Sandra Salmans, 2001-04-03 Almost all men over the age of forty-five exhibit some form of prostate-related symptoms. This authoritative book, the largest-selling book on prostate problems on the market, will tell you which symptoms are important and what you should do about them. A complete guide to prostate health that includes information on the latest research, this book cuts through the medical jargon and gets right to the facts, answering such essential questions as: Are prostate problems an inevitable part of the aging process? What are the symptoms of an enlarged prostate? Does treatment for prostate disease necessarily result in impotence? Can too little sex cause a prostate problem? What is the likelihood of developing prostate cancer? What is the PSA test, and how accurate is it? What are the medical and surgical options available for prostate cancer? What are the pros and cons of each treatment? What should a man do to maintain prostate health? And Much More. **Test**
