Swindoll, 1993 **What Makes the Gospel So Irreplaceable** Hendry Ongkowidjojo, 2016-06-08 Every Christian must not be ashamed to affirm that Jesus is the only Savior of the world Here are the difficulties How we can say that when we do not even know how many other existing religions there are And besides isn't God all loving Isn't love all that matters in salvation What hinders God from saving as many people through as many ways as possible We will find the answers in Romans 1:16-17 when we are exploring what Paul has said about the Gospel and its three unique qualities it is powerful it displays God's righteousness and it is received by faith alone Once we grasp these and once we put love and righteousness hand in hand we will understand why our salvation can be so firm and why the Gospel is so irreplaceable no matter what *Explore the Bible Devotional*, epub B&H Kids Editorial Staff, 2018-09-01 The Explore the Bible Devotional takes kids on a journey through each book of the Bible uncovering the Where and Why at every stop Each of the 66 devotions offers images of relevant artifacts of the time period as well as text truths that point back to Christ This adventure will help kids connect with the Bible as never before

Discovering the Parables Henry G. Covert, 2007-12-30 Long before there were printing presses copy machines and email societies used storytelling to convey beliefs history and traditions This practice preceded the ministry of Jesus and continues today in many cultures But Jesus was a master of storytelling His words provide many with guidelines and a road map for

living Using familiar imagery found in nature and other recognizable sources he engaged his listeners with lessons that confronted every aspect of their lives providing the tools for self examination and change Speaking in parables however sometimes caused confusion for his listeners and readers today may wonder what exactly he meant and how his words apply to everyday life This book looks at each of Jesus s parables explaining the key points the central themes and the meanings we can take away from the stories By considering each parable in depth the author helps readers come to a better understanding of the teachings of Jesus and what they mean for our lives Strange and Gaudy Fruit Jeff Nicoll,2023-05-09

The history of Christianity includes many doctrines adopted and actions taken to meet immediate problems but which had unintended consequences they are bad fruit Matt 7 15 20 The oldest is antisemitism which arose from the competition of the early church with early Judaism It was built into the New Testament and was developed by the church fathers Having learned to dehumanize it was easy to apply the same techniques to other groups the church became complicit with enslavement misogyny and other forms of oppression One response to the bad fruit is to reject religion in the manner of Christopher Hitchens However the dogmas are part of our culture even if in secular form If the roots of marginalization are not understood they cannot be eliminated This work uses a range of critics and defenders of traditional Western Christianity to identify poisonous fruits and detoxify them The critical voices do not create a consensus Nevertheless a core can be perceived what Erasmus called the few truths Grounded in the religious tradition they can be shared with secular people as a basis for an ethical merciful and respectful society Although the history of Christianity is bloody there are ways to go forward
