knowledge The angel Gabriel answers that we shall know by the word of God 1:19 The second comes from Mary How will this be 1:34 This is a question of agency of how the Son of God can become human Gabriel answers that it will be by the power of God 1:35 The third comes from Elizabeth Why me 1:43 Why should the gospel of Jesus Christ come to her Mary answers that it has to do with God's choice election mercy and salvation 1:47-55 The fourth has to do with John What then will this child be 1:66 Zechariah answers that he will be a prophet 1:76-79 John is not the Christ but he will go before the Christ Thus begins the catechism according to Luke a series of questions in order that we may have certainty concerning the things we have been taught
