

BOOK REVIEWS

period are mentioned in association with their contributions, but they do not emerge as "real people."

Nevertheless, the book is worth reading. It is brief, well written, and nontechnical so that it can be read easily in an evening. The price seems a bit steep, at least to one who grew up during the Great Depression. Still, an evening's entertainment often costs more than that these days.

For whom is the book recommended? Certainly it is good reading for persons engaging in correctional and forensic psychiatry. For them, the experiences of a pioneer in the field may prove especially interesting. The "seasoned citizen" in psychiatry who can recall some of the people and events mentioned will also enjoy the book, in part because it stimulates one's recollections. Younger colleagues, especially the sort who think that modern psychiatry began with the introduction of reserpine and chlorpromazine in the 1950s, really ought to read this book, but probably won't. □

PSYCHIATRIC INTERVENTIONS AND MALPRACTICE: A PRIMER FOR LIABILITY PREVENTION. By Robert I. Simon, MD. Springfield, IL: Charles C. Thomas, 1982. 134 pages, index. ISBN# 0-398-04654-9.

Reviewed by William H. Reid, MD, MPH

This book is a clear, easily read, fairly complete primer on the topic of dangers of malpractice in psychiatric work. It is divided into three sections — psychiatric hospitalization, psychotherapy, and clinical case examples. It is well referenced, with recent citations from legal cases and the forensic psychiatric literature. It does not discuss the psychiatrist in court or the practice of forensic psychiatry, but rather focuses on clinical situations found in day-to-day psychiatric practice.

I found this book to be quite refreshing and useful. From the first pages, with a chapter titled "The Pernicious Fear of Malpractice," the author stresses the tenets of good medical practice as both clinically appropriate and legally sound. The chapters are quite specific, addressing traditional subjects such as informed consent, confidentiality, and dangerousness as well as less common but equally relevant topics such as consent for psychotherapy, business dealings, gifts from patients, the "touching psychiatrist," and the psychiatrist who "falls in love with his patient." The chapters would be ideal as introductory material for psychiatric residents, especially in these days of their concern about the need for defensive medicine.

I recommend this interesting and gentle primer to all psychiatrists, particularly those not involved in forensic work. It should be particularly available to supervisors and postgraduate training programs. □

Psychiatric Interventions And Malpractice A Primer For Liability Prevention

Richard Rosner

Psychiatric Interventions And Malpractice A Primer For Liability Prevention:

Psychiatric Interventions and Malpractice Robert I. Simon, 1982 **Law for the Christian Counselor** George W. Ohlschlager, Peter T. Mosgofian, 2012-04-23 Contents Part I The Grave New World of Christian Counseling Liability Part II Sexual Misconduct in Christian Counseling Part III Confidentiality and Its Many Exceptions Part IV The Counseling Process Managing Liability Risk Part V Special Counseling Modes and Controversial Cases Part VI Corporate Risks and Counseling Credentials Part VII The Maturation of the Christian Counseling Profession *Principles and Practice of Forensic Psychiatry, 2Ed* Richard Rosner, 2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Importan *The American Journal of Psychiatry*, 1984-09 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), 1982 Clinical Psychiatry and the Law Robert I. Simon, 2003-07-01 Updates to this edition Clinical and legal issues in the use of clozapine in treatment of schizophrenia Clinical information and new cases involving tardive dyskinesia Changes in civil and criminal law regarding right to refuse treatment An update of clinical guidelines and legal regulations of ECT An update on suicide risk assessment and new legal cases involving suicide An update on violence risk assessment and new legal cases involving the duty to protect endangered third parties New statutes and criminal sanctions regarding sexual misconduct New statutes limiting the liability of therapists toward third parties who are injured or killed by patients Changes in the relationship between psychiatrists and nonmedical therapists Regulatory developments regarding physician impairment Numerous tables and an updated glossary of legal terms New section on common terms and abbreviations in legal citations Current Catalog National Library of Medicine (U.S.), 1982 First multi year cumulation covers six years 1965 70 *Current Catalog*, 1988 First multi year cumulation covers six years 1965 70 Bulletin of the American Academy of Psychiatry and the Law American Academy of Psychiatry and the Law, 1983 **Review of Clinical Psychiatry and the Law**, 1991 Malpractice and Liability in Psychiatry Peter Ash, Richard L. Frierson, Susan Hatters Friedman, 2022-03-17 This book comprehensively educates psychiatrists about malpractice and other liability It is written to also specifically assist psychiatrists who are sued or are involved in other complaints The first two sections discuss malpractice law and the litigation process the litigation section mainly addresses some of the more emotionally charged issues including do s and don ts how an attorney will be looking at the case the defendant doctor s testifying at deposition and trial and the stress of being sued The subsequent three sections address specific topics that give rise to liability with each section taking a different perspective such as risks in particular clinical by practice site and special issues including practice in special situations such as the current pandemic The final section discusses other forms of liability such as complaints to medical boards or professional association ethics committees An exceptional work Malpractice and Liability in
