The 325: Canada's Criminal Code (w/ Other Acts) - a Case Compilation , A case compilation of the 325 most cited CC Extradition Act and Charter cases that I compiled to facilitate a one file download Assumes a person doesn't want to take the time to immerse themselves in case stream and nuances of the topic in CANLII org where I obtained the cases and did the digesting of same myself to put it all together for you The Death Penalty and Sex Murder in Canadian History Carolyn Strange,2020-10-01 From Confederation to the partial abolition of the death penalty a century later defendants convicted of sexually motivated killings and sexually violent homicides in Canada were more likely than any other condemned criminals to be executed for their crimes Despite the emergence of psychiatric expertise in criminal trials moral disgust and anger proved more potent in courtrooms the public mind and the hearts of the bureaucrats and politicians responsible for determining the outcome of capital cases Wherever death has been set as the ultimate criminal penalty the poor minority groups and stigmatized peoples have been more likely to be accused convicted and executed Although the vast majority of convicted sex killers were white Canada's racist notions of the Indian mind meant that Indigenous defendants faced the presumption of guilt Black defendants were also subjected to discriminatory treatment including near lynchings In debates about capital punishment abolitionists expressed concern that prejudices and poverty created the prospect of wrongful convictions Unique in the ways it reveals the emotional drivers of capital punishment in delivering inequitable outcomes The Death Penalty and Sex Murder in Canadian History provides a thorough overview of sex murder and the death penalty in Canada It serves as an essential history and a richly documented cautionary tale for the present Cold Case Canada: Unsolved Murders Growthlyfe,2025-03-28 Cold Case Canada Unsolved Murders Chilling Cases That Still Haunt The Nation Canada often perceived as a peaceful nation has been home to some of the most shocking and perplexing disappearances and unsolved murders in history Cold Case Canada Unsolved Murders Chilling Cases That Still Haunt The Nation delves deep into cases that have unfortunately gone cold some for decades and attempts to unravel the circumstances that surround each one It explores the situation that surrounded each victim at the moment they disappeared and brings to light any evidence that was left behind What common patterns emerge among Canada's most infamous unsolved cases And how is it possible that the families have gone without justice for so long But crime doesn't exist in isolation Cold Case Canada Unsolved Murders Chilling Cases That Still Haunt The Nation examines the far reaching impact of these cases on Canadian society media and culture How does sensationalized reporting shape public perception What role does the justice system play in either deterring or enabling these crimes From moral panics to lasting legal reforms this book uncovers how the echo of unsolved cases ripples through communities leaving behind a legacy of fear fascination and change Are you ready to explore the truth behind the horror **The Digest of Canadian Criminal Case Law** George Edward McCrossan,Samuel Davies Schultz,Andrew Miller Harper,1908 **Canadian Materials** ,1979 An awareness list for school resource centres of print

Sarah Bridgett,2025-01-07 The fascinating and terrifying Killers Report offers a glimpse into the most terrible of atrocities This book takes you past the headlines and into the murkiest corners of real crime via thorough and in depth accounts This book examines the darkest aspects of human nature from serial murderers to spree killers violent robberies to senseless killings I began the book by diving into the brains of the offenders and victims to explore the psychological components of genuine crime The causes of these atrocities as well as their physical emotional and psychological repercussions are all covered in this book Moreover it looks at the criminal justice system and the legal difficulties raised by such instances The most fascinating story in this book is an impotent man who kidnaps women and attempts to rape them but whenever he does so his weak or nonexistent erection owing to his impotence causes him to murder and dismember the victim When ultimately apprehended and questioned he claimed to be mad In certain instances he even consumes parts of the corpse after mutilating the victim You ll also read about Tracey Wilkinson a woman who without realizing it let a homeless stranger into her home leading to the death of half or should I say her whole family Also there is the story of David Edwards who was murdered by his new wife two months after their wedding It is impossible to comprehend while looking at the wedding photo of David Edwards and his wife Sharon that David would pass away after being stabbed in the chest with a kitchen knife and that his wife would be given a life sentence for his murder two months later Yet a photograph may mask a thousand falsehoods additional 24 stories Anybody interested in true crime should read Killers Report Series This book provides case studies and analysis of the legal and policy ramifications of sex and rape crime in addition to the horrifying true life experiences It looks closely at the particular difficulties that come with prosecuting these cases and offers a comprehensive analysis of how law enforcement can better safeguard victims and bring offenders responsible Scroll up to get your copy Now **In Search of Canadian Materials** ,1979 **Digest of Cases Determined in the Supreme Court of Canada** Canada.
