Leong,2018-04-05 The meaning of history is about the purpose and goal of history According to the Old Testament this involves redeeming humanity and transforming civilization toward an eternal hope of a world in which every longing is fulfilled and every fear is no more When the Old Testament is understood on its terms it reveals a marvelous vision of that hope To capture this vision as well as present credible reason for the hope this book interweaves into one coherent exposition five strands of Old Testament studies usually separated into different books theology ethics mission history apologetics *52 Weeks Through the Psalms* James Merritt,2017-11-07 Experience God's Compassion and Glorious Character in Your Life The book of Psalms is often our first choice when we're searching for comfort mercy or reassurance The meeting of human emotions and divine love shines bright in every chapter From the author of *52 Weeks with Jesus* and *52 Weeks Through the Bible* comes an insightful and inspiring journey through select portions of the Psalms As you spend time contemplating the holy words of Scripture you'll gain new levels of understanding about the provision and power of God trust in the faithful approachable presence of God growth in your soul's joyful response to God Enrich your relationship with the Lord of your life as you find new reasons and ways to come before him in prayer and praise Prayers from the Darkness Lyn Fraser,2005-10 The difficult psalms which amount to more than a third of the Psalter shock us with their cries of pain anger and alienation They call on God for revenge on their enemies and mercy for themselves Lyn Fraser following the lead of Old Testament theologian Walter Brueggemann shows how to integrate these psalms of disorientation in Sunday morning worship pastoral care and any situation of extreme need *The Oxford Handbook of Ritual and Worship in the Hebrew Bible* Samuel E. Balentine,2020-09-16 Ritual has a primal connection to the idea that a transcendent order numinous and mysterious supranatural and elusive divine and wholly other gives meaning and purpose to life The construction of rites and rituals enables humans to conceive and apprehend this transcendent order to symbolize it and interact with it to postulate its truths in the face of contradicting realities and to repair them when they have been breached or diminished This Handbook provides a compendium of the information essential for constructing a comprehensive and integrated account of ritual and worship in the ancient world Its focus on ritual and worship from the perspective of biblical studies as opposed to religious studies highlights that the world of ritual and worship was a topic of central concern for the people of the Ancient Near East including the world of the Bible Given the scarcity of the material in the Bible itself the authors in this collection use materials from the ancient Near East to provide a larger context for the practices of the biblical world giving due attention to historical anthropological and social scientific methods that inform the context of biblical worship The specifics of ritual and worship life the sacred spaces times and actors in worship are examined in detail with essays covering both the divine and human aspects of the sacred dimension The Oxford Handbook of
