The Psyche and Psychism Torkom Saraydarian,1981 **A Psychological and Poetic Approach to the Study of Christ in the Fourth Gospel** Eva Gore-Booth,1923 Transactions and Encounters Roger Luckhurst,Josephine McDonagh,2002

This book examines Irish Poor Law reform during the years of the Irish revolution and Irish Free State This work is a significant addition to the growing historiography of the twentieth century which moves beyond political history and demonstrates that concepts of respectability social class and gender are central dynamics in Irish society This book provides the first major study of local welfare practices and exploration of policies attitudes and the poor This monograph examines local public assistance regimes institutional and child welfare and hospital care It charts the transformation of workhouses into a network of local authority welfare and healthcare institutions including county homes county hospitals and mother and baby homes The book s exploration of welfare and healthcare during revolutionary and independent Ireland provides fresh and original insights into this critical juncture in Irish history The book will appeal to Irish historians and those with interests in welfare the Poor Law and the social history of medicine and institutions *Psyche's Lamp* Robert Briffault,1921

Special Pathology and Therapeutics of the Diseases of Domestic Animals Franz Hutyrá,Dr. Josef Marek,1917

Special Pathology and Therapeutics of the Diseases of Domestic Animals: Diseases of the respiratory organs; diseases of the digestive organs; diseases of the nervous system; diseases of the organs of locomotion; diseases of the skin Ferenc Hutyrá,Josef Marek,1917 **Special Pathology and Therapeutics of the Diseases of Domestic Animals** Ferenc

Hutyrá,József Marek,1916 **The Feminine in Jungian Psychology and in Christian Theology** Ann Belford Ulanov,1971
The Feminine in Jungian Psychology and in Christian Theology investigates the implications for Christian theology of Jung s special insights into the feminine In it Ann Belford Ulanov gathers together in one volume what Jung and Jungians have discovered about the feminine in order to explore what Jungian thought and methods may illuminate about the place of the feminine in Christian theology Jung focuses on the human person and sees as central its mixture of masculine and feminine elements In a time when so much is asserted and written about women in society their rights roles identities needs and contributions it is especially significant that Jung asserts the existence of the feminine as a key element not only in women but in men as well No less contested are the roles and identities of Christians Ulanov brings into focus the deep and fascinating connections between theology and psychology *A Practical Medical Dictionary ...* Thomas Lathrop

Barrett Warman,1914 Spiritual Aspects of Clinical Work Ann Belford Ulanov,2004 How does the spirit come into clinical work Through the analyst In the analysand s work in the analysis What happens to human destructiveness if we embrace a vision of non violence Do dreams open us to spiritual life What is the difference between repetition compulsion and ritual How does religion feed terrorism What happens if analysts must wrestle with hate in themselves Do psychotherapy and

