New York Times bestselling biography of America s most infamous president written by a master of investigative political
reporting Anthony Summers s towering biography of Richard Nixon reveals a tormented figure whose criminal behavior did
not begin with Watergate Drawing on more than a thousand interviews and five years of research Summers traces Nixon s
entire career revealing a man driven by addiction to power and intrigue His subversion of democracy during Watergate was
the culmination of years of cynical political manipulation Evidence suggests the former president had problems with alcohol

about Nixon s role in the plots against Fidel Castro and Salvador Allende his sabotage of the Vietnam peace talks in 1968 and
his acceptance of funds from dubious sources The Arrogance of Power shows how the actions of one tormented man
influenced 50 years of American history in ways still reverberating today Summers has done an enormous service The
