Second Life Of Samuel Tyne:

The Second Life of Samuel Tyne Esi Edugyan, 2011-03-04 Haunting and atmospheric this debut novel portrays the heartbreak hardship and moments of surprising grace in the life of a man struggling to realize his destiny A young man of astonishing promise when he emigrated from Ghana in 1955 Samuel Tyne was determined to accomplish great things Fifteen long years later he is an insignificant government employee who hates his job when he unexpectedly inherits his uncle's crumbling mansion in Aster Alberta Despite his wife's resistance and the sullen complaints of his thirteen year old twin daughters Samuel quits his job and moves his family to the town For here he believes is that fabled second chance and he is determined not to fail again At first Aster seems perfect to Samuel the formerly all black town represents the return to a communal idyllic way of life But he soon discovers the town's problems a history of fighting a strict town council and a series of mysterious fires that put all the townsfolk on edge When his daughters cease speaking and refuse to explain their increasingly strange behaviour Samuel turns more and more to the refuge of his electronics shop As his ambitions intensify the life he has struggled so hard to improve begins to disintegrate around him and a dark current of menace in the town is turned upon the Tyne family
