

# Samson And Dalila Samson And Delilah

**Rhonda Burnette-Bletsch**

## **Samson And Dalila Samson And Delilah:**

**Samson Et Dalila, Samson and Delilah** Ferdinand Lemaire, 1892      **Samson and Delilah** Camille Saint-Saëns, Ferdinand Lemaire, 1964      Reimagining Delilah's Afterlives as Femme Fatale Caroline Blyth, 2017-10-05 The story of Samson and Delilah in Judges 16 has been studied and retold over the centuries by biblical interpreters artists musicians filmmakers and writers Within these scholarly and cultural retellings Delilah is frequently fashioned as the quintessential femme fatale the shamelessly seductive fatal woman whose sexual treachery ultimately leads to Samson's downfall Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie underexplored within the ambiguity laden narrative of Judges 16 interpretations that offer alternative and more sympathetic portrayals of her biblical persona In Reimagining Delilah's Afterlives as Femme Fatale Caroline Blyth guides readers through an in depth exploration of Delilah's afterlives as femme fatale in both biblical interpretation and popular culture tracing the social and historical factors that may have inspired them She then considers alternative afterlives for Delilah's character using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale thereby inviting readers to view this iconic biblical character in new and fascinating lights      **Samson and Delilah -Opera in Three Acts** Saint Saens C., 2004      **Opera Plot Index** David Hamilton, William E. Studwell, 2020-11-25 First Published in 1990 Information about individual operas and other types of musical theater is scattered throughout the enormous literature of music This book is an effort to bring that data together by comprehensively indexing plots and descriptions of individual operatic background criticism and analysis musical themes and bibliographical references The principal audience for this general reference guide will be for the non specialist but its hoped that persons specialising in opera would also find it useful      **A Catalogue of Music for The Ampico** Ampico Corporation, 1925      Saint-Saens's Samson and Delilah Camille Saint-Saëns, 2005 A comprehensive guide to Saint Saens SAMSON AND DELILAH featuring insightful and in depth Commentary and Analysis a complete newly translated Libretto with French English side by side and over 25 music highlight examples      The Bible in Motion Rhonda Burnette-Bletsch, 2016-09-12 This two part volume contains a comprehensive collection of original studies by well known scholars focusing on the Bible's wide ranging reception in world cinema It is organized into sections examining the rich cinematic afterlives of selected characters from the Hebrew Bible and New Testament considering issues of biblical reception across a wide array of film genres ranging from noir to anime featuring directors from Lee Chang dong to the Coen brothers whose body of work reveals an enduring fascination with biblical texts and motifs and offering topical essays on cinema's treatment of selected biblical themes e g lament apocalyptic particular interpretive lenses e g feminist interpretation queer theory and windows into biblical reception in a variety of world cinemas e g Indian Israeli and Third Cinema This handbook is intended for scholars of the Bible religion and film as well as for a wider general audience

*Samson and Delilah*, 1895 *Samson and Delilah* French *Samson et Dalila* is a grand opera in three acts and four scenes by Camille Saint Sa ns to a French libretto by Ferdinand Lemaire It was first performed in Weimar at the Grossherzogliches Grand Ducal Theater now the Staatskapelle Weimar on 2 December 1877 in a German translation The opera is based on the Biblical tale of Samson and Delilah found in Chapter 16 of the Book of Judges in the Old Testament It is the only opera by Saint Sa ns that is regularly performed The second act love scene in Delilah s tent is one of the set pieces that define French opera Two of Delilah s arias are particularly well known *Printemps qui commence* and *Mon c ur s ouvre ta voix* My heart opens itself to your voice also known as *Softly awakes my heart* the latter of which is one of the most popular recital pieces in the mezzo soprano contralto repertoire ***Samson and Delilah*** Camille Saint-Saëns, 1964 *Daring, Disreputable and Devout* Dan W. Clanton, 2009-04-01 Stories of women in the Bible have been interpreted by artists writers musicians filmmakers and biblical commentators for centuries However in many cases these later interpreters have often adapted and altered the Bible to fit their own view s of the stories Ironically these later renderings usually serve as the basis for the generally accepted view s of biblical women For example many readers of the Bible assume that Eve is to blame for the disobedient act in the Garden of Eden or that Delilah seduced Samson and then cut his hair A closer look at these assumptions though reveals that they are not based on the Bible but are mediated through the creations of later interpreters In this book the author examines eight such women s stories and shows how later readers interact with the biblical stories to construct sometimes fanciful sometimes faulty views of these women Dan Clanton Jr broadens our awareness of the influence of these later readings on how we understand biblical women so that we can be more critical in our engagement with them and become more familiar with what the Bible actually says about the women whose stories it contains *Samson and Delilah, Op. 47 (Samson Et Dalila) -- Danse Bacchanale*, 2020-09 Camille Saint Sa ns 1835 1921 opera *SAMSON ET DALILA* Op 47 tells the biblical story of Delilah s betrayal of Samson Originally conceived as an oratorio due to Saint Sa ns admiration

