Rasputin File The Final Word:

Rasputin Ėdvard Radzinskiĭ,2000 CONTENTS NOT TO BE REVEALED UNTIL SIMULTANEOUS WORLD WIDE RELEASE *The Rasputin File* Edvard Radzinsky,2010-05-12 From the bestselling author of Stalin and The Last Tsar comes The Rasputin File a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known For almost a century historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia But in 1995 a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin s inner circle With this extensive and explicit amplification of the historical record Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history Translated from the Russian by Judson Rosengrant *The Rasputin File* Edvard Radzinsky,2001-12-04 From the bestselling author of Stalin and The Last Tsar comes The Rasputin File a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known For almost a century historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia But in 1995 a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin s inner circle With this extensive and explicit amplification of the historical record Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history Translated from the Russian by Judson Rosengrant Rasputin Ėdvard Radzinskiĭ,2001-03 Grigory Efimovich Rasputin Russian peasant monk and mystic exercised extraordinary and malign power over the last Tsar and Tsarina of Russia and their haemophiliac son His drunkenness sexual excesses and nepotism not to mention rumours that he was a German agent led to his murder by a group of noblemen in December 1916 Mad monk or mystic sham or shaman few figures from contemporary history have captured the imagination like Rasputin The enormous influence that this half literate priest exerted over Tsarina Alexandra is one of history s great enigmas one which the author of this text sets out to unravel **To Kill Rasputin** Andrew Cook,2011-10-21 The murder of Rasputin on the night of 16 17 December 1916 has always seemed extraordinary first he was poisoned then shot and finally drowned in a frozen river by Russian aristocrats fearful of his influence on Tsar Nicholas II and Tsarina Alexandra Or was he Dramatic new evidence from previously unpublished documents diaries forensic reports and intelligence records now means the plot takes a remarkable twist Grigori Rasputin is probably one of the best known but least understood figures in the events that ultimately led to the downfall of the Russian tsars His political role as the power behind the throne is obscured today as it was then by the fascination with his morality and private life Andrew Cook s re investigation of Rasputin s death reveals for the first time the real masterminds behind the murder of the mad monk Why does the story of a peasant from a distant Siberian village becoming the all powerful favourite of the last Russian tsar excite us more than almost any other episode in Russian history

Why are there more lies and concealment than truth in the story of his murder Was this extraordinary man an evil demon who brought down the royal family or somebody who could have been its saviour To Kill Rasputin finally provides the answers to the many mysteries surrounding this pivotal moment in Russian history The Bolsheviks Volume II John D. Loscher, 2009-09-28 We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge dAffaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenins stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his countrys self serving objectives But as the husband to Sonjya Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge daffaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by Americas inept luxury loving ambassadors William is a witness to the final overthrow of Russias imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russias future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russias exploited peasant population any better off than they were before *Book Review Index* ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index *Rasputin's Secret* Kenneth A. Mertz, Jr., 2006-04-13 Stolen nuclear missiles that will cause the destruction of the Soviet government and open the door that will allow Rasputin s Secret to emerge The secrets lie in Faberge Eggs finding them is only the beginning Rasputin s Secret begins with the assassination of the last Tzar of Russia and doesn t stop even when an American Submarine is lost in the Atlantic Ocean a fantastic car races ahead of pursuing mercenaries or when there is a supersonic dogfight in Soviet airspace What is Rasputin s Secret and what will happen to the world when it is revealed **Rasputin** Frances Welch, 2014-10-14 For historical aficionados and curious readers alike this is the perfect short life gripping and hilariously funny this biography sheds much needed light on the life of the Russian icon Grigory Rasputin Grigory Rasputin Siberian peasant turned mystic and court sage was as fascinating as he was unfathomable He played the role of the simple man eating with his fingers and boasting I don t even know the ABC But as the only person able to relieve the symptoms of hemophilia in the Tsar s heir Alexei he gained almost hallowed status within the Imperial court During the last decade of his life he and his band of little ladies came to symbolize

all that was decadent corrupt and remote about the Imperial Family especially when it was rumored that he was not only shaping Russian policy during the First World War but also enjoying an intimate relationship with the Empress Rasputin's role in the downfall of the tsarist regime is beyond dispute But who was he really Prophet or rascal A breath of rank air who blew away the cobwebs of the Imperial Palace as Beryl Bainbridge put it or a dangerous deviant In this riveting and eye opening short biography Frances Welch turns her inimitable wry gaze on one of the great mysteries of Russian history

Psychics, Sensitives and Somnambules Rodger I. Anderson, 2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference
