Mystery Of The Wax Museum Wisc Warner Bros Screenplay:

Mystery of the Wax Museum Richard Koszarski, 1979 Screenplay of the motion picture *The Wisconsin/Warner Bros. Screenplay Series* Julia Oddy, 1991 *Waxworks* Michelle E. Bloom, 2003 London 1921 The world's greatest wax sculptor watches in horror as flames consume his museum and melt his uncannily lifelike creations Twelve years later he opens a wax museum in New York Crippled disfigured and driven mad by the fire he resorts to body snatching and murder to populate his displays preserving the bodies in wax In a thousand years you will be as lovely as you are now he assures one victim In *The Mystery of the Wax Museum* 1933 director Michael Curtiz perfectly captures the macabre essence of realistic wax figures that have excited the darker aspects of the public's imagination ever since Madame Tussaud established her famous museum in London in 1802 Artists too have been fascinated by wax sculptures seeing in them and in the unique properties of wax itself an eerie metaphoric power with which to address sexual anxiety fears of mortality and other morbid subjects In *Waxworks* Michelle E. Bloom explores the motif of the wax figure in European and American literature and art In particular she connects the myth of Pygmalion to the obsession with wax statues of women in the nineteenth century fetishization of prostitutes and female corpses and as depicted in such wax fictions as Dickens's *The Old Curiosity Shop* 1841 Filmmakers too have sought inspiration from wax museums and Bloom analyzes works from the silent era to such waxwork-themed Hollywood horror films as *Mad Love* 1935 and *House of Wax* 1953 Bringing her discussion to the present Bloom examines the work of contemporary artists who use the medium of wax in ways never imagined by Madame Tussaud As extravagant new wax museums open in Las Vegas Times Square and Paris *Waxwork* offers a provocative cultural history of this enduring and disturbing art form *Horror and Mystery Photoplay Editions and Magazine Fictionizations* Thomas Mann, 2024-10-11 Photoplay editions were usually hardcover reprints of novels that had been made into movies illustrated with photographs from the film productions Sometimes instead they were fictionized versions of film scripts rewritten in narrative form Here is an annotated checklist of more than 500 horror and mystery photoplay novels and magazine fictionizations collected over a period of four decades Photo illustrated stories that are not strictly in the horror or mystery genres are included if they are linked to films with such stars as Lon Chaney Boris Karloff Bela Lugosi or other genre figures Mysteries are generally defined as novels or stories featuring a detective as the central character although in some cases melodramas thrillers and film noir books having crime as a plot element are included Science fiction and fantasy works and others having outre aspects are also within scope With a few exceptions the cut off date for inclusion in the catalog is the year 1970 In an entertaining introductory essay the author reflects on the attractions of assembling such a collection analyzes aspects of the social significance and aesthetic content of its books and draws many surprising inferences from their advertisements illustrations and marks of previous ownership The subsequent catalog is the first survey in the field to extend bibliographical coverage beyond books to movie tie in magazine stories Included in an appendix is the complete text of *The*

White Heat Ivan Goff, Ben Roberts, 1984 Among the countless gangster films produced by Hollywood few are as haunting complex or ingeniously crafted as *White Heat* 1948 Students of film history and screen writing will appreciate this treatment an engaging study of the various artistic elements that turned what might have been just another gangster film into an innovative classic of the genre and a model of cooperative filmmaking at its best Crucial to *White Heat*'s success McGilligan stresses was the rare manner in which every aspect of production coalesced studio script cast crew and director

Miller, 1979 Screenplay *High Sierra* John Huston, William Riley Burnett, 1979 *High Sierra* 1941 is a highly successful Warner Brothers gangster film of special interest to film scholars and aficionados It represented a turning point in the nature of gangster film of the 1930s It was the film that launched Humphrey Bogart to stardom And it is representative of the concerted efforts of the very best of Warner's talent of the era In a period of serious reassessment of the American film this revised shooting script never before published provides valuable primary data for that reassessment

Golden Horrors Bryan Senn, 2015-09-03 From the grindhouse oddities to

major studio releases this work details 46 horror films released during the genre's golden era. Each entry includes cast and credits, a plot synopsis, in-depth critical analysis, contemporary reviews, time of release, brief biographies of the principal cast and crew, and a production history. Apart from the 46 main entries, 71 additional borderline horrors are examined and critiqued in an appendix.

To Have and Have Not Jules Furthman, William Faulkner, 1980. The story of the making of *To Have and Have Not* 1944 is an exciting and complex one ranging from the widely reported romance between its stars Humphrey Bogart and the unknown nineteen-year-old Lauren Bacall to one of the more subtle developments in the wartime alliance between the United States and the Batista regime in Cuba. Bruce F. Kawin's substantial and informed introduction reflects this excitement while explaining the complexities, helping all film scholars, students, and buffs to gain a fuller appreciation of one of Hollywood's most memorable melodramas. This is a story also of a collaboration among four important writers: Ernest Hemingway, Howard Hawks, Jules Furthman, and William Faulkner.

Juárez John Huston, Aeneas MacKenzie, Wolfgang Reinhardt, 1983. *Juárez* was Warner Brothers' cinematic attempt to answer the major international question of the 1930s: would democracy or dictatorship prevail? The film was meant to be an ideologically clear-cut statement against fascism. The ways in which this artistic propaganda backfired make *Juárez* a significant historical document for students of film, Latin American history, and U.S. foreign relations.

Book jacket: *The Public Enemy* Harvey Thew, 1981. *The Public Enemy*, a 1931 Warner Brothers gangster classic, is easily remembered as the movie in which James Cagney used Mae Clarke's nose as a grapefruit grinder. As Cagney recalls, it was just about the first time that a woman had been treated like a broad on the screen instead of like a delicate flower. The ambivalence toward women is just one of the many stylistic contradictions that make *The Public Enemy* worth studying not only for its intrinsic merits but also as a creative expression bending under the constraints of censorship.

Yankee Doodle Dandy Patrick McGilligan, 1981. The 1942 smash musical hit *Yankee Doodle Dandy* has long remained a favorite among audiences and film buffs. Ostensibly the story of Mr. Broadway George M. Cohan, the movie evolved in its making into one of Warner's trademark biopics and a showcase for the singing and dancing talents of James Cagney. This book includes the complete screenplay.

Directions, 1979.
