Rapture Question Answered Plain And Simple:

The Rapture Question Answered Robert Van Kampen, 1997-05-01 Answers the question surrounding the Rapture of the church at Christ's second coming and the timing of the end time events as clearly taught in Scripture [Three Views on the Rapture](#) Craig A. Blaising, Douglas J. Moo, 2018-06-26 The rapture or the belief that Jesus living followers will at some point join him forever while others do not is an important but contested doctrine among evangelicals. Scholars generally hold one of three perspectives on the timing and circumstances of the rapture, all of which are presented in this important volume of the Counterpoints series. Three Views on the Rapture Alan D. Hultberg, PhD, Trinity International University and professor of New Testament at Talbot School of Theology explains the Pre-Wrath view. Craig Blaising, PhD, Dallas Theological Seminary and president of Southwestern Baptist Theological Seminary defends the Pre-Tribulation view. Douglas Moo, PhD, University of St. Andrews and professor of New Testament at Wheaton College sets forth the Post-Tribulation view. Each author provides a substantive explanation of his position, which is critiqued by the other two authors. A thorough introduction gives a historical overview of the doctrine of the rapture and its effects on the church. The interactive and fair-minded format of the Counterpoints series allows readers to consider the strengths and weaknesses of each view and draw informed personal conclusions.

The Rapture: Don't Be Deceived Billy Crone, 2016-07 If there's one thing you don't want to be deceived about in life, it's the Biblical truth concerning the Rapture. The Bible says that for those who are left behind after this next great event on God's end-time prophetic calendar, they will be thrust into the 7-year Tribulation, which is not a party. Rather, it's an outpouring of God's wrath upon this wicked and rebellious planet, which will soon turn into mankind's greatest nightmare. Unfortunately, there seems to be a multitude of opinions out there concerning the purpose and timing of the Rapture, which is starting to cause a lot of unnecessary confusion and division. Therefore, *The Rapture Don't Be Deceived* takes a detective's approach towards the Biblical teaching of the Rapture and examines the many Scriptural facts surrounding it.

The Second Coming of Christ: Study Guide Keith Thomas, 2015-05-05 The purpose of doing this study is to focus on the coming of Christ and to better prepare us for His coming. The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return. If that was so for centuries ago, how much more should we be anticipating His coming in the days in which we live. Now more than ever, it is important that we remember often to lift up our heads and say, "Come, Lord Jesus!" *Rapture or Tribulation* Richard W. Tow, 2022-04-04 We find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church. Israel and the world as it is and will be. I am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation. Therefore, I am thankful for Richard Tow and his timely service to the body of Christ in laboring to produce this important book. A generation of believers, young and old, are searching for biblical truth with depth on the subject of the return of Jesus because of the recent

escalation of trouble and darkness I highly recommend that Richard's book be a priority for any searching for a clearer sense of the why behind the what of the timing of the Tribulation that precedes the Lord's return David Sliker President International House of Prayer University My friend and fellow minister for many years Richard Tow has written a must read book if you are interested in eschatology His comprehensive scholarly non dogmatic research of Scripture and the positions held on the Tribulation and the Rapture of the church leave it up to the individual reader to decide for him or herself which view to espouse Rapture or Tribulation is the kindest most thorough book I have read on the topic Dr Loren Houltberg Professor Author and Regional Pastor for the Foursquare Church *Before God's Wrath* H.
