families incredible resilience in the face of racism at war and at home and shows how their hopes for the future provided a blueprint for America's postwar civil rights struggles Integrating social history and civil rights movement studies Fighting for Hope examines the ways in which political meaning and identity were reflected in the aspirations of these black GIs and their role in transforming the face of America A marvelous book Annals of Iowa *The New England Historical & Genealogical Register and Antiquarian Journal*, 1868 **The New England Historical and Genealogical Register**, 1908 Beginning in 1924 Proceedings are incorporated into the Apr no **The Letters of William Lloyd Garrison** William Lloyd Garrison, 1971 *North Carolina Reports* North Carolina.