spirituality compete or contradict or converse with each other What does religion uniquely offer beyond what psychoanalysis can do to our surviving and thriving This book abounds with such important questions and discussions of their answers *In Togetherness* Wim van den Dungen, 2019-12-11 This book offers an organised summary of my philosophy of the transpersonal referring to experiences processes and events transcending the egology of the coarse mind and involving a sense of connection to or participation with a larger more meaningful existence transforming consciousness In the past transpersonal philosophy developed Perennial Empiricist and Participatory models to explain the holotropic or altered states of consciousness calling for wholeness This book integrates these views to accommodate a critical model encompassing Criticism Process Philosophy Piaget s Genetic Epistemology Maslow s Hierarchy of Needs the Eastern Chakra system the Qabalah Psychedelica and Depth Psychology in casu Assagioli s Psychosynthesis The distinction between self actualization the vision of totality and self realization mystical experience touching the infinite is pertinent and informs this critical and eclectic transpersonal philosophy *Life as Insinuation* Katarzyna Krempleska, 2019-01-01 In this book Katarzyna Krempleska offers a thorough analysis of Santayana s conception of human self viewed as part of his larger philosophy of life Santayana emerges as an author of a provocative philosophy of drama in which human life is acted out Krempleska demonstrates how his thought addresses the dynamics of human self in this context and the possibility of sustaining self integrity while coping with the limitations of finite life Focusing on particular aspects of Santayana s thought such as his conception of the tragic aspect of existence and the role of the doctrine of spirit in his philosophical anthropology and critique of culture this book also sets Santayana s thought in substantial dialogue with other thinkers such as Heidegger Bergson and Nietzsche Like Santayana s philosophy this book seeks to build passages between theoretical reflection and practical life with the possibility of a good life in view **Holism** Christian McMillan, Roderick Main, David Henderson, 2019-12-06 *Holism Possibilities and Problems* brings together leading contributors in a ground breaking discussion of holism The terms holism and holistic arouse strong emotional responses in contemporary culture whether this be negative or positive and the essays in this interdisciplinary collection probe each in its own way the possibilities and problems inherent in thinking holistically Christian McMillan Roderick Main and David Henderson bring together established academics and emerging scholars across subject areas and disciplinary approaches to reveal the multiplicity and complexity of issues involved in holism Divided into four parts the chapters determine key strands of thinking explicitly or implicitly underpinning contemporary holistic thought including what ethical conclusions might most reasonably be drawn from such thought Accessible and diverse this extensive volume contains chapters from the perspective of history ecology psychotherapy poetry mythology and an especially strong representation of continental philosophy and Jungian depth psychology Due to its multi disciplinary nature the book represents an unparalleled discussion of the meanings and implications of holism Written by an innovative and international calibre of contributors this pioneering collection will be

essential reading for practitioners in depth psychology and scholars of Jungian studies as well as academics and students of philosophy religious studies spirituality history and the history of ideas The book is a rich resource for the enhancement of critical reflection among all those with an interest in holism

Origins Eric Partridge,2006-05-23 This etymological dictionary gives the origins of some 20 000 items from the modern English vocabulary discussing them in groups that make clear the connections between words derived by a variety of routes from originally common stock As well as giving the answers to questions about the derivation of individual words it is a fascinating book to browse through and includes extensive lists of prefixes suffixes and elements used in the creation of new vocabulary

Man and his Destiny Ergardt,2023-07-17 **Embodied Spirituality in a Sacred World** Michael Washburn,2012-02-01 Anyone seeking a deeper understanding of human spirituality will find something of value in Michael Washburn s new book Drawing on a rich variety of psychoanalytic Jungian and existential phenomenological sources and on both Western and Asian spiritual texts Embodied Spirituality in a Sacred World provides a theoretical foundation for the idea that human development follows a spiral path Washburn shows that ego development early in life requires us to turn our backs on original sources of our existence and therefore that spiritual development later in life requires us to spiral back to these sources on the way to whole psyche integration He elucidates the underlying causes and pivotal events that set development on its spiral course and traces six major dimensions of experience as they unfold along the spiral path the unconscious the energy system the ego system the perceived other the experiential body and the life world In providing a theoretical foundation for the idea of the spiral path Washburn defends the idea against its critics and helps explain why the idea has been compelling to so many people in diverse traditions

Psychology and Religion Andrew Reid Fuller,1994 Can psychology explain religious behavior This book explores the thinking of eight pioneers of religious psychology including Sigmund Freud and Carl Jung Fuller presents the theories of these seminal figures in a clear straightforward way and also examines the limits of psychological explanations of religion He concludes the book by exploring the contributions to religion by some prominent recent figures in psychology such as Ana Maria Rizzuto Paul W Pruyser and Bernard Spilka Praise for the latest edition of Psychology and Religion Professor Fuller has made a valuable contribution to students of psychology and religion He has brought together in a single volume eight of the most important thinkers in their field By presenting the views of these seminal figures in a cogent straightforward manner and with scholarly faithfulness to their ideas Fuller has eased the task of exploring an extremely challenging area He is to be commended for his impressive effort Steven M Rosen The College of Staten Island
