Hinman, 2000-12-15 An outstanding research guide for undergraduate students of American literature this best selling book is essential when it comes to researching American authors Bracken and Hinman identify and describe the best and most current sources both in print and online for nearly 300 American writers whose works are included in the most frequently used literary anthologies Students will know exactly what information is available and where to find it *Selected Letters of Robert Penn Warren* Robert Penn Warren, 2006-01-01 Selected Letters of Robert Penn Warren Volume three provides an indispensable glimpse of Warren the writer and the man covering a crucial decade in his life Edited by Randy Hendricks and James A Perkins and introduced by William Bedford Clark this collection of largely previously unpublished letters and newly discovered material documents Warren s time at the University of Minnesota his writing and publication of the Pulitzer Prize winning novel All the King s Men his appointment as Consultant in Poetry at the Library of Congress and his divorce from Emma Cinina Brescia and subsequent marriage to the writer Eleanor Clark The period 1943 1952 also saw the publication of A Poem of Pure Imagination World Enough and Time The Ballad of Billie Potts At Heaven s Gate and Selected Poems 1923 1943 Warren s letters shed new light on those works and on his close relationship with his editors Lambert Davis and Albert Erskine Included too is correspondence concerning Warren s collaboration with Robert Rossen on the movie production of All the King s Men which received the Academy Award for best picture in 1949 The list of friends and colleagues with whom Warren communicated reads like a roll call of major twentieth century literary figures and clearly shows his ever widening influence on the world of letters Spanning a

remarkable range in both style and tone the letters disclose Warren's attitudes toward his work as a teacher and his thoughts on the events of World War II the Korean War and the political conflicts in postwar Europe Thoroughly annotated and scrupulously researched Volume Three captures Warren in an extraordinary phase in his life and career reaching his maturity and making many commitments at once yet pursuing them all with a seemingly boundless energy **Sylvia Plath** Suman Agarwal, 2003 This book celebrates Sylvia Plath's achievements as a highly prolific writer who brought a path breaking revolution in the world of poetry thereby making each woman feel the pulse of life A confessionalist of both weight and colour Plath was not scared to openly pen down her feelings what she underwent and in no way was she different or less as compared to her contemporaries and the modernists This enigmatic personality plunged into depression and resorted to hair raising incident of rendering a note to her life by committing suicide at the age of 32 Disdaining political and social subjects Plath was a different breed from the beat nicks of her own time and all this goes to prove that she was stunningly original and a powerful poet Even 40 years after her death in 1963 her place in English literature is assured Twentieth century has been a devastating one especially when one is to peep into writers personal life which has been nerve wrecking and this book is an attempt to analyze Plath her life writings and also her relation to modern poets
