Deadly Injustice Ian Morson, 2012-02-01 A Nick Zuliani Mystery set in Kubilai Khan's court Cathay 1268 Nick Zuliani Venetian adventurer and newly appointed Investigator to the Mongol Emperor is sent to investigate a murder in a remote town But Nick soon realizes that he has been sent on an impossible mission by a deadly rival for a girl has confessed to the crime and is due to be beheaded If Nick uncovers the truth and saves her life he risks undermining the local Mongol governor with terrible diplomatic consequences He will have to use all his wiles if he is to escape the trap laid for him

Memorials of the Hon. Ion Keith-Falconer Robert Sinker, 1888 **Memorials of the Hon. Ion Keith-Falconer** Sinker, 1890 *Falconer's Quest (Heirs of Acadia Book #5)* T. Davis Bunn, Isabella Bunn, 2007-04-01 Davis and Isabella Bunn combine their complementary skills and experiences in crafting the compelling stories of the HEIRS OF ACADIA historical fiction series John Falconer a hero readers can believe in was introduced in Book 3 The Noble Fugitive Along with Book 4 The Night Angel these last three novels of the series can be appreciated on their own John Falconer known to most as simply Falconer is a large powerfully built man whose gentle spirit shines through the physical and emotional scars of his previous life as a slave trader His redemption has brought him full circle to the anti slavery cause and a personal mission to free every slave he possibly can After the events recounted in The Night Angel Falconer settles in a Moravian community on the Underground Railroad He cherishes his new wife Ada and her son Matt whom he loves as his own Falconer finally has discovered peace within and without When the unimaginable happens he and Matt face a loss so searing they can barely endure another day Falconer finds himself back on board ship this time with a father's responsibilities and an assignment of rescue rather than capture His course takes him from the eastern seaboard of America to France from Marseilles to the shores of North Africa But enormous danger risk of failure and even death challenge him on the high seas and in the desert's strongholds He has conquered many of life's storms but none as vast as this All the while those inner bondages that have

gripped as powerfully as iron chains are gradually loosening their hold And a new hope begins to stir within The story of character forged in the fires of grief loss and faith **Commentary on the Book of Psalms** George Horne,1820

a Psalm-tone and its use in Polyphonic Music Mattias Lundberg,2016-03-03 Mattias Lundberg investigates the historical role of a deviant psalm tone the tonus peregrinus focusing on its applications in polyphonic music within all major branches of Western liturgy Throughout the remarkably persistent tradition of applying this melody to polyphony from the ninth century right up to the twenty first coeval music theory is able to shed light on the problems it has posed to modal and tonal practice at various historical stages The musical settings studied hold up a mirror to the general development of psalmody concerning practices of organum diverse regional forms of fauxbourdon cantus firmus composition free imitation parody fugue quodlibet monody and many other compositional techniques where the unique features of the psalm tone have necessitated modification of existing practices The conclusions drawn reveal a musico liturgical tradition that was not in real danger of extinction until the general decline of Western liturgy that followed in the eighteenth century at which point the historiography of the tonus peregrinus became a factor stimulating scholarly and musical interest in its alleged pre Christian origins Lundberg demonstrates that the succession of works based on the tonus peregrinus often preserved a distinctly conservative musical and theological conception even during periods of drastic liturgical reform *Between Judaism and Christianity* Katrin Kogman-Appel,Mati Meyer,2009 The essays collected in this volume present a multi faceted range of
