Packwood Report

**United States. Congress. Senate.
Select Committee on Ethics**

Packwood Report:

The Packwood Report, 1995 You've read the news reports you've heard the stories now read the official indictment of Senator Robert Packwood issued on September 7, 1995 by the Senate Ethics Counsel. This is the report that forced the Senator to announce his resignation. This is the report that stunned the Congress and the country with a shocking look at the corruption and misconduct of an American Senator including his own revealing diaries. No political scandal in recent times has so mesmerized the nation as the downfall of Oregon Senator Bob Packwood, who is only the fifth Senator in more than two hundred years of congressional history to relinquish his seat to avoid expulsion. Drawing liberally from Packwood's own diaries and upon the testimonies and depositions contained in the Ethics Committee's recently released ten volumes totaling more than 10,000 pages, The Packwood Report is an astonishing document. It is essential reading for anyone who cares about politics, power, and corruption in government today.

Power and Gender Rosemarie Skaine, 1996-01-01 Most Americans were shocked when Anita Hill charged U.S. Supreme Court nominee Clarence Thomas with sexual harassment. Not surprisingly, the nation was divided on the Senate hearings on the matter; some believed Hill, others Thomas. Perhaps the most important result of the hearings was to open the eyes of a majority of the public to the issue of sexual harassment and to begin a dialog on the issue. This work first defines sexual harassment including operational, sociological, and legal definitions and then provides a history of the issue in the United States and a theoretical framework of why harassment occurs. This is followed by a look at the legal dimension of the problem with a discussion of pertinent federal and state laws and Equal Employment Opportunity Commission (EEOC) decisions. The incidence and settings, e.g., workplace, housing, religious institutions, are next examined, followed by chapters on sexual harassment in the government, the military, and in education. The book concludes with discussions of strategies for the victims and for employers.

Confessions of a Presidential Speechwriter Craig R. Smith, 2014-02-01 An avid high school debater and

enthusiastic student body president Craig Smith seemed destined for a life in public service from an early age As a sought after speechwriter Smith had a front row seat at some of the most important events of the twentieth century meeting with Robert Kennedy and Richard Nixon advising Governor Ronald Reagan writing for President Ford serving as a campaign manager for a major U S senator s reelection campaign and writing speeches for a contender for the Republican nomination for president Life in the volatile world of politics wasn t always easy however and as a closeted gay man Smith struggled to reconcile his private and professional lives In this revealing memoir Smith sheds light on what it takes to make it as a speechwriter in a field where the only constant is change While bouncing in and out of the academic world Smith transitions from consultantships with George H W Bush and the Republican caucus of the U S Senate to a position with Chrysler CEO Lee Iacocca When Smith returns to Washington D C as president and founder of the Freedom of Expression Foundation he becomes a leading player on First Amendment issues in the nation s capital Returning at long last to academia Smith finds happiness coming out of the closet and reaping the benefits of a dedicated and highly successful career
