Marriage - The Pros and Cons of the Issue ViewCaps, 2013-03-07 Gay Marriage That single phrase is enough to spark a passionate debate from either side It s hard to form a view one way or another when there is so much heated opinion for or against it The ViewCaps Pros and Cons series takes a step back and looks at the issue objectively It lays out only the facts

and let s you decide what opinion to take ViewCaps is an imprint of BookCaps Study Guides With each book a issue is objectively analyzed We publish a wide array of topics from baseball and music to science and philosophy so check our growing catalogue regularly to see our newest books *The Challenge of Same-Sex Marriage* Mark Strasser,1999-09-30 In November 1998 the Hawaii and Alaska electorates voted to amend their state constitutions so that same sex marriages would not have to be recognized Rather than end the controversy surrounding same sex marriages the passage of these amendments will only spur more litigation because the referenda themselves implicate constitutional guarantees and because amending a state constitution cannot lessen federal constitutional protections Since same sex marriages promote many of the same individual and state interests that opposite sex marriages do states will be unable to justify their same sex marriage bans if those rationales are closely examined When challenged the recent constitutional amendments in Hawaii and Alaska may well be held unconstitutional by the state supreme courts on federal constitutional grounds although ultimately the United States Supreme Court will likely be asked to resolve the relevant issues Suppose that state same sex marriage bans are held not to violate federal constitutional guarantees but that one state nonetheless recognizes such unions The other states will be permitted to refuse to recognize marriages celebrated in that state only if certain conditions have been met Contrary view notwithstanding the law of nature exception will not apply in this case Further even the Defense of Marriage Act will likely not afford states the right to refuse to recognize any and all same sex marriages validly celebrated in sister states **Debating Same-Sex Marriage** John Corvino,Maggie Gallagher,2012-06-01 Polls and election results show Americans sharply divided on same sex marriage and the controversy is unlikely to subside anytime soon Debating Same Sex Marriage provides an indispensable roadmap to the ongoing debate Taking a point counterpoint approach John Corvino a philosopher and prominent gay advocate and Maggie Gallagher a nationally syndicated columnist and co founder of the National Organization for Marriage explore fundamental questions What is marriage for Is sexual difference essential to it Why does the government sanction it What are the implications of same sex marriage for children s welfare for religious freedom and for our understanding of marriage itself While the authors disagree on many points they share the following conviction Because marriage is a vital public institution this issue deserves a comprehensive rigorous thoughtful debate

Same-Sex Marriage Jeanne Nagle,2010-01-15 Provides information on same sex marriage and different viewpoints on the issue **Are We 'persons' Yet?** Kathleen A. Lahey,1999-01-01 In 1929 women were declared persons under the British North America Act Seventy years later a similar move is afoot to establish constitutional personhood for lesbian gay bisexual transsexual and transgendered people [Encyclopedia of Gender and Society](#) Jodi O'Brien,2009 Provides timely comparative analysis from internationally known contributors **Contemporary Moral Issues** Lawrence M. Hinman,2016-07-01 Contemporary Moral Issues is an anthology that provides a selection of readings on contemporary social issues revolving around three general themes Matters of Life and Death Matters of Equality and Diversity and Expanding the

Circle which includes duties beyond borders living together with animals and environmental ethics The text contains a number of distinctive high profile readings and powerful narratives including Jonathan Foer's *Eating Animals* Eva Feder Kittay's *On the Ethics of Selective Abortion for Disability* and Susan M Wolf's *Confronting Assisted Suicide and Euthanasia* My Father's Death Each set of readings is accompanied by an extensive introduction a bibliographical essay pre reading questions and discussion questions

The St. Martin's Guide to Writing Rise B. Axelrod, Charles R. Cooper, 2010-01-26 This textbook provides instruction in college level rhetoric and writing It offers readings a research manual a handbook and supports a range of approaches to teaching and learning including collaboration visual rhetoric personal writing writing about literature writing in the community and the workplace field research portfolios oral presentations essay exams and ESL It contains step by step guides to writing specific kinds of essays remembering events writing profiles explaining a concept finding common ground arguing a position proposing a solution justifying an evaluation speculating about causes and interpreting stories Because so much college writing requires strong argumentation skills four of the assignment chapters focus on argumentative writing and a separate strategies chapter covers theses reasons and support counterarguments and logical fallacies Three full chapters on research give students useful strategies not only for conducting field library and Internet research but also for evaluating sources deciding whether to quote paraphrase or summarize avoiding plagiarism and documenting sources The authors have included 39 readings by well known authors and various fresh voices including 12 students providing well written examples of the different types of essays and papers that students might be asked to complete

