Letter to the reader

DOI 10.1515/ntaj-2016-0030

Dear Reader,

As 2016 draws to a close, so does the third year of the Nordic Tax Journal. This year, the journal has been further established on the international arena for open access law journals, underlined by our listing in the Directory of Open Access Journals, DOAJ. By engaging an administrative assistant, we can now offer our authors and readers high quality support in the submission process and in the documentation on our website. Our current editorial board consists not only of six Nordic tax researchers, but we are now represented by eighteen editors, from the Nordic countries of course, but also from the U.S.A., Switzerland and Ireland. This high quality, international editorial board guarantees relevant support to contributing authors and broadens the scope of the journal to tax issues beyond the Nordic region.

Having secured a competent editorial office, our greatest challenge for the coming years is to increase the number of submissions, and in that way increase the quality of published articles. This year we have made two efforts in this direction. First, in order to attract authors, we introduced an article prize of € 2,500: The Nordic Tax Research Council's Article Prize. The Article Prize will be awarded to the author(s) of 2016's best article at the Council's spring seminar in Borgå, Finland, June 1-2, 2017. Second, in order to give the journal more appeal to relevant readers, the Nordic Tax Journal is now on Twitter.

We hope that our efforts during the past year will benefit future volumes. The present volume, linked on the screen before you, maps out the right direction. It illustrates, in a good way, the breadth of tax science and, thus, the wide scope of this journal. This volume is unique in that it contains, for the first time, contributions by non-Nordic scholars. We are proud to present articles from two distinguished law professors from the U.S.A., and we hope the development towards a more international authorship will continue and will incite tax researchers in the Nordic region and elsewhere to publish in our journal. We also hope that this volume's variety of approaches and contexts to discuss and analyze taxation – public economic, policy, legal, cultural, comparative, organizational; national, bilateral, EU, global – will stimulate fruitful perspective on taxation in future scholarly works.

In this volume's first article, "Three steps forward, one step back? Reflections on "google taxes" and the destination-based corporate tax", Reuven S. Avi-Yonah presents destination-based corporate tax, DBCT, as a possible permanent solution to protect the corporate income tax base from erosion and profit shifting. As a bench mark to this model, three anti-avoidance measures – "google taxes" – adopted in the U.K., India and Australia, are analyzed.

Our second article "The Nordic model and its influence in North America: Image and reality" positions itself at the intersection of law and culture. Michael A. Livingston presents how the interplay between the cultural Nordic model and the Nordic model of taxation forms perceptions of Nordic tax policy abroad. The article illustrates the value of comparative tax law as a study of cultural differences to complement the more common functional approach to comparative tax law research.

Our third article represents the important functional approach to comparative tax law. In "Taxation of Controlled Foreign Companies in Context of the OECD/G20 Project on Base Erosion and Profit Shifting as

Praeders Letters

Stanley E. Porter

Praeders Letters:

Praeder's Letters James Baker Hall, 2002 A daring literary experiment and an engrossing read from Kentucky's Poet Laureate **Rain Taxi Review of Books** ,2000 **Poets & Writers** ,2002 **Paul the Letter-writer and the Second Letter to Timothy** Michael Prior, 1989-01-01 This study argues for new perspectives on the letters of Paul especially the Second Letter to Timothy It examines striking aspects of Paul's letters especially the fact that many of them are co-authored that six of them acknowledge that a secretary has penned the letter and that 1 Timothy 2 Timothy and Titus are the only ones addressed to individuals It investigates the implications of these facts for the concept of Pauline authorship Prior maintains that the received arguments statistical as well as literary which exclude 2 Timothy from the influence of Paul are less than convincing The author suggests an original reading of 2 Timothy arguing it was composed by Paul towards the end of his first Roman imprisonment Contrary to all interpretations of the letter which argue that Paul was about to be martyred Prior claims that Paul was confident that he would be released and was assembling a mission team to bring his proclamation of the Gospel to a completion Timothy's courage and missionary zeal needed rekindling for he and Mark were to be key figures in this new team **The Total Light Process** James Baker Hall, 2021-11-21 Nationally acclaimed poet photographer filmmaker and novelist James Baker Hall has long been regarded as one of Kentucky's most profound artists Hall's growing body of work is an essential part of Kentucky's literary tradition and yet his poetry in particular transcends the borders of the Commonwealth The Total Light Process collects poems spanning Hall's celebrated career as well as new poems that have never before been published The subjects of Hall's poems range from humorous and revealing portraits of his fellow writers and friends Wendell Berry Ed McClanahan and Gurney Norman to the traumatic experience of his mother's suicide when he was eight years old to the Israeli Palestinian conflict and the tragic murder of Matthew Shepherd *Dictionary of Paul and his letters* GERALD F HAWTHORNE, RALPH P MARTIN, DANIEL G REID, 2020-05-21 The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul's theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to

hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church

The Apostle Paul Stanley E. Porter, 2016-09-23 In this comprehensive introduction to the apostle Paul Stanley Porter devotes serious consideration both to the background and major contours of Paul's thought and to the unique contributions of each of his letters Porter begins by introducing the Pauline tradition and outlining the basics of Paul's life the chronology of his ministry and his several imprisonments Porter then discusses the background to Paul's thought examines some of the major themes of his writings and treats issues concerning the Pauline epistles such as pseudonymity and canon Finally Porter delves into all thirteen of Paul's letters individually placing them within their historical contexts and examining critical issues relating to the content and interpretation of each letter The result is a thorough balanced treatment of one of the most important figures in Christianity

Who Created Christianity? Craig Evans, Aaron White, 2021-10-05 Who Created Christianity is a collection of essays by top international Christian scholars who desire to reinforce the relationship that Paul had with Jesus and Christianity There is a general sense today among Christians in certain circles that Paul's teachings to the early Christian church are thought to be rogue even clashing at times with Jesus words Yet these essays set out to prove that the tradition that Paul passes on is one received from Jesus not separate from it The essays in this volume come from a diverse and international group of scholars They offer up to date studies of the teachings of Paul and how the specific teachings directly relate to the earlier teachings of Jesus This volume explores with even greater focus than ever before the tradition from which Paul emerges and the specific teachings that are part of this tradition This collection of essays proposes a complementary work to the work of David Wenham and his thesis that Paul was indeed not the founder of Christianity or the creator of Christian dogma instead he was a faithful disciple and a conveyer of a prior Christian tradition Includes essays by well known Christian scholars such as Craig Blomberg Alister McGrath N T Wright Michael Bird Greg Beale and more Paul and Jesus Issues of Continuity and Discontinuity in Their Discussion by Stanley E Porter How and Why Paul Invented Christian Theology by N T Wright The Origins of Paul's Gospel by Graham H Twelftree When Paul Met Jesus How an Idea Continues to Be Lost in History Past and Present by Stanley E Porter Paul and the Jesus Tradition An Old Question and Some New Answers by Rainer Riesner Continuity and Development in the Ministries of Jesus and of Paul by Christoph W Stenschke Paul's Significant Other in the We Passages by Joan E Taylor Whose Gospel Is It Anyway The Glory of Christ in the Prophetic Ministry of Paul according to His My Gospel and Our Gospel by Aaron W White David Wenham The Little Apocalypse Paul and Silas by Bruce Chilton The Parallels between 1 and 2 Thessalonians against the Background of Ancient Parallel Letters and Speeches by Armin D Baum Metanoia Jesus Paul and the Transformation of the Believing Mind by Alister McGrath You Would Not Believe If You Were Told Eschatological

Unbelief in Early Christian Apologetics by Peter Turnill Paul on Food and Jesus on What Really Defiles Is There a Connection by Craig A Evans Gospel Women Remembered by Sarah Harris Women in the Pauline Epistles Lessons from the Jesus Tradition by Erin Heim Twelve Theses on Matthew and Paul The Jewish Gospel and the Apostle to the Gentiles by Michael F Bird Paul and the Paternoster Some Mainly Matthew Observations about a Pauline Prayer by Nathan Ridlehoover The Rediscovery of David Wenham s Rediscovery Reflections on a Pre Markan Eschatological Discourse Thirty Six Years on by Craig Blomberg Portraits of Jesus and Paul through the Lukan Lens by Steve Walton Every Sin That a Person Commits Is Outside the Body 1 Corinthians 6 18b Paul s Likely Dependence on the Jesus Tradition by John Nolland Jesus Is Lord The Rhetorical Appropriation of the Teaching of Jesus in 1 Corinthians 5 by Peter Davids The Temple and Anti Temple at Colossae by Greg Beale Filling up What Is Lacking in Christ s Afflictions Isaiah s Servant and Servants in Second Temple Judaism and Colossians 1 24 by Holly Beers

Stories with Intent Klyne R. Snodgrass, 2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies Stories with Intent offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book s original 2008 publication

Leadership and Lifestyle Steve Walton, 2000-08-03 This study contributes to debate about the portraits of Paul in Acts and his epistles by considering Paul s Miletus speech Acts 20 18b 35 and identifies and compares major themes in Luke and Paul s views of Christian leadership Comparisons with Jesus speeches in Luke show how Lukan the speech is and with 1 Thessalonians how Pauline it is The speech calls the Ephesian elders to service after Paul s departure to Jerusalem focusing on faithful fulfilment of leadership responsibility suffering attitudes to wealth and work and the death of Jesus Paul models Christian leadership for the elders Parallels in Luke highlight his view of Christian leadership modelled by Jesus and taught to his disciples and modelled by Paul and taught to the elders Study of 1 Thessalonians identifies a remarkably similar portrait of Christian leadership The Miletus speech is close in thought presentation and vocabulary to an early indubitably Pauline letter

Lukan Authorship of Hebrews David L. Allen, 2010 The fifth volume in the popular NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY series argues that gospel writer Luke is also the author of Hebrews

History, Literature, and Society in the Book of Acts Ben Witherington (III), 1996-05-09 These seminal essays introduce the reader to the interdisciplinary approach of New Testament scholarship which is affecting the way the Book of Acts is studied and interpreted Insights from the social sciences narratological studies

Greek and Roman rhetoric and history and classics set the Acts of the Apostles in its original historical literary and social context these methods of interpretation have not always been applied to biblical study in a systematic way The discussions from a shared general perspective range over genre and method historical and theological problems and issues of literary criticism History Literature and Society in the Book of Acts is an interesting and valuable overview of some of the chief preoccupations of biblical studies with contributions from leading scholars in the Old and New Testaments and the history of antiquity The Westminster Dictionary of New Testament and Early Christian Literature and Rhetoric David Edward Aune, 2003-01-01 The Westminster Dictionary of New Testament and Early Christian Literature and Rhetoric details the variety of literary and rhetorical forms found in the New Testament and in the literature of the early Christian church This authoritative reference source is a treasury for understanding the methods employed by New Testament and early Christian writers Aune's extensive study will be of immense value to scholars and all those interested in the ways literary and rhetorical forms were used and how they functioned in the early Christian world This unique and encyclopedic study will serve generations of scholars and students by illuminating the ways words shaped the consciousness of those who encountered Christian teachings Between History and Spirit Craig S. Keener, 2020-03-23 Craig Keener is known for his meticulous work on New Testament backgrounds but especially his detailed work on the book of Acts Now for the first time in book form Cascade presents his key essays on Acts with special focus on historical questions and matters related to God's Spirit Dictionary of New Testament Background CRAIG A EVANS, STANLEY E PORTER, 2020-05-21 The Dictionary of New Testament Background joins the Dictionary of Jesus and the Gospels the Dictionary of Paul and his Letters and the Dictionary of the Later New Testament and its Developments as the fourth in a landmark series of reference works on the Bible In a time when our knowledge of the ancient Mediterranean world has grown this volume sets out for readers the wealth of Jewish and Greco Roman background that should inform our reading and understanding of the New Testament and early Christianity The Dictionary of New Testament Background takes full advantage of the flourishing study of the Dead Sea Scrolls and offers individual articles focused on the most important scrolls In addition the Dictionary encompasses the fullness of second temple Jewish writings whether pseudepigraphic rabbinic parables proverbs histories or inscriptions Articles abound on aspects of Jewish life and thought including family purity liturgy and messianism The full scope of Greco Roman culture is displayed in articles ranging across language and rhetoric literacy and book benefactors travel and trade intellectual movements and ideas and ancient geographical perspectives No other reference work presents so much in one place for students of the New Testament Here an entire library of scholarship is made available in summary form The Dictionary of New Testament Background can stand alone or work in concert with one or more of its companion volumes in the series Written by acknowledged experts in their fields this wealth of knowledge of the New Testament era is carefully aimed at the needs of contemporary students of the New Testament In addition its full bibliographies and cross references to

other volumes in the series will make it the first book to reach for in any investigation of the New Testament in its ancient setting

