Architecture Didem Ekici, Patricia Blessing, Basile Baudez, 2023-06-30 This book investigates the interconnections between textile and architecture via a variety of case studies from the Middle Ages through the twentieth century and from diverse geographic contexts Among the oldest human technologies building and weaving have intertwined histories Textile structures go back to Palaeolithic times and are still in use today and textile furnishings have long been used in interiors Beyond its use as a material textile has offered a captivating model and metaphor for architecture through its ability to enclose tie together weave communicate and adorn Recently architects have shown a renewed interest in the textile medium due to the use of computer aided design digital fabrication and innovative materials and engineering The essays edited and compiled here work across disciplines to provide new insights into the enduring relationship between textiles and architecture The contributors critically explore the spatial and material qualities of textiles as well as cultural and political significance of textile artifacts patterns and metaphors in architecture Textile in Architecture is organized into three sections Ritual Spaces which examines the role of textiles in the formation and performance of socio political religious and civic rituals Public and Private Interiors explores how textiles transformed interiors corresponding to changing aesthetics cultural values and material practices and Materiality and Material Translations which considers textile as metaphor and model in the materiality of built environment Including cases from Morocco Samoa France India the UK Spain the Ancient Andes and the Ottoman Empire this is essential reading for any student or researcher interested in textiles in architecture through the ages

Papers from the Department of Marine Biology of the Carnegie Institution of Washington , 1924 **Bulletin** Salem Public Library, 1901 **Bulletin of the Salem Public Library** Salem Public Library, 1901 Samoan Art and Artists Sean Mallon, 2002-01-01 Samoan Art and Artists is a wide ranging survey of both the traditional and contemporary arts of Samoa The author has drawn on an extensive research base to present a contemporary and accessible picture of a vibrant culture The book has a broad sweep covering all facets of the Samoan arts including canoe and house building siapo tapa weaving tattooing oratory adornment all forms of performance art the visual arts and literature An important feature of the book is the inclusion of profiles of living practitioners both from Samoa and the large Samoan communities in other Pacific countries Publisher description **Literary Culture and the Pacific** Vanessa Smith, 1998-01-08 This 1998 book examines a range of nineteenth century European accounts from the Pacific depicting Polynesian responses to imported metropolitan culture in particular its technologies of writing and print Texts designed to present self affirming images of native wonderment at European culture in fact betray the emergence of more complex modes of appropriation and interrogation by the Pacific

peoples Vanessa Smith argues that the Pacific islanders called into question the material basis and symbolic capacities of writing even as they were first being framed in written representations Examining accounts by beachcombers and missionaries she suggests that complex modes of self authorization informed the transmission of new cultural practices to the Pacific peoples This shift of attention towards reception and appropriation provides the context for a detailed discussion of Robert Louis Stevenson s late Pacific writings
