an exalted outlook on life exist in abundance in the poetry of Blake Shelley and Keats The present book explores them and their implications The Complete Poetry and Prose of William Blake William Blake,2008-07-07 Poetry **Reading**

Keats's Poetry Merve Günday,2024-07-04 This book claims that Keats s poetry is a reaction against the discourse of modernity which traumatized the human subject by creating a divide between human and nature subject and object It argues that by transcending this divide and acknowledging the agency of both subject and object Keats makes an ideological statement and offers a new site of existence or relationality to readers This site also implies a response to the accusations that the Romantics were not interested in the realities of their time What Keats does is to give an aestheticized response to the hardcore facts of his time Departing from previous studies due to its emphasis on subjectivity and relationality the book discusses Keats with regard to post non anthropocentric alternative subject positions and subject object relations in his Ode to a Nightingale In drear nighted December Isabella or The Pot of Basil Lamia La Belle Dame sans Mercy and Ode on a Grecian Urn Drawing on Lacanian and Braidottian epistemologies in its discussion of the intricacy between the imaginary and the symbolic the irruption of the psychotic into the symbolic and the agency of the object on the subject in Keats s poetry the book suggests that the inner dynamics of both the subject and the object acquire agency which shatters Oneness and totality assumed in the Cartesian self *The Prophetic Writings of William Blake, in Two Volumes* William Blake,1926

The Human Satan in Seventeenth-Century English Literature Nancy Rosenfeld,2016-02-24 Framed by an understanding that the very concept of what defines the human is often influenced by Renaissance and early modern texts this book establishes the beginning of the literary development of the satanic form into a humanized form in the seventeenth century This development is centered on characters and poetry of four seventeenth century writers the Satan character in John Milton s Paradise Lost and Paradise Regained the Tempter in John Bunyan s Grace Abounding to the Chief of Sinners and Diabolus in Bunyan s The Holy War the poetry of John Wilmot earl of Rochester and Dorimant in George Etherege s Man of Mode The initial understanding of this development is through a sequential reading of Milton and Bunyan which examines the Satan character as an archetype in the making building upon each to work so that the character metamorphoses from a groveling serpent and fallen archangel to a humanized form embodying the human impulses necessary to commit evil Rosenfeld then argues that this development continues in Restoration literature showing that both Rochester and Etherege build upon their literary predecessors to develop the satanic figure towards greater humanity Ultimately she demonstrates that these writers taken collectively have imbued Satan with the characteristics that define the human This book includes as an epilogue a discussion of Samson in Milton s Samson Agonistes as a later seventeenth century avatar of the humanized satanic form providing an example for understanding a stock literary character in the light of early modern texts *Selected Poetry* William Blake,1998 William Blake 1757 1827 was a poet of striking originality whose poetic world of myth and mysticism continues to fascinate By turns a haunting lyricist an apocalyptic visionary and an unorthodox thinker Blake was

for years ignored or derided Sustained by his belief in the artistic imagination he drafted poetry prose visions and epigrams and manufactured beautiful illustrated volumes of his lyrics and verse narratives Towards the end of his life Blake s unique and irreducible talent was recognized by a group of younger artists who rescued much of his achievement from oblivion This selection represents the full range of Blake s accomplishment as a poet ranging from early Poetical Sketches to late lyrics and including such major works as The Book of Thel Songs of Innocence The Marriage of Heaven and Hell Visions of the Daughters of Albion America Songs of Experience and Europe The collection is chosen from the Oxford Authors critical edition with Michael Mason s introduction and notes providing the ideal guide to a remarkable oeuvre

American Book Publishing Record ,2002 **The Prophetic Writings of William Blake** William Blake,1926 **Poetry and Prose of William Blake** William Blake,1927 **Imagining Nature** Kevin Hutchings,2002 In *Imagining Nature* Kevin Hutchings combines insights garnered from literary history poststructuralist theory and the emerging field of ecological literary studies He considers William Blake s illuminated poetry in the context of the eighteenth century model of nature s economy a conceptual paradigm that prefigured modern day ecological insights describing all earthly entities as integrated parts of a dynamic interactive system Hutchings details Blake s sympathy for and important suspicions concerning the burgeoning contemporary fascination with such things as environmental ethics animal rights and the various fields of scientific naturalism By focusing on Blake s concern for the relationship between nature and ideology including the politics of class gender and religion Hutchings avoids the sentimentalism and misanthropic pitfalls all too often associated with environmental commentary He articulates a distinctively Blakean perspective on current debates in literary theory and eco criticism and argues that while Blake s peculiar humanism and profound emphasis upon spiritual concerns have led the majority of his readers to regard his work as patently anti natural such a view distorts the central political and aesthetic concerns of Blake s corpus By showing that Blake s apparent hostility toward the natural world is actually a key aspect of his famous critique of institutionalized authority Hutchings presents Blake s work as an example of green Romanticism in its most sophisticated and socially responsive form

The Poet's Tomb Martin Corless-Smith,2020-04-23 Every poem an epitaph every poem a ticket to ride from Sappho s bittersweet eroticism to the wild civility of Robert Herrick Martin Corless Smith is a poet painter and translator of canonical poems and each of these vocations is on view in this memorable defense of poetry as he reads from Virgil to Notley in sight of the impossible blue of Bellini s Doge Leonardo Loredan and Piranesi s otherworldly Pyramid of Cestius while contemplating the paradoxes of the finite body of the poet dreaming immortal poetry Keith Tuma Querying the embodiment of poetry Corless Smith begins in the body of the poet living and or dead and passes from there through the body of the reader in order to argue the mutual construction of the body of a poem as a shared body and a new commons which like all things vital to survival air water hope must be maintained as open and available to all These succinct elegant essays perform this maintenance and in the process return us to all poetry charged with the energy

Index to foot-notes, & c William Blake, 1926 **Water Beings** Veronica Strang, 2023-04-19 Looking to the vast human history of water worship a crucial study of our broken relationship with all things aquatic and how we might mend it Early human relationships with water were expressed through beliefs in serpentine aquatic deities rainbow colored feathered or horned serpents giant anacondas and dragons Representing the powers of water these beings were bringers of life and sustenance world creators ancestors guardian spirits and lawmakers Worshipped and appeased they embodied people's respect for water and its vital role in sustaining all living things Yet today though we still recognize that water is life fresh and saltwater ecosystems have been critically compromised by human activities This major study of water beings and what has happened to them in different cultural and historical contexts demonstrates how and why some but not all societies have moved from worshipping water to wreaking havoc upon it and asks what we can do to turn the tide Poems for the Millennium, Volume Three Jerome Rothenberg, Pierre Joris, Jeffrey C.
