Second Thoughts One Hundred Upbeat Messages For Beatup Americans:

Second Thoughts Mort Crim, 1998-02 Second Thoughts is a collection of 100 essays reflecting celebrated broadcaster Mort Crim's conclusions about life after 35 years of covering world events. His daily radio series from which he has gathered these writings cuts through the gloomy clouds created by media fascination with the bad, the bizarre, and the ugly. Second Thoughts is about solutions, triumphs, and faith. Its messages are crisp, cogent, daily reminders that hope is not only reasonable but the only rational basis upon which to build a life or a society. Readers will find security and inspiration within these pages and realize that each one of us makes a difference in the world. **Extreme Focus** Pat Williams, Jim Denney, 2011-04

Everybody has dreams but how many of us get to see our dreams come true. Disneyland, Starbucks, Google, the first manned landing on the Moon, every novel ever written, every motion picture ever filmed, every painting ever created, all began as a dream in someone's imagination. And all became real through the power of Extreme Focus. After assembling an NBA championship team in Philadelphia in the 1980s, author Pat Williams dreamed of building an NBA expansion team in central Florida, the Orlando Magic. Applying the same success principles he teaches in Extreme Focus, Williams achieved that dream. For more than two decades, the Magic has been rocking the sports world and proving that dreams really do come true through the power of Extreme Focus. This is not just another collection of rah-rah motivational slogans. Extreme Focus is a practical, proven, step-by-step guide to turning dreams into reality, written by someone who has been there and done that. In these pages, Pat Williams shows you how to discover and focus on your passion in life, how to achieve great things tomorrow by focusing on today, how to discipline yourself for success, how to increase your courage and confidence, and more. The principles and stories in Extreme Focus will get you off the treadmill of a humdrum life and onto the road to your dreams.

Words on Cassette, 2002 R R Bowker Publishing, 2002 *The Joy of Good News* Mort Crim, 2001 Every day the media inundate us with bad news. And we need to hear about the evil things that happen to others so that we can understand our complex world and be ready to offer help to hurting people when we can. But we also need the balancing and comforting perspectives that good news offers. In these 84 reflections, nationally syndicated broadcaster and author Mort Crim reports events and shares insights that delight us. His accounts and reflections bring good from evil, strength from weakness, success from failure, and beauty from ugliness. Quotes from the Bible and from renowned authors enhance each reflection. **Good News for a Change!** Mort Crim, 1999 In these 84 provocative reflections, nationally syndicated broadcaster Mort Crim urges readers to think twice about things they take for granted every day. *The Library Journal*, 1999 Includes beginning Sept 15, 1954 and on the 15th of each month Sept-May a special section.
