all against all could only be avoided by strong undivided government **Leviathan** Thomas Hobbes,2021-02-09 Written by one of the founders of modern political philosophy Thomas Hobbes during the English civil war Leviathan is an influential work of nonfiction Regarded as one of the earliest examples of the social contract theory Leviathan has both historical and philosophical importance Social contract theory prioritizes the state over the individual claiming that individuals have consented to the surrender of some of their freedoms by participating in society These surrendered freedoms help ensure that the government can be run easily In exchange for their sacrifice the individual is protected and given a place in a steady social order Articulating this theory Hobbes argues for a strong undivided government ruled by an absolute sovereign To support his argument Hobbes includes topics of religion human nature and taxation Separated into four sections Hobbes claims his theory to be the resolution of the civil war that raged on as he wrote creating chaos and taking casualties The first section Of Man discusses the role human nature and instinct plays in the formation of government The second section Of Commonwealth explains the definition implications types and rules of succession in a commonwealth government Of a Christian Commonwealth imagines the religion s role government and societal moral standards Finally Hobbes closes his argument with Of the Kingdom of Darkness Through the use of philosophical theory and historical study Thomas Hobbes attempts to convince citizens to consider the cost and reward of being governed Without an understanding of the sociopolitical theories that keep government bodies in power subjects can easily become complicit or allow society to slip into anarchy Created during a brutal civil war Hobbes hoped to educate and persuade his peers Though Leviathan was a work of controversy in its time Hobbes theories and prose has survived centuries shaping the ideas of modern philosophy This edition of Leviathan by Thomas Hobbes is now presented with a stunning new cover design and is printed in an easy to read font With these accommodations Leviathan is accessible and applicable to contemporary readers *Leviathan, or, The matter, forme, & power of a common-wealth ecclesiasticall and civill* Thomas Hobbes,1887 **Ancient Egypt - Light Of The World, Volume 1** Gerald Massey,2014-05-26 No one ever understood the mythology and Ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt This book is one of the best when it comes down to Egyptian mythology occultism and interpretation It s a standard work no one wants to miss Contents Sign Language And Mythology As Primitive Modes Of Representation Totemism Tattoo And Fetishism As Forms Of Sign Language Elemental And Ancestral Spirits Or The Gods And The Glorified Egyptian Book Of The Dead And The Mysteries Of Amenta The Sign Language Of Astronomical Mythology Egyptian Wisdom The Drowning Of The Dragon The Sign Language Of Astronomical Mythology Part II Horus Of The Double Horizon The Making Of Amenta The Irish Amenta The Upper Mount Of Glory Egyptian Wisdom And The Hebrew Genesis The Egyptian Wisdom In Other Jewish Writings
