

THE OXFORD AUTHOR

SAMUEL JOHNSON

A CRITICAL EDITION OF THE MAJOR WORKS

Samuel Johnson A Collection Of Critical

Philip Smallwood

Samuel Johnson A Collection Of Critical:

Samuel Johnson S. Johnson,1965 *Samuel Johnson* ,1965 *Samuel Johnson* Peter Quennell,1972 **The Selected Essays of Donald Greene** Donald Johnson Greene,2004 Part III The Terrain of Literature features Greene s examination of a variety of literary approaches to literature in an era when the subject needs to be referred as well to cognitive science as more conventional critical modes even deconstruction that have long defined it Additionally he illuminates important works by writers as various as Jane Austen and Evelyn Waugh These essays as well as the book as a whole are framed here by Greene s assessment of Canadian literature that calls attention to the native terrain that he originally called home and how the latter contributed to the making of one of the most cosmopolitan scholars of his era Jacket **Samuel Johnson** Isobel Grundy,1984 This collection then does not claim to be revolutionary but it hopes to be revisionary It sets out from the assumptions that Johnson is easy to love but hard to understand that there is always some further angle we have not yet grasped that his readers undergo a persistent experience of having not without effort to rethink and that having made such an effort they may then find themselves in a position to offer new information or new insight We have tried in this volume while bearing in mind the wealth of his achievement to set before our readers some aspects of his writing which have been least well recognized and which have strongest contemporary interest Preface page 8 Samuel Johnson Isobel Grundy,1984 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com The life of Samuel Johnson, LL.D., with critical observations on his works Robert Anderson,1815 **The Life of Samuel Johnson Whit Critical Observations on His Works** Robert Anderson,1815 **Aspects of Samuel Johnson** Howard D. Weinbrot,2005 Howard D Weinbrot s Aspects of Samuel Johnson Essays on His Arts Mind Afterlife and Politics collects earlier and new essays on Johnson s varied achievements in lexicography poetry narrative and prose style It considers Johnson s uses of the general and the particular as they relate to the reader s role in the creative process his complex approach to the concept of literary genre and his resolutely in human view of skepticism **The Philosophical Biographer** Martin Maner,2009-01-01 The Philosophical Biographer shows how a shift in philosophical outlook in the seventeenth and eighteenth centuries from an understanding of human knowledge rooted in deductive certainties to one resting on inductive probability influenced the development of biographical narrative in general and in particular the way Johnson dealt with biographical evidence in his Lives of the Poets Examining the psychological and philosophical doubt that lay at the heart of Johnson s character and intellect Martin Maner reveals in the biographical studies of Savage Swift Milton and Pope an ingrained pattern of dialectical argument and a skeptical attitude toward evidence a method that involves the reader in judgments about the poets as it conveys Johnson s own understanding of truth In the Life of Savage Johnson moves from thesis to antithesis generating out of opposing emotional responses irony and sympathy ridicule and pathos an understanding of the man Dialectically undercutting the conclusions of previous biographers of Swift and Milton Johnson fashions a new

somewhat acidic estimation of Swift and a portrait of Milton that engages contemporary questions of the probable and the marvelous The Life of Pope Johnson s greatest dialectical achievement alternates between blame and praise public and private realms weaving tone context and analogy into great contrasting patterns of inquiry and judgment Establishing the centrality of a dialectical method in the Lives of the Poets Martin Maner links the rise of biography as well as Johnson s interest in the form to the shift in epistemology brought about by empiricism In the new patterns of thought of the seventeenth and eighteenth centuries biography the estimation of a life through sifting of historical events and evidence was the most philosophical of endeavors and Johnson its greatest practitioner **Dr. Samuel Johnson and James Boswell**

Harold Bloom,1986 A collection of critical essays on the works of Dr Samuel Johnson and James Boswell arranged in order of original publication **Johnson Re-Visioned** Philip Smallwood,2009-04 How far does Johnson s mind touch the critical

consciousness and how far is the modern experience of his writings a form of historical knowledge This title includes essays by British and American scholars who seek to answer these questions from a sequence of argued perspectives *British Sources of Information* P. Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual **The Junior College Library Collection**

,1968 **Johnson's Critical Presence** Philip Smallwood,2017-07-05 Johnson s Critical Presence demonstrates how Johnson s criticism has for long been divided from the issues of modern criticism by historical narratives that have marked the progress of criticism from classic to romantic The image of Johnson constructed by his immediate antagonists has been preserved by the routines of historical representation and mediated to the present day most recently by the characterizations of radical theory By an in depth analysis of major works by Johnson Smallwood argues that the historicization of eighteenth century criticism can be more fruitfully understood in the light of the dialogic and translational historiography of such thinkers as Collingwood and Ricoeur and that the contexts of Johnson s criticism must include the poetry he read as well as the theories he espoused In this way the book reinstates Johnson s presence as critic while displacing the history of ideas as the leading paradigm for conceptualizing the history of criticism , **Reading Eighteenth-Century Poetry** Patricia

Meyer Spacks,2009-02-17 Reading Eighteenth Century Poetry recaptures for modern readers the urgency distinctiveness and rewarding nature of this challenging and powerful body of poetry An essential guide to reading eighteenth century poetry written by world renowned critic Patricia Meyer Spacks Exposes the multiplicity of forms tones and topics engaged by poets during this period Provides in depth analysis of poems by established figures such as Alexander Pope and Jonathan

Swift as well as work by less familiar figures including Anne Finch and Mary Leapor A broadly chronological structure incorporates close reading alongside insightful contextual and historical detail Captures the power and uniqueness of eighteenth century poetry creating an ideal guide for those returning to this period or delving into it for the first time The Junior College Library Collection Frank J. Bertalan,1968 *Critical Companion to Jane Austen* William Baker,2008 Jane Austen has been one of the world s most popular writers for 200 years and is best known for her works *Pride and Prejudice* *Emma* and *Sense and Sensibility* **The Unknown Samuel Johnson** John J. Burke,Donald Kay,1983 This book presents a collection of historical essays on Samuel Johnson s life and viewpoints from his personal writings
