My Way: The Way of the White Clouds Osho,2023-08-16 Just before Buddha died somebody asked him When a buddha dies where does he go Does he survive or simply disappear into nothingness This is not a new question it is one of the oldest many times repeated and asked Buddha is reported to have said Just like a white cloud disappearing This very morning there were white clouds in the sky Now they are there no more Where have they gone From where do they come How do they evolve and how do they dissolve again A white cloud is a mystery the coming the going the very being of it That s the first reason why I call my way The Way of the White Clouds My Way, the Way of the White Clouds Osho,1979
