**Sam Patch, Champion Jumper** Irwin Shapiro,1972-01-01 A jumpy Rhode Island boy leaps his way to fame and then disappears in an amazing jump right through the earth *Sam Patch, the Famous Jumper* Paul E. Johnson,2004-06-16 The true history of a legendary American folk hero In the 1820s a fellow named Sam Patch grew up in Pawtucket Rhode Island working there when he wasn't drinking as a mill hand for one of America's new textile companies Sam made a name for himself one day by jumping seventy feet into the tumultuous waters below Pawtucket Falls When in 1827 he repeated the stunt in Paterson New Jersey another mill town an even larger audience gathered to cheer on the daredevil they would call the Jersey Jumper Inevitably he went to Niagara Falls where in 1829 he jumped not once but twice in front of thousands who had paid for a good view The distinguished social historian Paul E Johnson gives this deceptively simple story all its deserved richness revealing in its characters and social settings a virtual microcosm of Jacksonian America He also relates the real jumper to the mythic Sam Patch who turned up as a daring moral hero in the works of Hawthorne and Melville in London plays and pantomimes and in the spotlight with Davy Crockett a Sam Patch who became the namesake of Andrew Jackson's favorite horse In his shrewd and powerful analysis Johnson casts new light on aspects of American society that we may have overlooked or underestimated This is innovative American history at its best Tall Tales of America Irwin

Shapiro,2018-12-01 This wonderful book is a collection of nine tall tales from America by renowned children's author Irwin Shapiro Pecos Bill Anthony and the Mossbunker Old Stormalong Johnny Appleseed Davy Crockett the Yaller Blossom o the Forest Sam Patch's Last Leap Paul Bunyan John Henry and Joe Magarac the Steel Man Illustrated throughout by Al Schmidt

Congress, *Faith in Markets* Joseph P. Slaughter,2023-11-14 In the first half of the nineteenth century the United States saw both a series of Protestant religious revivals and the dramatic expansion of the marketplace Although today conservative Protestantism is associated with laissez faire capitalism many of the nineteenth century believers who experienced these transformations offered different competing visions of the link between commerce and Christianity Joseph P Slaughter offers a new account of the interplay between religion and capitalism in American history by telling the stories of the Protestant entrepreneurs who established businesses to serve as agents of cultural and economic reform Faith in Markets examines

three Christian business enterprises and the visions of a Christian marketplace they represented Shaped by Pietist Calvinist and Arminian theologies each offered different answers to the question of what a moral Christian market should look like George Rapp Associates operated sophisticated textile factories as the business side of the model community the Harmony Society which practiced communal living in pursuit of a harmonious workforce The Pioneer Stage Coach Line provided transportation services only six days a week to keep Sunday sacred attempting to reform society by outcompeting less pious businesses The publisher Harper Brothers sought to elevate American culture through commerce by producing virtuous products like lavishly illustrated Bibles Drawing on a wide range of sources Faith in Markets explores how the founders and owners of these enterprises infused their faith into their businesses and in turn how distinctly religious businesses shaped American capitalism and society

**The Thrill Makers** Jacob Smith, 2012-05-01 Well before Evel Knievel or Hollywood stuntmen reality television or the X Games North America had a long tradition of stunt performance of men and some women who sought media attention and popular fame with public feats of daring Many of these feats jumping off bridges climbing steeples and buildings swimming incredible distances or doing tricks with wild animals had their basis in the manual trades or in older entertainments like the circus In The Thrill Makers Jacob Smith shows how turn of the century bridge jumpers human flies lion tamers and stunt pilots first drew crowds to their spectacular displays of death defying action before becoming a crucial yet often invisible component of Hollywood film stardom Smith explains how these working class stunt performers helped shape definitions of American manhood and pioneered a form of modern media celebrity that now occupies an increasingly prominent place in our contemporary popular culture
