If the Prospect Pleases Sally Laity, Gloria Brandt, 2016-04-01 Rediscover this classic romance from bestselling author Sally Laity Journey along with Annora Nolan as she flees Philadelphia for Wyoming in reply to a rather vague advertisement for a housekeeper that if the prospect pleases may lead to matrimony When she arrives before her

letter of acceptance Lucas Brent doesn't know what to do with her except to allow her one month's trial. Also includes a bonus historical romance *The Mountain's Son* by Gloria Brandt. *The Other Side of Prospect* Nicholas Dawidoff, 2022-10-18

A landmark work of intimate reporting on inequality, race, class, and violence told through a murder and intersecting lives in an iconic American neighborhood. One New Haven summer evening in 2006 a retired grandfather was shot point blank by a young stranger. A hasty police investigation culminated in innocent sixteen-year-old Bobby being sentenced to prison for thirty-eight years. New Haven native and acclaimed author Nicholas Dawidoff returned home and spent eight years reporting the deeper story of this injustice and what it reveals about the enduring legacies of social and economic disparity. In *The Other Side of Prospect* he has produced an immersive portrait of a seminal community in an old American city now beset by division and gun violence. Tracing the histories of three people whose lives meet in tragedy: victim Pete Fields, likely murderer Major, and Bobby Dawidoff indelibly describes optimistic families coming north from South Carolina as part of the Great Migration for the promise of opportunity and upward mobility and the harrowing costs of deindustrialization and neglect. Foremost are the unique challenges confronted by children like Major and Bobby coming of age in their forgotten neighborhood. Steps from Yale University. After years in prison with the help of a true believing lawyer Bobby is finally set free. His subsequent struggles with the memories of prison and his heartbreaking efforts to reconnect with family and community exemplify the challenges the formerly incarcerated face upon reentry into society and writes Reginald Dwayne Betts make this the best book about the crisis of incarceration in America. *The Other Side of Prospect* is a reportorial tour de force at once a sweeping account of how the injustices of racism and inequality reverberate through the generations and a beautifully written portrait of American city life told through a group of unforgettable people and their intertwined experiences. *The Long Prospect: Text Classics* Elizabeth Harrower, 2012-10-24

Sharply observed, bitter and humorous. *The Long Prospect* is a story of life in an Australian industrial town. Growing up neglected in a seedy boarding house, Emily Lawrence befriends Max, a middle-aged scientist who encourages her to pursue her intellectual interests. Innocent Emily will face scandal, suburban snobbery, and psychological torment. **The Prospect of Nuclear Jihad in South Asia** Musa Khan Jalalzai, 2015-10-01

When we talk about Pakistan's nuclear weapons, armed forces, and civilian governments, then controversies and uninvited misperceptions swirl in our minds. If we take in the broad picture, we inevitably conclude that not all is going in the right direction in the country and that is because the army, politicians, and the establishment perceive jihadism as a profitable business. They run this business of killings and torture through their proxies. While we study the militarized mind of Pakistani generals and recognize their resentment towards civilian governments, we find more controversies about the role of armed forces and their relationship with worldwide terrorist organizations. International journalist Musa Khan Jalalzai is ideally positioned to present us with a picture of what is actually afoot and what it means for the future. When we study the militarized mind of Pakistani generals and recognize their resentment towards civilian institutions, we find more

controversies about the role of armed forces and their relationship with worldwide terrorist organizations The Pakistan military controls the financial market stock exchange real estate business banking sector and smuggling of narcotics Ethnic representation within the armed forces raises serious concerns Some experts say this is not a national army but view it as the club of Pashtun and Punjabi generals The army has failed to develop a true ethnic representation process or motivate Baloch and Sindhis to join the armed forces but they certainly have gained experience in killing innocent civilians Then there is the question of the Saudi investment in Pakistan s Islamic nuclear bomb Saudi Arabia s link with Pakistan s nuclear and missile program has long been the source of speculation that Pakistan might either station nuclear forces on Saudi sand or provide a nuclear umbrella to the Wahabi state in return for oil supply or that the Saudis would purchase nuclear weapons from Pakistan International journalist Musa Khan Jalalzai is ideally positioned to present us with a picture of what is actually afoot and what it means for the future **Confucian Ethics in Retrospect and Prospect** Qingsong Shen,Kwong-loi Shun,2008
