Church as Fullness in All Things Mark W. Birkholz,Jonathan Mumme,Richard J. Serina, Jr.,2019-06-25 What is Lutheran ecclesiology The Lutheran view of the church has been fraught with difficulties since the Reformation Church as Fullness in All Things reengages the topic from a confessional Lutheran perspective Lutheran theologians and clergy who are bound to the Holy Scriptures and the Lutheran

Confessions explore the possibilities and pitfalls of the Lutheran tradition's view of the church in the face of contemporary challenges. The contributors also take up questions about and challenges to thinking and living as the church in their tradition while looking to other Christian voices for aid in what is finally a common Christian endeavor. The volume addresses three related types of questions faced in living and thinking as the church with each standing as a field of tension marked by disharmonized though perhaps not inherently opposite poles: the individual and the communal, the personal and the institutional, and the particular and the universal. Asking whether de facto prioritizations of given poles or unexamined assumptions about their legitimacy impinge the church, Lutherans seek the volume closes with Anglican, Reformed, and Roman Catholic contributors stating what their ecclesiological traditions could learn from Lutheranism and vice versa.

YHWH in the Wind(s) Violet Chiswa Gandiya, 2025-01-31. From interdisciplinary, intertextual, and comparative analytical perspectives, this book engages with the epistemologies of the Global South and Global North to reveal a fresh insight into the image of YHWH in the guise of the phenomenal wind(s) and the purpose of this image in the biblical Hebrew tradition. Therefore, this book showcases YHWH appearing with the potent wind(s) to create and transform chaos into cosmic order at primal creation. Likewise, this discourse presents YHWH breaking into the historical and social realm in his various sociopolitical roles to destroy all forms of chaotic force by his bluster of wind(s) and to establish, maintain, or restore world social order founded on his rule of justice and righteousness. This accounts for the view that all creation and order originate from YHWH and are maintained by YHWH's innate rules of ethical governance. This fresh insight into the sights and sounds of YHWH asserting his rule in the dramaturgical wind(s) not only renders new meaning to biblical texts within their contexts but also offers a persuasive message and alluring theological reflections that can shape new discourses to engage and address contemporary theological and social issues of equity, justice, and harmony within YHWH's intended design of world and social order.

The Basics of Hebrew Poetry Samuel T. S. Goh, 2017-10-12. Almost 75 percent of the Old Testament is made up of poetic

passages yet for many readers lay Christians even seminary students and pastors biblical poetic passages remain the greatest challenge Being unfamiliar with poetry in general and biblical poetry in particular their reading and preaching are limited to selected poetic passages This in turn limits their understanding of God s word To help readers overcome these problems the first four chapters of this book aim to get them familiarized with the literary techniques of biblical poets To demonstrate how the techniques work to bring across the biblical theological message the last three chapters offer poetic analyses of three passages of different kinds In the process we hope to draw attention to the beauty of the Hebrew poetic art and to the creative skill of biblical poets versification The ultimate aim however is to help readers discover the rich message of the Bible

Portraits of the Righteous in the Psalms Daniel C. Owens, 2013-08-23 What have the Psalms to do with ethics Readers prize the Psalter for its richly theological prayers but into these prayers are woven a variety of ethical issues This book explores the ethics of the Psalter by examining the four portraits of the righteous person that punctuate Book I It begins by studying these psalms as individual compositions and then employs both the canonical approach and dialogic criticism to identify the complex relationship between the portraits vision of the righteous life and its outcome Does the righteous person enjoy security and the good life The answer may be surprising but joining the psalmist on the rocky path of the interface of faith and experience is certain to prove a formative experience
