Cole,Paul J. Kissling,2017-07-14 This volume is a collection of essays written by former students and colleagues of the late John H Sailhamer It includes scholarly treatments of compositional and canonical issues across the Tanakh These essays are presented in honor of the memory and the legacy of Dr Sailhamer **The Moody Bible Commentary** Michael Vanlaningham,2014-03-12 OVER 100 000 COPIES SOLD Now you can study the Bible with the faculty of the Moody Bible Institute Imagine having a team of 30 Moody Bible Institute professors helping you study the Bible Now you can with this in depth user friendly one volume commentary General editors Michael Rydelnik and Michael Vanlaningham have led a team of contributors whose academic training practical church experience and teaching competency make this commentary excellent for anyone who needs help understanding the Scriptures This comprehensive and reliable reference work should be the first place Sunday school teachers Bible study leaders missionaries and pastors turn to for biblical insight Scripture being commented on is shown in bold print for easy reference and maps and charts provide visual aids for learning Additional study helps include bibliographies for further reading and a subject and Scripture index The Moody Bible Commentary is an all in one Bible study resource that will help you better understand and apply God s written revelation to all of life Biblical Counsel ,1993 *Daniel* James Montgomery Boice,2006-09 Accessible commentary on Daniel offers insights into history and its message of how to live for God in ungodly times *A Philosophy of Pastoral Preaching* David A. Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place **Living by the Book** James Montgomery
