Waterman Oskar Freysinger, 2022-01-27 An acacia tree lost in the wasteland Two men are sitting in its shadow One of them an old Bedouin is telling his European visitor the most extraordinary story ever to happen in the desert This is a story about friendship and hate hope and despair love and death a tale about the grandiose dream of a man who decided that nothing is impossible In the middle of nowhere deep within the moaning wind and void of the desert the tales of the old Bedouin Meddur will revive the quest of Waterman This most desperate man on earth carries within himself a foolish hope to impose his will upon the stormy winds of the Tenere the hottest place on earth Waterman's journey is an odyssey beyond the limits of life and civilization and it is the search of every human soul longing for eternity Waterman's quest for an impossible oasis will draw the reader toward finding a way to their own soul

Undercurrent of Secrets by Rachel Scott McDaniel Behind Love's Wall by Carrie Fancett Pagels High Wire Heartbreak by Anna Schmidt *Come Sundown* Eddie B Saxton, 2016-11-10 *Come Sundown* contains a collection of poems that will take you back in time to the early 1950s and into the turbulent 60s You will find that there are poems that will take you into my world of pragmatic thought the invasion of a dysfunctional or semi dysfunctional mind and my state of reasoning which will seem mind boggling at times It contains memorable times of my youth some fond and some are about my personal struggles and growing up on the south side of Chicago Hopefully this book will leave you in awe of the past and incite you to ponder the future luring you into reconsidering the value of family and friends I try adding a little humor to some of my poems so that all won't seem morbid or come from an irrational mind We all have mountains to climb and rivers to cross there are loves we've gained and so many precious ones we've lost This book gives us a chance to look at life from different perspectives Sometimes we seem to be drowning in a sea of non conforming progression and yet there are anomalies that come into our lives which give us hope We fantasize and we dream After reading *Come Sundown* you would have taken a dazzling trip into the realms of an altered state of being You will find yourself descending deep into your own world of boundless thoughts and misconceptions You will feel the gravitational pull into my mind and the challenges of yours which allows a glimpse into the inner workings of an overactive mind Not only does this book look at things from a dysfunctional point of view it also takes a gentle look at the spiritual part of life *Rivers of Love* Ren Royal, 2021-05-14 Through the depths of my soul God's love imparts Through rivers of stone like hardened hearts God's light shines right through My soul is quenched my soul anew My soul is quenched with rivers of God's love Shining with heaven's light beaming from above Shining through the river's hard rock and stone To rivers of love in God's heavenly throne Ren Royal is a Christian who is passionate about sharing insight from her heart and soul through poetry In a spiritual devotional that includes original artwork by retired pastor John Braulick Mrs Royal shares poems that each tell an inspirational story and include relatable scriptures and prayers Her poetry explores diverse topics such as the streams of life that constantly flow the catastrophic storms that God leads us through the divine treasure found on a walk the awesome power of the Lord and the constant reminders that God is always here *Rivers of Love* shares poetry prayers scripture and artwork that leads believers on an incredible spiritual journey to reawaken and strengthen their faith in Jesus Christ *New Art of Painting with Cotton* Michael Stephan Mastrukoff, 1927 *The Ruskin Polygon* John Dixon Hunt, Faith M. Holland, 1982 *The Journal of speculative Philosophy*. Wm. T. Harris, 2025-09-28 Reprint of the original first published in 1876 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Journal of Speculative Philosophy**, 1875 *Perceptual Ephemera* Thomas Crowther, Clare Mac Cumhaill, 2018-06-03 Most research on perception has focused on the perceptual experience of three dimensional solid bounded and coherent material objects items like tables and tomatoes But

as well as having perceptual experience of such objects we also experience such aspects of the world as for instance rainbows and surfaces shadows and absences things that are ephemeral by contrast with material objects This book presents fifteen new essays on the perceptual experience of such ephemera The editors introduction provides a detailed guide to the topic as a whole setting out the thematic background to this emerging area of research in contemporary philosophy of perception The volume winds a path through the ephemeral considering such topics as sounds smells transparency reflection camouflage solidity and ambient vision A general aim of the volume is to make a case that the broad range of ephemera it catalogues is far from marginal or insubstantial with respect to their philosophical interest and value Philosophical attention to perceptual ephemera may well suggest novel routes to arriving at a more developed understanding of perceptual experience at large and its characteristic features

Walter Benjamin and Cultural Translation Birgit Haberpeuntner, 2024-05-16 Dissecting the radical impact

of Walter Benjamin on contemporary cultural postcolonial and translation theory this book investigates the translation and reception of Benjamin's most famous text about translation The Task of the Translator in English language debates around cultural translation For years now there has been a pronounced interest in translation throughout the Humanities which has come with an increasing detachment of translation from linguistic textual parameters It has generated a broad spectrum of discussions subsumed under the heading of cultural translation a concept that is constantly re-invented and manifests in often heavily diverging expressions However there seems to be a distinct constant In their own re-formulations of this concept a remarkable number of scholars Bhabha Chow Niranjana to name but a few explicitly refer to Walter Benjamin's The Task of the Translator In its first part this book considers Benjamin and the way in which he thought about theorized and practiced translation throughout his writings In a second part Walter Benjamin meets cultural translation tracing various paths of translation and reception this part also tackles the issues and debates that result from the omnipresence of Walter Benjamin in contemporary theories and discussions of cultural translation The result is a clearer picture of the translation and reception processes that have generated the immense impact of Benjamin on contemporary cultural theory as well as new perspectives for a way of reading that re-shapes the canonized texts themselves and holds the potential of disturbing shifting and enriching their more traditional readings