Philosophy, Ethics, and Public Policy: An Introduction Andrew Cohen, 2014-09-15 What makes a policy work What should policies attempt to do and what ought they not do These questions are at the heart of both policy making and ethics *Philosophy Ethics and Public Policy An Introduction* examines these questions and more Andrew I Cohen uses contemporary examples and controversies mainly drawn from policy in a North American context to illustrate important flashpoints in ethics and public policy such as public policy and globalization sweatshops medicine and the developing world immigration marriage family and education same sex marriage women and the family education and Intelligent Design justifying and responding to state coercion torture reparations and restorative justice the ethics of the body and commodification the human organ trade and factory farming of animals Each chapter illustrates how ethics offers ways of prioritizing some policy alternatives and imagining new ones Reflecting on various themes in globalization markets and privacy the chapters are windows to enduring significant debates about what states may do to shape our behavior Overall the book will help readers understand how ethics can frame policymaking while also suggesting that sometimes the best policy is no policy Including annotated further reading this is an excellent introduction to a fast growing subject for students in Philosophy Public Policy and related disciplines

Homosexuality and Religion Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of

gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality Sexualities and Communication in Everyday Life Karen E. Lovaas, Mercilee M. Jenkins, 2007 Excerpts from foundational work recent journal articles and pieces written for this text about the role of communication in the construction and performance of sexualities in interpersonal contexts and public discourses **Judicial Review in an Age of Moral Pluralism** Ronald C. Den Otter, 2009-08-31 This book considers how judicial review can be improved to strike the appropriate balance between legislative and judicial power **Hegel and Right** Philip J. Kain, 2018-07-11 In this book Philip J Kain introduces Hegel s Philosophy of Right by focusing on disagreements both with standard interpretations of his work and with Hegel himself Arguing that Hegel s justification for punishment ultimately fails Kain shows how this failure brings into focus the inherent difficulties in justifying punishment at all thus producing a valuable Hegelian argument against punishment Whereas many of Hegel s critics have argued that he misunderstands Kant s categorical imperative Kain argues the opposite that Hegel has a sophisticated understanding of it and simply attempts to provide a broader ethical context for Kant s position In addressing these and other questions such as whether Hegel s theory of recognition properly understood can provide philosophical support for same sex marriage and whether supporting monarchy over democracy means that Hegel seeks less rather than greater power for the state Kain makes Hegel s work more approachable by drawing out philosophical points of independent importance **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report The Wiley Blackwell Encyclopedia of Family Studies, 4 Volume Set Constance L. Shehan, 2016-02-29 The Wiley Blackwell Encyclopedia of Family Studies presents a comprehensive interdisciplinary collection of the key concepts trends and processes relating to the study of families and family patterns throughout the world Offers more than 550 entries arranged A Z Includes contributions from hundreds of family scholars in various academic disciplines from around the world Covers issues ranging from changing birth rates fertility and an aging world population to human trafficking homelessness famine and genocide Features entries that approach families households and kin networks from a macro level and micro level perspective Covers basic demographic concepts and long term trends across various nations the impact of globalization on families global family problems and many more Features in depth

Anthropology Matters Shirley A. Fedorak, 2012-06-13 The second edition of this popular text has been updated throughout and includes four new chapters on language revitalization social media and social revolutions human migration and the role of NGOs in international development practice The Advocate, 1997-04-15 The Advocate is a lesbian gay

bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

Marxism and Education beyond Identity F. Agostinone-Wilson, 2010-10-11 This book seeks to revive dialectical materialist interpretations of sexuality relevant to K 12 settings and society Issues addressed include sexuality and the curriculum theories of the family critiques of postmodernism socialist feminism and activist tactics strategies for organizing in K 12 settings

Embracing the Beat of Term: An Mental Symphony within **Same Sex Marriage Pro And Con**

In a world used by monitors and the ceaseless chatter of fast transmission, the melodic splendor and mental symphony created by the written word usually fade into the background, eclipsed by the constant sound and disruptions that permeate our lives. However, located within the pages of **Same Sex Marriage Pro And Con** a wonderful literary prize overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this fascinating masterpiece conducts readers on an emotional journey, well unraveling the hidden songs and profound affect resonating within each cautiously constructed phrase.