The Formal Education of the Author of Luke-Acts Steve Reece, 2022-06-16 Steve Reece proposes that the author of Luke Acts was trained as a youth in the primary and secondary Greek educational curriculum typical of the Eastern Mediterranean during the Roman Imperial period where he gained familiarity with the Classical and Hellenistic authors whose works were the focus of study He makes a case for Luke s knowledge of these authors internally by spotlighting the density of allusions to them in the narrative of Luke Acts and externally by illustrating from contemporary literary papyrological and artistic evidence that the works of these authors were indeed widely known in the Eastern Mediterranean at the time of the composition of Luke Acts not only in the schools but also among the general public Reece begins with a thorough examination of the Greek educational system during the Hellenistic and Roman Imperial periods emphasizing that the educational curriculum was very homogeneous at least at the primary and secondary levels and that children growing up anywhere in the Eastern Mediterranean could expect to receive quite similar educations His close examination of the Greek text of Luke Acts has turned up echoes allusions and quotations of several of the very authors that were most prominently featured in the school curriculum Homer Aesop Euripides Plato and Aratus This reinforces the view that Luke along with other writers of the New Testament lived in a cultural milieu that was influenced by Classical and Hellenistic Greek literature and that he was not averse to invoking that literature when it served his theological and literary purposes

Apostle on the Edge Michael R. Cosby, 2009-01-01 Author and teacher Michael R Cosby provides a wonderful guide to Paul s letters helping students relate them to their own cultural setting and figure out for themselves what they mean Irreverent entertaining engaging and fun yet grounded in sound theology Cosby s textbook full of pictures questions and insights is certain to be a most popular educational tool

Forgery and Counter-forgery Bart D. Ehrman, 2013-01-10 Forgery and Counter forgery The Use of Literary Deceit in Early Christian Polemics is the first major contemporary work on forgery in early Christian literature It examines the motivation and function behind Christian literary forgeries

The Offering of the Gentiles David J. Downs , 2016 The monetary fund that the apostle Paul organized among his Gentile congregations for the Jewish Christian community in Jerusalem was clearly an important endeavor to Paul discussion of it occupies several prominent passages in his letters In this book David Downs carefully investigates that offering from historical sociocultural and theological standpoints Downs first pieces together a chronological account of Paul s fund raising efforts on behalf of the Jerusalem church based primarily on information from the Pauline epistles He then examines the sociocultural context of the collection including gift giving practices in the ancient Mediterranean world relating to benefaction and care for the poor Finally Downs explores how Paul framed this contribution rhetorically as a religious offering consecrated to God

Parables for Preachers Barbara E. Reid, 2000-08 Reid aids preachers by bringing together current biblical research on the parables in the hope that it will open new vistas of meaning and help spark their creativity She also offers an understanding of how parables

communicate and invite preachers to try out the parabolic techniques of preaching Parables for Preachers is for everyone interested in obtaining a deeper understanding of parables

Whispering the Secrets of Language: An Mental Quest through **Praeders Letters**

In a digitally-driven world where displays reign great and instant interaction drowns out the subtleties of language, the profound techniques and emotional nuances hidden within phrases frequently get unheard. However, situated within the pages of **Praeders Letters** a interesting fictional value pulsating with raw emotions, lies an extraordinary journey waiting to be undertaken. Penned by an experienced wordsmith, this enchanting opus encourages readers on an introspective trip, gently unraveling the veiled truths and profound affect resonating within ab muscles material of each word. Within the emotional depths of this poignant evaluation, we can embark upon a sincere exploration of the book is primary styles, dissect its fascinating publishing model, and yield to the strong resonance it evokes serious within the recesses of readers hearts.

Praeders Letters Introduction

Praeders Letters Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Praeders Letters Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Praeders Letters : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Praeders Letters : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Praeders Letters Offers a diverse range of free eBooks across various genres. Praeders Letters Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Praeders Letters Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Praeders Letters, especially related to Praeders Letters, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Praeders Letters, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Praeders Letters books or magazines might include. Look for these in online stores or libraries. Remember that while Praeders Letters, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Praeders Letters eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Praeders Letters full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Praeders Letters eBooks, including some popular titles.

FAQs About Praeders Letters Books

What is a Praeders Letters PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Praeders Letters PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Praeders Letters**

PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I**

convert a Praeders Letters PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Praeders Letters PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