of such works by Handel and Mendelssohn it was converted to an opera when the composer was convinced by a family member to abandon the less used oratorio designed to stage works with biblical themes in favor of the more common and contemporary secular form While composition began in 1867 consistent rejection by the French music world of any biblical stories used as a libretto caused numerous delays and spurts of abandonment of the project by the Saint Sa ns And when the work was completed in 1876 the 1877 premiere in Weimar was only able to take place due to the support of Franz Liszt Further interest around the world including France finally started to grow in the 1890s leaving SAMSON AND DELILAH Saint Sa ns most performed opera today The Danse Bacchanale which takes place in Scene 2 of the third act plays after Samson has been betrayed by Delilah and apprehended by his enemies the Philistines The Philistines plan a sacrifice to their god Dagon and the temple priests dance wildly to this savage Bacchanale as preparation This version has been newly engraved and edited by Clinton Nieweg and Nancy Bradburd Instrumentation 2 Picc 2 EH 2 BCl 2 CBsn 4 2 2Crt 3 1 Timp Perc 3or4 Hp Str 9 8 7 6 5 in set

**Judges Through the Centuries** David M. Gunn,2005-01-28 This bible commentary traces the reception of Judges through the ages not only by scholars and theologians but also by preachers teachers politicians poets essayists and artists A bible commentary focusing on The Book of Judges best known for the tale of Samson and Delilah but full of many other rich and colourful stories Treats the text story by story making it accessible to non specialists Considers the stories of women in Judges including Deborah Jael who slew Sisera and Jephthah s daughter sacrificed by her father Traces the reception of Judges through the ages not only by scholars and theologians but also by preachers teachers politicians poets essayists and artists Illustrates how ideology and the social location of readers have shaped the way the book has been read Discloses a long history of debate over the roles of women and the use of force as well as Christian prejudice against Jews and Orientals Offers a window onto the use of the Bible in the Western world

**Teaching the Bible through Popular Culture and the Arts** Mark Roncace,Patrick Gray,2012-11-01 This resource enables biblical studies instructors to facilitate engaging classroom experiences by drawing on the arts and popular culture It offers brief overviews of hundreds of easily accessible examples of art film literature music and other media and outlines strategies for incorporating them effectively and concisely in the classroom Although designed primarily for college and seminary courses on the Bible the ideas can easily be adapted for classes such as Theology and Literature or Religion and Art as well as for nonacademic settings This compilation is an invaluable resource for anyone who teaches the Bible

The Rough Guide to Opera Matthew Boyden,Nick Kimberley,2002 Sketches of opera composers opera synopses and CD reviews

The Bible onscreen in the new millennium Wickham Clayton,2020-01-17 The remarkable commercial success of Mel Gibson s The Passion of the Christ in 2004 came as a surprise to the Hollywood establishment particularly considering the film s failure to find production funding through a major studio Since then the Biblical epic long thought dead in terms of mainstream marketability has become a viable product This collection examines the new wave of the genre which includes

such varied examples as Darren Aronofsky's *Noah* 2014 and Ridley Scott's *Exodus: Gods and Kings* 2014 along with the telenovelas of Latin America. Such texts follow previous traditions while appearing distinct both stylistically and thematically from the Biblical epic in its prime, making academic consideration timely and relevant. Featuring contributions from such scholars as Mikel J. Koven, Andrew B. R. Elliott, and Martin Stollery, and a preface from Adele Reinhartz, the book will be of interest to students and scholars of film, television, and religion. The Bible on Silent Film David J. Shepherd, 2013-11-14

Between the advent of motion pictures in the 1890s and the close of the silent era at the end of the 1920s, many of the longest, most expensive, and most watched films on both sides of the Atlantic drew upon biblical traditions. David J. Shepherd traces the evolution of the biblical film through the silent era, asking why the Bible attracted early film makers, how biblical films were indebted to other interpretive traditions, and how these films were received. Drawing upon rarely seen archival footage and early landmark films of directors such as Louis Feuillade, D. W. Griffith, Michael Curtis, and Cecil B. DeMille, this history treats well-known biblical subjects including Joseph, Moses, David, and Jesus, along with lesser-known biblical stars such as Jael, Judith, and Jephthah's daughter. This book will be of great interest to students of Biblical studies, Jewish studies, and film studies.
